CCTV available on site as well as across the entire estate with an additional overnight security guard at the entrance to the estate about 800m from the venue. Challenge 25 is in place and no one under the age of 18 is allowed on site to ensure the protection of children from harm.

If you intend to use only part of the premises at this address or intend to restrict the area to which this notice applies, give a description and details below (see also guidance on completing the form, note 3)

Describe the nature of the premises below (see also guidance on completing the form, note 4)

The premises to be used is a licensed nightclub. The premises has the facilities to play amplified music in a controlled and safe space for attendees. The premises is located on an industrial estate that is extremely quiet on weekends, especially Sundays. There is plenty of space for parking and taxis to drop off and collect and is also only a 15 minute walk from the tube station, bus station and national rail. There is one entrance to the industrial estate and the nearest neighbors are over 1km away with regards to patrons exiting the site. There are cameras on site and across the estate and a security guard at the only entrance to the estate to help prevent any public nuisance and crime and disorder incidents. In addition to this we employ SIA registered security guards from SSMRT who wear body cams and are trained medics. Less than 150 people are expected for this event so there will be 2 x registered SIA staff which is in-line with the theory of 1 per 100 people. We operate a challenge 25 policy at the door and the bar. No one under the age of 18 will be allowed entry to the premises to ensure the protection of minors. We serve drinks not drunks. Staff are all trained in welfare and general H&S policies of the venue. Db meters will be used as usual, and adhered to. Security are employed to stay on site 30 minutes after the event finishes to ensure all guests leave the estate respectfully. If anyone appears intoxicated they will be refused entry or if inside, asked to leave. Security will help guide them to the public transport or help them call a cab home to ensure the first three licensing objectives are met. Patrons will be guided by security to leave the estate peacefully and respectfully when exiting the venue to respect neighbors and members of the public and prevent crime and disorder.

Describe the nature of the event below (see also guidance on completing the form, note 5)

The event is called Wiggle and is a social/music event. Starting at 5am on Sunday and running throughout the day.

The event is looking to run from 5am - midday on 5th Oct. This won't affect how the four licensable objectives are managed as the SIA registered security will continue to manage entrance and exits to the venue, preventing anyone intoxicated or underage from entering the venue.

The same event was held under a TENS application last year without any issues.
