4. Comments of the Head of Legal Services

4.1 The appointment of Members to serve on Outside Bodies should be authorised in accordance with the Council's "well-being powers" in sections 2-4 of the Local Government Act 2000. This enables the Council to do anything Members consider likely to achieve the promotion or improvement of the economic, social and environmental well-being of the Borough. Members must have regard to Government Guidance, which contains nothing to prevent the proposed appointments, and to the Council's own Sustainable Community Strategy (SCS). The proposed appointments to Outside Bodies will arguably promote "well-being" across the Borough by facilitating partnership working with voluntary, community and other partner organisations and by enabling Haringey Council to be represented on joint statutory and public sector bodies. This would be consistent with the objectives of the SCS.
