

Children and Young People's Scrutiny Panel

Work Plan 2024 - 26

1. Scrutiny review projects; These are dealt with through a combination of specific evidence gathering meetings, that will be arranged as and when required, and other activities, such as visits. Should there not be sufficient capacity to cover all these issues through in-depth pieces of work, they could instead be addressed through a “one-off” item at a scheduled meeting of the Panel. These issues will be subject to further detailed development and scoping.		
Project	Comments	Priority
Under 1's Provision	To review the provision of services for under 1's in Haringey and to make recommendations for how these could be improved.
