Subject: RE: OBJECTION NOTICE OF A TEMPORARY EVENT NOTICE- Red Carpet Bar & Restaurant, 99 West Green Road, Tottenham, London N15 5DE on 9th to 10th and 14th to 17th May 2026

Dear David Wood

As you are aware, three Temporary Event Notices (TENs) were submitted as follows:

1. A late TEN for 1st–4th May (inclusive), which has received a counter notice;
2. A standard TEN for 9th–10th May 2026;
3. A standard TEN for 14th–17th May (inclusive).

My name is Maxwell Owusu Koduah, a new member of the management of the premises.

Since 20 April 2026, management at the premises has been strengthened with the appointment of Mr Maxwell Owusu Koduah as a member of the management team. Mr Koduah brings over a decade of experience as an Environmental Health Officer (EHO) and Licensing Consultant.

Since his appointment, a number of improvements have been implemented to enhance compliance and operational standards, including:

- Comprehensive staff training on the licensing objectives
- Expanded training programmes covering statutory nuisance, as well as welfare and vulnerability engagement
- Direct oversight of staff recruitment to ensure suitably qualified and competent personnel are engaged

In addition, robust measures have been introduced to ensure that the previous misunderstanding, which resulted in the supply of alcohol prior to the granting of the Premises Licence, will not recur.

Staff have also received targeted training and ongoing support in the following areas:

- Managing and responding to drug-related issues
- Promoting customer awareness and respect for neighbouring residents
- De-escalation techniques to effectively manage and resolve tensions

Furthermore, the premises has been appropriately signposted to support the orderly dispersal of patrons, thereby helping to minimise disruption to the local community.

These actions demonstrate a clear commitment to responsible management and continuous improvement. The management team operates an open and reflective culture, where lessons learned from past errors are used constructively to strengthen compliance and operational practices.

We look forward to maintaining a collaborative working relationship with the Council and the Police in ensuring full adherence to the four licensing objectives.

We believe the above, together with the undertaking that accompanied the TENs are enough to give the council assurance that the licensing objectives shall be complied with during the TENs.

We are open to further mediation on the matter.

Failure to reach an agreement, which at this stage is within your remit, we require the council to trigger its mandatory responsibility under the Licencing Act 2003 section 105(2) on this matter ASAP.

Kind regards

Maxwell Owusu Koduah
