Hi Dale,

Following on from the licence application for the above, I have popped down and checked the premises out, this together with the submitted plans have decided that the upper level should have a capacity of no more than 60 persons. This has been conveyed to Mr Samuel Millin.

I have come to this conclusion as follows;

- ◆ One of the exits discharging back directly into the night club floor.
- ◆ Discounting one exit in case compromised by fire.
- ◆ Physical capacity of upper level.

Subject: opera house

Dear Ms Barrett

I will like to object to the grant of a licence for the sale of alcohol within the time set out in the application. My objection is based on the ground of the prevention of public nuisance. As a local councillor it has been brought to my attention by residents of a nearby elderly persons residential home that the noise coming from the premises currently known as the Opera House is excessive and disturbs them at night. Please can these representations be considered at the hearing of the application.

Dear Ms Barrett,

I have seen the operating schedule and will like to object to the operating times, on the grounds of prevention of a public nuisance. This facility is located near to a highly residential area, to allow it to operate up until 6 am is likely to cause a nuisance to the public.

Please can this be added to my objection.
