Statutory Consultation: Watermead Way and Hale Road N17 - Proposed 20mph speed limit

Dear Resident or Business,

I would like to thank all who participated in the public consultation exercise, conducted from 9th – 29th June 2025, on our proposal to lower the speed limit on Watermead Way (south of Burdock Road) and Hale Road (east of The Hale) from 30mph to 20mph. We received 43 responses during the public consultation period, 39 (91%) in support and 4 (9%) objecting to the proposals.

We considered all feedback received during the public consultation period and the Council has decided to proceed to statutory consultation, which is a formal process whereby the proposals are advertised in the local press.

A copy of the scheme's report which details the feedback received during the public consultation, together with the objections received and the Council's response is available via link: <https://haringey.gov.uk/decision-watermead-hale-2025>

The proposed measures are designed to improve road safety and pedestrian accessibility. Details are listed below and illustrated on the attached plan.

- Reduce the speed limit on Watermead Way (south of Burdock Road) and Hale Road (east of The Hale) from 30mph to 20mph
- Provision of new speed tables and speed cushions on Watermead Way
- New 20mph traffic signs and road markings

This letter marks the start of a three-week statutory consultation period during which we welcome your views. The statutory consultation is a formal process whereby the proposals are advertised in the local press and allow a 21-day period for anyone wishing to object to the proposals. You can give us your views, comments, or objections by scanning the QR code above, or using the link to complete our online feedback form. Alternatively, you can email us at frontline.consultation@haringey.gov.uk or use the enclosed Freepost feedback card.

If you object to the scheme, please give reasons for your objection. Please ensure that your responses including any objections reach us as soon as possible and no later than **4 February 2026**

Thank you for your interest and we look forward to hearing from you.

Yours faithfully
