Ward(s) affected: N/A

**Report for Key/
Non-Key Decision:** Non key decision

1. Describe the issue under consideration.

1.1 Each year before 31st March, full Council is required by the Local Authorities (Members Allowances) (England) Regulations 2003 to adopt a Members Allowances Scheme for the following financial year.

2. Cabinet Member Introduction

N/A

3. Recommendations

3.1 To consider the changes to the Members' Allowances Scheme set out at section 6 and reflected at Appendix 2 to the report.

3.2 To recommend that the Members' Allowances Scheme 2026/27 attached at Appendix 2, and any further changes agreed by the Committee be adopted by Full Council on 16 March 2026.

4. Reasons for decision

4.1 The Council has a legal duty to approve a Members Allowances Scheme before the end of each year to cover the following year. The Council can amend a scheme any time during the year but can only revoke a scheme with effect from the beginning of the year. The scheme must make provision for basic allowances and, if they are to be paid, special responsibility, dependents' carers, travelling and subsistence and co-optees allowances.

5. Alternative options considered.

5.1 No alternative options were considered as there is a duty to adopt a members' allowance scheme annually.

6. Background information

6.1 This report asks Standards Committee to consider the scheme proposed for 2026/27 municipal year and recommend the final scheme for approval by full Council on the 16th of March 2026, in accordance with Article 14.03 of the Council's Constitution.

6.2 Before it can adopt a Members Allowances Scheme the Council has a duty to consider the recommendations of an Independent Remuneration Panel in relation to the payment of Members Allowances.

6.3 The Local Authorities (Members Allowances) (England) Regulations 2003 allow London Boroughs to use an Independent Remuneration Panel set up for the purpose of making recommendations across London. London Councils set up a panel for this purpose in 2001 and its most recent report was published on 5th of January 2024 following a detailed review, with recommendations on the remuneration of Councillors in London. To confirm that the Independent Remuneration Panel 2023 report (attached as appendix 3) continues to be considered by Councils and there will be no new report in 2026. The LGA confirm that a report by the IRP Panel is next expected at the end of 2027.

6.4 The 2023 report was considered by the Standards Committee in January 2024 and they noted that it highlighted the increasing challenges and complex role of councillors and how in London this is becoming more seismic with inclusion of national and international changes are directly impacting communities. The report reiterated the wide-ranging responsibilities of local councillors, the time commitment needed and ensuring that the role remained attractive to local residents that have skills, knowledge of the communities and who also reflected the demographics of the borough. The report made some strong recommendations for changes to the basic allowance of councillors, and to the SRA for the Leader and Mayors of Councils. The report recommendations were supported by research, which has been compiled from canvassing members and holding focus groups with the public to provide Councils with some assurance that the recommendations have been tested and to limit the anxiety around reputational risk.

6.5 The report argued strongly that the salaries for councillors are considerably lower than those in Scotland, Wales and Northern Ireland and workers in London. The Panel are recommending that the basic allowance should be **£15,960** and the approach and calculations are listed at paragraph 7.9 of the attached report. The Panel had included comments from their research and focus groups to help to provide assurance on how this may not be negatively perceived.

6.6 Although the IRP 2023 makes recommendations, it is for each individual Council to decide the level of remuneration and for which roles.

- 6.7 To note that previous Haringey independent review of Members Allowance commissioned by the Standards Committee in 2019/20 indicated that the Members Basic Allowance percentage increase be index linked to the local government officer pay percentage increase, capped at 2% to be reduced if a lesser percentage is agreed.
- 6.8 To note that in March 2024, the Committee discussed that going forward, there should be a regularisation of increases to the Basic Allowance to link with the local government pay increase, capped at 2% but noted the legal requirement to consider the Members' Allowance Scheme on an annual basis.
- 6.9 There was discussion at the Standards Committee in February 2026 and Members welcomed the IRP recommendations to incrementally increase with officer pay. However, it was noted that Members would discuss any changes with political groups and return in March 2026 with final recommendations. At this meeting it was also noted that continuing with a 2% increase would be an **£13,680** additional budget cost and would mean a new basic Allowance as **£12,234.00**. This was noted to be still well below the Basic Allowance recommendation from IMP Panel of **£15,960** and below the rates paid by Islington, Hackney and Camden Council.
- 6.10 To note that neighbouring boroughs Basic Allowances rates were as follows:

Islington - 12, 717
Hackney - £12480
Enfield £10,997
Barnet £10,809
Brent £12,988
Camden £13,340

- 6.11 The attached appendix 2 sets out an updated Member Allowance scheme 2026/27 with a 2% increase to the Basic Allowance.

$\text{£}11,994/100 \times 2 = \text{£}239.88$ (rounded to $\text{£}240.00$) with new Basic Allowance as $\text{£}12,234.00$.

$\text{£}240 \times 57 = \text{£}13,680$ additional budget cost.

7. Contribution to strategic outcomes

- 7.1 Members of the Council are directly responsible for the setting and oversight of all strategic priorities.

8. Statutory Officers comments (Chief Finance Officer (including procurement), Assistant Director of Corporate Governance, Equalities)

8.1 Finance

The cost of increasing the Members Basic Allowance by £240.00 per councillor is £13,680. A budget pressure of £13,680 is not a significant sum in the context of the Council's overall budget and will have to be managed through the in-year monitoring process for 2026/27 and addressed formally in the next MTFs round and considered earlier by the Committee in November 2026 and Feb 2027.

8.2 Director of Legal and Governance

The proposed Members' Allowance Scheme complies with the relevant provisions of the Local Authorities (Members' Allowances) (England) Regulations 2003; the Local Government and Housing Act 1989 and the Local Government Act 2000.

In addition, there are separate provisions, namely sections 3 and 5 of the Local Government Act 1972 for the payment of allowances to the Mayor and the Deputy Mayor.

8.3 Equality

The decision to approve allowances to members does not have a direct impact on the equality duty of the council, other than that the scheme includes provision for payment for parent/carers allowances to facilitate the attendance of parents and carers at meetings and in relation to carrying out the general responsibilities of councillors.
