This is no longer included in DCLG's National Indicator set. However it has been retained as a local indicator.

It sets a target for the percentage of appeals allowed against the authority's decision to refuse planning permission.

The target that was set by DCLG in 2007/08 was 30%^

Haringey has set its own target for 2010/11 in relation to this local indicator. This is set out in P&R Business Plan 2010-13.

The target set by Haringey for 2010/11 is 35%

(^ The lower the percentage of appeals allowed the better the performance)
