Re: EKO MAR WOOD GREEN LTD, EKO MAR, 37 STATION ROAD WOOD GREEN N22 6XB

Dear Sir/Madam,

I am writing to express my **strong objection** to the above premises to be granted with a license to sell alcohol until midnight during weekdays and 2am on weekends. My concern is that these late hours will echo the effects of the pub further down the road which has similar hours. The result of a late license at the Jolly Anglers at 33 Station Road is that there is lots of noise and disturbance late at night which could be heard regularly from where I reside, 6th floor apartment in Solar House.

The increasing frequency of **fight, violence, anti social behaviour** and **litter and vomit** in the early hours of the morning causing general public and residents alarm, distress and harassment. I work shift and have personally witness the anti-social behaviour walking down from Station Road to the High Road or Bus stop or vice versa when returning home after a night out are intimidating and always fearful that being picked on as drunk do not talk rationale or common senses. As a law abiding citizen, I strongly believe that I have the right to live a life with a reasonable level of peace and without the fear of being a victim of crime or anti social behaviour. My concerns are as follow:

1. Having another establishment with late license will only create further noise and disturbance late at night causing further public nuisance
2. There is a correlated link between alcohol and crime – another late license will attract undesirables to the area trying to buy alcohol when other licensed shops are closed
3. More drunk and disorderly behaviour poses a risk to the safety to the residents and the general public

There are currently more than sufficient venues that sell alcohol into late hours 7 days a week within **5 minutes walking distance** from Solar House, 37 Station Road:

- a) Morrison Supermarket which opens from 0800 hours – 2200 hours weekdays; 0800 – 2100 hours on Saturday and 1100 hours – 1700 hours on Sunday
- b) Jolly Anglers Pub opens from 0800 hours – 0000 hours Sunday to Thursday; 1200 hours to 0200 hours Friday and 1200 hours – 0300 hours on Saturday

- c) Station Supermarket, 5 Station Road, N22 opens from 0800 hours – 0000 hours Monday to Sunday
- d) The Goose Pub, 203 High Road, N22 6DR opens from 1000 hours to 2300 hours Sunday to Thursday and 1000 hours to 0000 hours Friday to Saturday
- e) Spouter's Corner, Weatherspon locates at 180 High Road, Wood Green N22 6EJ and opens from 0700 hours to 0000 hours Sunday to Thursday and 0700 hours to 0100 hours on Friday to Saturday
- f) Greenwood convenience store at 736 Lordship Lane N22 opens 0800 hours – 0100 hours from Monday to Sunday
- g) Spar Convenience store at 740 Lordship lane opens from 0800 hours to 2100 hours from Monday to Sunday

Station Road is an increasingly residential area, with seven premises supply alcohol, four off licenses and three pubs within 5 minutes walking distance. In addition, there is an area next to the supermarket and outside Solar house which is sheltered makes it an ideal spot for drunks and homeless to loiter there to continue drinking alcohol.

I wish to reiterate that I strongly believe that having another premises selling alcohol into late hours will cause unnecessary disturbance and draining the already strained public resources such as the police and ambulance services and local resources from borough Haringey such as the cleaning services. Please step into my shoe and consider how you would feel when you experience the above situations. Peace, anti social behaviour and crime free is priceless.

I hope that my comments will be taken into careful consideration.

Yours sincerely,

Station Road is an increasingly residential area and as there is already a supermarket with a late license just a few hundred metres down the road near the tube station, I think that having another at this address will cause unnecessary disturbance to local residents and will greatly reduce the standard of living here.

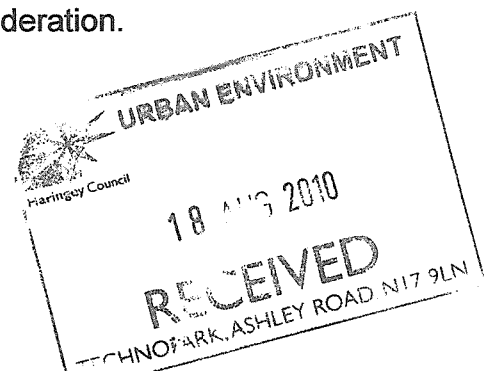

I hope that my comments will be taken into careful consideration.

Dear sir/Madam,

I am writing to you to express my objection to the above premises having a late license to sell alcohol. The licensing notice says that a license has been sought to sell alcohol until midnight during the week and until 2am on weekends. I am very concerned that if a late license is granted to this establishment people will come here specifically to buy alcohol after other shops and pubs have closed. In such a case, it is most likely that these people will have already been drinking.

My concerns are as follows:

- There is a high link between alcohol and crime. EKO MAR WOOD GREEN LTD will attract undesirables to the area trying to buy alcohol when other licensed shops are closed.
- People trying to buy alcohol in the late hours of the license may loiter outside EKO MAR WOOD GREEN LTD and any loud talking or shouting (as is common in people who have been drinking) will carry up to the residences above.
- People loitering outside EKO MAR WOOD GREEN LTD late at night will be intimidating to residents and passers-by.
- If EKO MAR WOOD GREEN LTD is granted a late license, this will only create noise and disturbance late at night – making it a public nuisance.

- More drunk and disorderly behaviour poses a risk to the safety of residents and the general public.

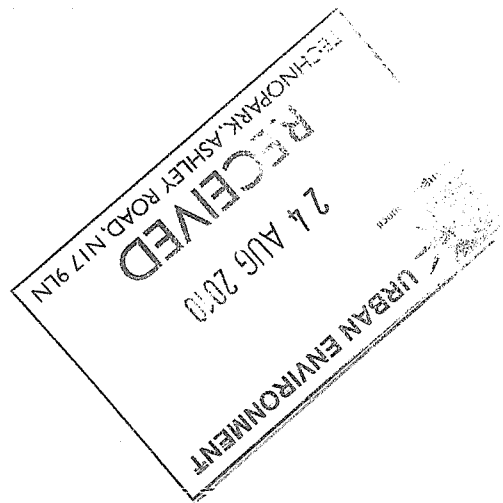

Station Road is an increasingly residential area and as there is already a pub and a supermarket with a late license just a few hundred metres down the road, **the effects of a late license (which I have listed above) are already known.** I think that having another at this address will cause unnecessary disturbance and distress to local residents and will greatly reduce the standard of living here.

I hope that my comments will be taken into careful consideration.

I would like to oppose the opening of

1. The level of antisocial behavior on

2. People loitering and behaving abusive

3. Bedrooms Above the Premises
