9.0 Licensing Comments

The premise is known to be a snooker club and is recognised as such under Planning terms also. The current license issued allows for regulated entertainment, that is the premises were able to have a DJ playing music while customers were playing snooker but with the condition that the music would be at a reasonable level to not cause any nuisance.

It is clear from the pictures taken of the inside of the premises that the premises no longer has snooker tables in place and is now decorated and appears to be a bar / nightclub.

The new application now under consideration seeks to change the way in which the premises operates to permit the premises to be used as a music and dance venue.
