6. Description

- 6.1 Road Maintenance
Alexandra Palace Way was closed to through traffic for three days in January. This was to reconstruct the collapsing ramps on the western speed table. Access to the palace and other facilities such as the garden centre was maintained.
- 6.2 While the traffic on the road was reduced other allied works were carried out including unblocking road drains and patch repairs to the road surface.
- 6.3 Adizone Facility
The proposed adiZone which was to be located in Newland Field was refused planning permission by London Borough of Haringey. Recreation Services, who were leading the project, decided not to pursue this any further.
- 6.4 Additional Income
The trustees agreed at the Board Meeting on 12th January for officers to conduct a feasibility study into charging for the use of the car parks on site.
- 6.5 The trustees will consult the Statutory Advisory Committee formally before any decisions are made. Residents' associations and user groups will be consulted through the Consultative Committee.
- 6.6 Winter Weather
The snow brought hundreds of people to the park to enjoy building snowmen and sledging. Unfortunately, a large amount of litter and rubbish was left behind by those visitors.
- 6.7 The park staff spread approximately 22 tonnes of rocksalt on priority areas, namely key paths, steps, palace entrances and bus stops.
- 6.8 For information, the local authority grit Alexandra Palace way as a priority 1 road.
