

Sex Establishment Policy Consultation Responses

- APPENDIX 1

Name of person	Organisation	matters raised	affect Policy or not
Ladder Safety Community Partnership	Residents Association	Residents agreed with and supported the proposed policy.	No change to policy
Withheld name and address. London N15	Resident	In support of the proposed policy	No change to policy
M Barton	Resident	Concerned that the strict policy will drive such premises underground and we will end up with an unregulated underground sex industry.	No evidence of this at present but will monitor
H Riley		In support of the proposed	No change to policy

		policy	
A Sarll	Resident	<p>Request that nil proposal should be removed and for this to be left open. Should also take out industrial estate as an area that we would wish to avoid having such premises.</p> <p>Feels that industrial areas would be the most ideal for such premises.</p>	All cases will be judged on their merits, no change to policy required
A Sweet	Resident	Blanket ban approach is inappropriate and asks if legal advice has been sought.	Yes, legal opinion sought. No change to policy
B McGuire	Resident	Supports the proposed policy	No change to policy
A Smith	Resident	Supports the proposed policy	No change to policy
J Williams	Residents	Supports the proposed policy	No change to policy

J Tanner	Resident	Not in support of the policy as premises can be run sensibly without any disruption to local people. Would prefer the Council did something about the proliferation of betting shops.	No change to policy required
OBJECT, PO Box 50373, London, W4 3ZP	Lobbying group	Urging residents and Councillors to ensure that local councils adopt a nil policy and ensure that the slip rule for premises to offer sexual entertainment without a licence is monitored closely by Council. Also requested that Councils seek to adopt standard conditions to ensure that women are not exploited in their employment at these types of establishments.	We have ensured that the standard conditions reflect these issues. No change to policy required
Dr Teela Sanders, University of Leeds	Research body	Recommendations Clearly displayed council rules in a number of places in the club: toilets, changing rooms etc	Reflected in the policy

		<p>Offer a receipt for fines and fees – make sure fines and fees go through the books</p> <p>Offer a receipt for dances where commission is taken</p> <p>Monthly meetings to discuss rules, changes, get dancers' input</p> <p>Prohibiting use of private booths</p>	<p>This has been reflected in the standard conditions</p> <p>This has been reflected in the standard conditions</p> <p>Reflected in the conditions</p> <p>Not in the policy but we have imposed a 1 metre between performer and customer.</p>
--	--	--	---

		Insurance for the women Limiting number of girls per capacity of clubs	Reflected in the policy This can be considered on a case by case basis
