STATUTORY CONSULTATION

Proposed Dedicated Disabled Bay in your Road – Batch DPB 2026-01

Dear Occupier,

Dedicated Disabled Parking Bays are one of the concessions being offered by the Council to accommodate residents meeting Haringey's Disabled Parking Place Policy criteria. This provides those meeting the criteria, access to one dedicated parking place for their nominated vehicle. Other vehicles will not be permitted to park within the dedicated parking bay at any time, which could result in a fine or being removed.

The Council is proposing to install dedicated disabled parking bays at the locations listed overleaf. As part of these proposals, we are also introducing sections of double yellow lines to adjust the existing parking arrangements in Stockton Gardens and Nightingale Lane. To view these proposals please visit our online portal by scanning the QR code below:

and selecting the **'proposals in consultation'** tab and search for reference **2026-T15.** If you are unable to view these online, you can request a copy of the proposals by contacting us at traffic.orders@haringey.gov.uk.

The statutory consultation will begin on **Wednesday 1 July 2026.** This provides a 21-day period for anyone wishing to object or to respond. You can send us your objection or submission via the online portal (scan QR code above), or email traffic.orders@haringey.gov.uk. Alternatively, you can write to us at the postal address shown on this letter. Please ensure to quote reference **2026 -T15** within the subject title of your email or letter.

The closing date for objections and submissions to be received by the Council via portal or email or post is **Wednesday 22 July 2026.**

Thank you,

Yours faithfully
