

Many people have the skills and qualities to become good **foster carers** for **Haringey children**.

Have **you**?

The children and young people who need foster homes come from a variety of cultural, religious, economic and social backgrounds. Children and young people who are fostered may require different levels of support depending on their needs.

As a foster carer you will provide a safe, secure and nurturing family environment for a short or long period of time.

We offer many great training opportunities, 24 hour support and a generous weekly allowance.
