7. Summary

7.1. The Haringey Guarantee, established in 2006, is the council's strategic approach to tackling worklessness in the borough and is the main vehicle for delivering the Local Area Agreements around worklessness in Haringey.

7.2. The Haringey Guarantee has been funded through the Area Based Grant which no longer exists.

7.3. The Government is introducing a new 'Work Programme' which will replace all current pathways into work and will be contracted from the Department of Work and Pensions to Prime Contractors, who can then sub-contract some of this work locally. The Haringey Guarantee is hoping to become a sub-contractor under the Work Programme.

7.4. During the course of the review Panel Members spoke to a number of partners, providers and stakeholders for the Haringey Guarantee in order to make the recommendations as outlines below. The panel hopes that these recommendations add value to the work already being undertaken in Haringey around reducing worklessness and also that they assist in taking this work, and the work of the Haringey Guarantee forward under the Work Programme.

7.5. Key findings include:

- There is a need to focus on 18-24 year olds in any local programme around worklessness.
- Greater engagement is needed with local businesses to highlight the Haringey Guarantee and get local jobs for local people.
- There is a challenge in moving away from public sector jobs to private sector jobs.

- The holistic approach used by the Haringey Guarantee projects is beneficial to local residents.
- Commissioning for outcomes should be continued where possible, alongside the Work Programme output measures (should the Haringey Guarantee become a sub-contractor).
