Dear Greville,

Re: Parking control and charges – Green Lanes Harringay

I am writing on behalf of Harringay Green Lanes Traders Assoc, and would like to lodge with you our petition signed by 155 shop owners on Green Lanes (Appedix A – 12pg), and a petition signed by 830 shoppers (Appedix B – 69pg)

The petition is against Haringey Council's proposal to increase stop & shop parking charges by raising Green Lanes from middle to higher band, effectively increasing the hourly rate from current £1.40 to £3.00.

This clearly highlights the feelings from both Traders and shoppers alike and their shared views in support for the local high street.

I would appreciate if you can include the petitions as part of the Trader's feedback on your impact assessment.

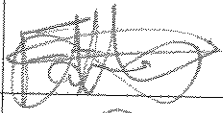

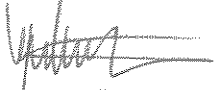

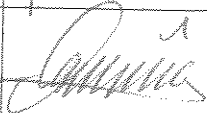

Yours sincerely,

A handwritten signature in black ink, appearing to read "Shefik Mehmet".

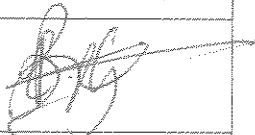

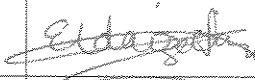

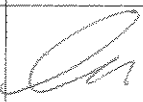

Mr Shefik Mehmet
Mr Rob Chau
