Annex 3 – Conditions attached after a hearing by the licensing authority

RESOLVED 12th December 2024

The Committee decided to GRANT the application.

The Committee requires the Applicant to adhere to the Conditions proposed by the Applicant at pages 69-70 & 79-81 of the Committee papers (section M of the Application pack).

REASONS:

The committee gave serious consideration to the submissions by the Applicant and to the concerns raised by the objectors.

It was noted that there were objections to the very late hours proposed by the applicant from both the Police and the Noise Team. Those objections can be summed up by the view there would be a contravention of the principle to prevent public nuisance and crime and disorder. It was very likely that customers leaving at such late hours may be intoxicated causing significant sleep disturbance, likely to cause noise nuisance. The resident indicated that there would be significant disturbance to her enjoyment of her property which was directly above the premises.

The Committee were also particularly concerned about the very early hours for alcohol sales proposed, given two local schools nearby, hence the later hours agreed for opening for alcohol sales.

There was also a distinct lack of any plans for managing sales and delivering off the premises or plans to limits gathering, delivery rider traffic, noise, congregating or facilities for them hence the refusal to grant OFF premises sales of alcohol.

There was some confusion with regards to the application as it was not entirely clear what was being sought. Initial the representative for the applicant clearly indicated that they were agreeable to all the conditions proposed by the Police and most importantly would not be using the rear/garden area for the purposes of the business. On that basis both the police and Noise Team withdrew their objections on the proposed conditions.

However, contradicting his own representatives, the Applicant later indicated, that although he agreed with the conditions and timings, he still wanted to use the rear/garden areas. Despite the confusion the Committee resolved to take that as the basis of the application as it was made directly by the Applicant.

It was noted, to the credit of the applicant that he had agreed additional conditions with the Police to alleviate the above concerns and the notice team also indicated that there was no objection in principal once these conditions were agreed.

The Committee note objections that the late hours and alcohol sales would turn the restaurant into a nightclub-, but accepted the applicant's representations that it was an ordinary Restaurant seeking to play some ambient background music.

It was also noted and acknowledged by the Applicant that there is in fact a planning restriction in place which means the rear/garden area could not be used in any event.

It was evident to the Committee that the late sale of alcohol in such a premises would contribute to potential public nuisance and & disorder and agreed to reduce to the hours for late sale of alcohol to the times above.

In light of the above, it was deemed that a grant of the application with the above variations and conditions balanced the interest of the applicants, the residents and the licencing objectives.

Annex 4 – Plans
