

17 June 2026

Statutory Consultation

Highway Improvement Works: Park View Road & Dowsett Road, N17

Dear Resident or Business,

As you may recall, we wrote to you on 30 March 2026 to inform you that, as part of the Wingspan Walk (Ashley Road Depot) development, the Council has secured funding from the developer to implement traffic and highway improvement works on Park View Road and Dowsett Road, N17.

The first phase of the works commenced on 7 April and included kerb construction and footway paving. These works are currently in progress and are expected to continue until the end of June 2026.

The second phase of the scheme involves undertaking a statutory consultation on the key highway improvement proposals associated with the development on Park View Road and Dowsett Road.

The main proposals are outlined below and illustrated in the plan overleaf:

- Construct a raised junction table with footway buildouts, at the junction of Park View Road and Dowsett Road.
- Install a speed table with a footway build-out, on Park View Road close to its junction with Carew Road.
- Introduce a contra-flow cycle lane on Dowsett Road.
- Provide a zebra crossing, including all associated road markings, on Park View Road near the junction with Dowsett Road.
- Reduce parking provision by approximately 2.5 bays between Dowsett Road and Carew Road to accommodate the new pedestrian crossings.
- Remove one parking bay adjacent to the new development access opposite No. 75 Park View Road to improve visibility.
- Introduce short sections of waiting and loading restrictions to support the proposed changes.
- Create a new layby on Park View Road outside the new development and opposite Nos. 60–62 Park View Road, to accommodate permit parking.
- Remove three existing road humps near the raised junction table at Park View Road / Dowsett Road.

Next Steps

To introduce the proposals and legally enforce their use, we are required to enter into a period of consultation known as 'statutory consultation'. This provides a minimum 21-day period for anyone wishing to object to the proposals.

The statutory consultation on these changes will begin on **Wednesday 17 June 2026**. To view these proposals in detail please visit our online portal here:

<https://consultation.appyway.com/haringey> and click on 'Active Consultations' and search for reference **'2026-T13 - Highway Improvement Works - Park View Road & Dowsett Road, N17'**.

Any person wishing to object to the proposed Orders should send grounds for their objection, quoting reference **2026-T13 - Highway Improvement Works - Park View Road & Dowsett Road, N17**:

- online: consultation.appyway.com/haringey
- email: traffic.orders@haringey.gov.uk
- post: Parking Team, Alexandra House, 4th floor, 10 Station Road, Wood Green, N22.

Alternatively, you can use the QR code below to access the online portal where you can object to the proposals:

The closing date for objections to be received by the Council via the portal, email or post is **Friday 10 July 2026**.

If you have any questions regarding the scheme, please contact us:
EngineeringProjects@haringey.gov.uk.

What Happens Next?

At the end of the statutory consultation period, all objections will be reviewed by the Council before a decision is made on whether to proceed with the proposals set out in this letter. We will write to you again to confirm the outcome and, if approved, provide details of the implementation timescales.

Thank you for your interest and we look forward to hearing from you.

Yours faithfully
