Dear Licensing Team,

I am writing with regard to an application recently made for a license to sell alcohol in our area. Please note our request for anonymity.

with reference to:

Lordship Lane Snooker Club

Supply of Alcohol:

Sunday to Thursday 10am to midnight

Friday and Saturday 11am to 3am

Premise Type: Snooker Club (Other)

Period End: 24 August 2010

New Application

It recently came to our attention that this snooker club, which is in a residential area and situated beneath our flat, has put in an application for an alcohol license. We object to this because we have previously had problems with nuisance behaviour and litter left by the customers of this club, and we are concerned that these problems would be exacerbated, were alcohol to be served on the premises.

Since the indoor smoking ban came into effect in 2007, the patrons of this club have been leaving the fire exit open and smoking in the courtyard outside the building at all hours of the day and night; this is an area which mostly does not belong to the club, and furthermore is the only way by which we can access the stairs leading to the entrance of our flat. I have attached some jpegs illustrating typical scenes we come home to, where chairs have been moved out into the courtyard and they are using it as a recreational area, or standing around having heated arguments among themselves.

This is an invasion of our property, it infringes our privacy, they drop litter on our space and - especially at night - we, and particularly my girlfriend, feel intimidated to come home and sometimes have to walk through groups of strange men who have gathered by the entrance to our flat. We have objected to this behaviour several times, usually with the result that we are either ignored or told to go away using physically intimidating gestures. On at least one occasion in the three years I've lived at this address, we have returned home late one night and found the courtyard a police crime scene, owing to an incident which had occurred earlier in the night within the club.

Last year in March, I raised a formal complaint with Haringey Council's Enforcement Team (ref. HC-067438), but the problems with the club have still not been resolved. I'm sure you can appreciate that, were alcohol to be served there, these issues would surely get worse.

We look forward to hearing from you.
With thanks and regards,

Olson Ke

New Application

We are making a representation as an interested party: a residential household, (family) living in the vicinity of the premises.

Firstly, we would like it to be noted that the organisation in question has not upheld its obligations in the consultation process of applying for a licence to supply alcohol. The notices in the window of the premises state that the closing date of the consultation is 24th August 2009 (ie last year). We wondered why they were displaying an old licence application but phoned Haringey Council just to be sure. It was only then (16 August 2010) that we found the application to be current. Therefore we suggest that the consultation period is extended for a further 28 days with accurate notices being displayed.

We have the following concerns in relation to the four licensing objectives:

1. The prevention of crime and disorder

The premises in question has snooker tables, however it also hosts cards and dice games. The cards and dice games take place in the rear section of the premises, usually at night.

23/08/2010

The no smoking law is also flouted by the gaming patrons. The snooker tables are rarely used, and when they are, it is by children and younger teenagers, so the sale of alcohol would be mainly for the patrons of the cards and dice tables. To grant a licence for the supply of alcohol would encourage an increase of the gaming activity and smoking inside the premises.

2. Public safety

Instances of violence have occurred in or behind this premises in recent years. Alcohol supply would increase the chances of further incidents. It should also be noted that the majority of patrons drive to the premises and supply of alcohol would encourage drink driving.

3. The prevention of public nuisance

The gaming patrons of the establishment loiter in neighbouring property when the games break. They cause obstruction and nuisance to neighbours entering their residences, often late at night, and also leave litter. Alcohol supply would in our opinion exacerbate this public nuisance.

4. The protection of children from harm

The snooker tables in the premises are rarely used, but when they are, it is most often the school holidays or weekends, and the snooker players are young teenagers and children. If the organisation is applying to sell alcohol for the snooker players, not the cards and dice players, then the potential market is under age.

I declare that the information in this representation is correct. A site visit by council officials during the day, and to the rear of the premises at night (when a gambling session is on) would confirm the details submitted above.
