1100 New Years Eve through to 2300 2nd January

P Describe the steps you intend to take to promote the four licensing objectives:

a) General - all four licensing objectives (b, c, d, e) (please read guidance note 9)

The types of regulated entertainments proposed are consistent with the current licence and extra pub entertainments enhance the local facilities for social entertainment and reduce the focus on alcohol. The measures set out below reproduce those measures from the licence that, from my experience of the business and risk assessment, are the most effective to prevent any threats to the four licensing objectives arising from these variations.

Staff will be trained on the requirements of the Licensing Act 2003 when they are recruited and given training in drugs awareness as part of their induction

I have considered the terms of your local licensing policy in preparation of this application.

b) The prevention of crime and disorder

SIA registered door control will be provided from 21.00 until close on nights when more than 50 persons are expected on the premises at any one time. On those days the door staff will count entrance against a total capacity of 400 persons.

A personal licence holder will be present on the premises whenever they are trading.

[The DPS will be a member of the local Pubwatch so long as it exists].

Not less than five working days written notice will be provided to Police, if they require it, when "Events Days" are planned

c) Public safety

Function bookings will be limited to 300 persons.

On certain occasions my risk assessment indicates a risk of crowding and, on those occasions, the capacity of the whole premises (including staff and performers) is not to exceed 400. At such times the DPS will agree in advance with the Police the most effective means for control of numbers and behaviour, depending on the circumstances.

My risk assessment identifies no other risk of crowding.

Safer clubbing guidance will be followed during the door controlled hours as above.

CCTV has already been installed, recordings will be kept for 28 days.

Air extraction is already installed, air conditioning is proposed

d) The prevention of public nuisance

Live music will end at 02.00 except on New Years Eve and New Years Day

live music will be staged only in the function room and main bar area

Recorded music indoors will end as trading times stated except on New Years Eve and New Years Day

All windows will be kept closed after 23.00

A notice will be placed prominently at the exits asking customers to leave quietly

e) The protection of children from harm

The restrictions set out in the licensing Act 2003 will apply

Photographic proof of age will be required to be shown by anyone seeking to purchase alcohol who appears to be under 20 years of age.

Under 18's will not be permitted on the premises after 24.00, unless part of a private function

No unusual risks of harm to children have been identified

When plays and dance activities are designed to include children, children may only attend when accompanied by an adult, who will be made aware that they have the primary responsibility for the protection of the child from physical or mental harm.

No other risks of harm to children have been identified.
