

COUNCIL MEETING – 18 OCTOBER 2010

Amendment to Motion H (2010/11)

(Amendments are shown in bold & italics, deletions have been struck through)

“This Council;

Welcomes the decision by the government to return public health and the overview of healthcare/social care to local government by the end of March 2012, ***providing that adequate funding is allocated to the Council to deliver this function.***

Recognises that in Haringey there is already good work carried out to try to scrutinise the Health Service through the Overview and Scrutiny committee.

~~Resolves to establish a Health and Wellbeing shadow committee with representatives of the Council and the Primary Care Trust to work together to ensure a smooth handover and the early blending of staff and budgets to improve health outcomes for the borough.~~

This Council notes;

Work already underway by the Council’s Well-Being Partnership Board to establish a Shadow Health and Well-Being board to work with our health partners.

This Council Resolves;

To work closely with the Primary Care Trust, GP Commissioners and the North Central London NHS during the period of transition to ensure good health outcomes for Haringey residents”.

Propose Amendment: Cllr Dilek Dogus

Second Amendment: Cllr Alan Strickland
