The variation is to seek an extension of the trading hours, to increase the licensable area by including the back area, known as The outside garden /rear area, on the licence, and to remove some of the current conditions from the licence. Identify those conditions currently imposed on the licence which you believe could be removed as a consequence of the proposed variation you are seeking.

Two SIA registered door supervisors will be engaged on Friday, Saturday and Sunday nights at the entrance of the premises. They will be employed from 22:00 hours until the end of business until all patrons have vacated the premises.

To be removed.
the following condition can replace the above.

The Licensee shall risk assess the requirement for SIA on any day and be responsible for the implementation of all SIA. This risk assessment shall be recorded in written form and made available for inspection by authorised officers and police. The reason for this is one of cost to the business. there may be occasions that only a handful of customers are at the premises on any given night. This removes the need for SIA to be in attendance regardless of how busy the premises is.

A Noise Limiting device shall be installed and fitted to the music amplification equipment. This will be set to the level agreed by the Environmental Health Officers of Haringey Council.
Any recorded music being played must have a noise limiter.

This condition can be removed as the premises does not offer regulated entertainment. the only music played is through the TV. Noise limiters are not required for this.

From 22:00hrs on Friday, Saturday and Sunday nights an hourly perimeter check will be undertaken by management of the premises. This check will be recorded in a dedicated record book. Details of this perimeter check will be made available immediately at the request of an authorised council officer or police officer.

Not necessary as no regulated entertainment is required.

Alcohol cannot be taken Off the premises at any time.

The variation is seeking the addition of off sales.

There shall be no removal of alcohol from the premises after 0100hrs.

The variation seeks to include the delivery of alcohol with food deliveries up until the terminal hours applied for.

The outside garden /rear area to be closed to all patrons at all times.

The variation seeks to add this area to the licensable area for the premises.

Delivery (food only) can only be made to a domestic dwelling or place of business

Remove (food only)
