Subject: Objection: Radial - Unit 1, 39B Markfield Road, Tottenham, London, N15 4QF

To whom it may concern,

I have just heard that the owners of ten87 are seeking a license for new premises called Radial. I am opposed to this as, historically, they have been disruptive and inconsiderate neighbours, and their 'noise mitigation' has been laughable, both in terms of sound insulation of the venue and people leaving the venue (frequently through fire exits which are propped open).

In the same way that noise complaints are anonymous, I would like my feedback to remain that way
