

**Title:** Clear Hold Build Northumberland Park – High Level Update

**Report**

**authorised by:** Mark Wolski, Head of Community Safety

**Lead Officer(s):**

**Ward(s) affected:** Key crime ward – Northumberland Park

**Report for Key/**

**Non-Key Decision:** Non key decision

**1. Report**

1.1 This report introduces a high-level thematic presentation of progress in relation to the Clear Hold Build initiative in Northumberland Park.

1.2 The presentation at the partnership will set out the structure of how operational delivery groups operate across several themes (People, Premises, Place), an overview of reported crime levels followed by a SWOT.

**1.3 Recommendations**

2.1 That the Partnership note the content of the presentation at the Community Safety Partnership, having due regard to the analysis of what is in effect ‘working well, even better if’ analysis.

**2. Reasons for decision**

n/a

**3. Alternative options considered**

n/a

**4. Background information**

5.1 Haringey has two Clear Hold Build sites, the secondary sight at Finsbury Park

5.2 Haringey is the only borough in London with two CHB sites, both of which straddle neighbouring boroughs.

5.3 The MPS is seeking to adopt CHB as an operating model for Crime and Disorder reduction.

**5. Contribution to strategic outcomes**

7.1 This work contributes to the Mayor of London's Policing and Crime Plan, the Haringey Community Safety Strategy and Haringey's Council's Corporate Plans.

**6. Finance and Procurement**

n/a

**7. Legal**

n/a

**8. Equality**

The forthcoming strategic needs assessment will encompass an Equalities Impact Needs Assessment that addresses crime and disorder activity as it affects Haringey's communities
