STATUTORY CONSULTATION

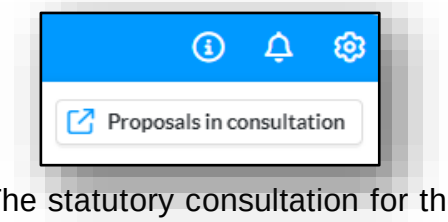

Proposed Bikehangar (Cycle Parking Storage) – 2024/25 Batch 4

Dear Resident or Business,

Encouraging more people to cycle is an important part of the central Government and Haringey Councils policy to help tackle traffic congestion, improve air quality, promote physical activity, and improve accessibility. However, many residents particularly those who live in flats find it difficult to keep bicycles at home due to lack of storage space. In response to this challenge the Council has established programme to provide more secure cycle storage (Bikehangar) on street for residents' use.

As part of this years' cycle parking programme, we are proposing to install Bikehangars at 53 locations across the borough. These locations are provided below as part of this letter. The locations were selected based on requests received from local residents.

We are writing to notify you of the proposed Bikehangar outside or near your home. To view the proposals on the portal, please visit the Council's online portal for statutory consultation: https://consultation.appyway.com/haringey. You can find them by selecting the 'proposals in consultation' button in the top right-hand corner (shown in the image below) and then selecting **'2024-T38 Bikehangar 2024/25 Batch 4'** from the active consultation list.

The statutory consultation for these proposals will end on **16 July 2025** and provides a 21-day period for interested parties to make a representation or object to the proposals. If you would like to make a submission on the proposals detailed in the table at the back of this letter, please respond via our website at https://consultation.appyway.com/haringey or email traffic.orders@haringey.gov.uk. Please ensure that **'2024-T38 Bikehangar 2024/25 Batch 4'** and the **location detail** is included within the subject title when responding.

Parking Schemes
Level 4, Alexandra House
10 Station Road, Wood Green
London N22 7TY
020 8489 1000
www.haringey.gov.uk

What happens next?

Once the consultation is concluded, the council will consider all the feedback received before a decision is made. If the Bikehangar is installed, applications for Bikehangar rental spaces may be made to Cyclehoop, who supply and manage these facilities. Please note Cyclehoop will only review requests for space only once a Bikehangar has been installed. For further information on Bike hangars and details of rental charges, visit: www.cyclehoop.com.

Thank for your attention.

Yours faithfully

52	Whymark Avenue	N22 6DJ	outside No. 23 Whymark Avenue
53	Collingwood Road	N15 4LD	outside No. 8 Collingwood Road, this a review for previously consulted location

Cycle Storage/Bikehangar

Bike hangars are communal bike lockers offering storage for six bicycles. A single Bikehangar unit occupies less than one car parking space. The units are easy to open as they have self-lifting doors, and the steel design protects cycles from vandalism, theft and wet weather.
