Current Constitution and Planning Protocol

Section E of Part Five of the Constitution - Planning Protocol

2. PLANNING FUNCTIONS

Administration of Planning Functions in Haringey

2.04. The performance of the Council's planning function is largely delegated to the Planning Sub-Committee, and to officers of the Council pursuant to arrangements made under Section 101 of the Local Government Act 1972. Approximately 9 out of 10 planning decisions in Haringey are made by officers, through authority delegated to them by the Council. This level of delegated decision making is consistent with other Councils across the Country and allows the majority of planning decisions to be determined promptly, allowing Members of the Committee to focus on the most significant and controversial proposals.

Referring applications to the Planning Sub-committee

2.09 All Members of the Council receives copies of the weekly list detailing the applications that have been received.

2.10 Any Member and/or a local community body and/or a local residents association may request that an application is determined by the Planning Sub-Committee instead of officers under delegated authority by notifying in writing, within the statutory consultation period for the application, the Director of Planning & Building Standards/Head of Service stating the planning reasons for such request.

2.11 The Director of Planning & Building Standards or the Head of Service shall, in consultation with the Chair of the Planning Sub-Committee, determine whether the request should be granted and the application referred to the Planning Sub-Committee to determine. In determining whether to grant a request, officers and the Chair of the Planning Sub-Committee shall have regard to whether the:

- proposal is a significant development which has caused substantial local interest;

- officer recommendation is for approval contrary to policy in the Development Plan or other adopted guidance; and

- application is recommended for approval

- 2.12 The Director/Head of Service may also exercise their judgement, in consultation with the Chair of the Planning Sub Committee, to refer a matter to the Planning Sub Committee rather than be determined through officer delegation, even if a Member has not requested this, pursuant to paragraph 2.07 of Section E (Scheme of Delegation) of Part Three of the Council's Constitution.

Sections 2 and 3 of Section B of Part Three of the Constitution - Responsibility for Functions: Full Council & Non-Executive Bodies.

SECTION 2 – COMMITTEES

8. The Strategic Planning Committee

There is a Protocol outside this Constitution setting out how the Strategic Planning Committee is to operate. The Protocol shall be applied in a manner consistent with Committee Procedure Rules in Part 4. Any issue on procedure at the meeting shall be subject to the ruling of the Chair. The Protocol can be amended by the written agreement of the Leaders of the Political Groups on the Council.

There is also a Protocol setting out how members of the Planning Sub-Committee will exercise any functions delegated to the Sub-Committee, including behaviour in relation to applicants, residents and other third parties, to ensure the probity of planning transactions and the highest standards expected in public office, which will also be followed by members of Strategic Planning Committee when exercising the same functions as the Sub-Committee. This protocol is supplementary to the Members' Code of Conduct at Part 5 of the Constitution.

The Strategic Planning Committee has all the functions which are stated not to be the responsibility of the Executive in Regulation 2 and Schedule 1, Paragraph A (Town and Country Planning) of The Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended) and in any statute or subordinate legislation further amending those Regulations.
