Subject: Fw: Caipirinha Jazz Bar 177 Archway Road, Highgate - Application for extended opening hours- Music and alcohol sales

Dear Daliah,

As a resident of the area and a single mother to two young daughters and carer for an old age pensioner, I must strongly object to the proposals to extend the opening hours, and with them the longer alcohol and music licenses for the Caipirinha Jazz Bar, based in Archway Road.

I fear that not only will these proposals bring with them a further threat to our personal safety and the security of our property, but the noise nuisance and anti-social behaviour impacts would be irreversible to the quality and safety of our lives, not to mention the potential damage to the value of the properties in the vicinity. Burglaries, car crime and threatening - if not violent - behaviour appear from my non scientific point of view to escalate proportionally with the consumption of alcohol and this proposal puts us all in greater peril.

Furthermore, this extension will set a precedent for other pubs and/or restaurants in the area, some even closer to home than the Caipirinha which could subsequently alter the entire nature and appeal of this neighbourhood.

We already suffer from the roudy behaviour of alcohol fuelled groups screaming through the Parkland Walk at nights and on occasion even trespassing into our garden. The empty alcohol bottles and cans, the smell of urine and sometimes even the odd passed out youth in the Parkland Walk are not a rare occasion as things stand. I dread to think what it will be like if the licensing and opening hours of the Caipirinha and eventually other such venues in the area is extended as proposed.

I urge you to please represent our objections as strongly as possible and ensure this application IS NOT GRANTED under any circumstances.

Many thanks,

Annabel Levin

Dear Daliah Barrett

My family and I reside in Cholmeley Park and are most concerned to learn that the Caipinniha Jazz Bar, 177 Archway Road has applied for further extended opening hours (for the sale and consumption of alcohol) and for a music licence. Cholmeley Park is a long road that runs between the Archway Road at one end up to Highgate High Street at the other. In particular, those Residents who live in Cholmeley Park (post codes N6 5EU and N65ET), Cholmeley Crescent and Causton Road, Highgate and Southwood Avenues, Langdon Park Road, Holmesdale and Orchard Roads etc will suffer unwarranted loss of amenity, noise pollution and disturbance.

The noise and disruption (especially the early hours of the morning - 4 a.m.) are totally unacceptable as is the prospect of inebriated persons leaving the Club and congregating in an otherwise quiet residential area (a conservation area), depositing litter, bottles, discarded "take aways" and other detritus on the road and pavement, and into the front gardens (often, incidentally, damaging plants and flowers), using garage forecourts as urinals .. vomiting etc.. Moreover, since the Jazz Bar is actually on the main Archway Road the risk of road traffic accidents ... "jay walking" etc - is likely greatly to be exacerbated as, too, is the incidence of petty theft from and damage to parked cars, street furniture, graffiti and other antisocial behaviour - fueled by drink - from a binge drinking "facility" operating most hours of the day and night. Burglary, break ins and violence against persons is also likely to increase.

My family and I, who live but meters away from this Bar, strongly object to the granting of these applications on the grounds specified above and request that these applications be refused. Kind regards and best wishes,

Olson Kendra

Subject: Caipirinha Jazz Bar 177 Archway Road - Objection to application to extend licensing hours

Dear Ms Barrett,

We are writing to object strongly against this application.

The jazz bar is located at the end of our street and we constantly suffer from the noise and activities of the individuals who frequent the bar when they leave the premises. We are regularly woken by the noise and aggressive arguments between individuals leaving the premises. As you will be aware the bar has employed security staff following a stabbing incident and fight amongst users of the club which may well have been drug related. However, despite this there is still rowdy behaviour outside the bar which is disruptive and threatening to those of us who are making our way home at the end of the evening.

In summary, we consider that the proposed extension of licensing is totally unacceptable particularly for premises which are located in a residential area.

Dear Daliah

Caipirinha Jazz Bar, 177 Archway Road, Highgate
Application for Extended opening hours – Music and Alcohol Sales

I was very concerned to learn that the Caipirinha Jazz Bar, 177 Archway Road, Highgate, N6 has applied for a further extended opening hours licence and music licence. I understand in the application the venue is requesting at least the following:

New Opening time:

Monday-Thursday up and till 2.30 am

Friday-Saturday up and till 4.30 am

Sunday up and till 2.30 am

Alcohol sales should stop 30 minutes prior to closing times shown.

Music License Request times:

Monday-Wednesday up and till 2 am.

Thursday up and till 3 am.

Friday and Saturday up and till 4 am.

Sunday up and till 2.30 am.

I live in Causton Road and on a fairly regular basis am disturbed in the early hours of the morning. I cannot be certain that the people going by are from the club, but it is long after the Winchester has closed.

I have had people sitting on the step at the bottom of the path to my front door talking or arguing and have had to go down and switch lights on etc, and fortunately they got the message and moved off. The direction they have taken is back to the Archway Road and turned right - I assume, but do not know - back to the club.

A few months ago - I would say over 6 months - our road was in part shut off at the Archway end. I spoke to the policeman who was in attendance there, who said it was as a consequence

of a stabbing of someone who attended the club. I was told the victim's condition was serious and I hope they recovered.

I am often up early at weekends to go to the shops [and frequently with one or other of my children] and am also aware of people urinating late at night in the shop entrance to Richardsons. Not a great sight or smell, particularly off putting when you are with kids. I do not know if this is people from the club - and others may have a better idea about this.

Given the above - you will appreciate that as this is very much an area where people live rather than come to work - I would prefer there is no club there - it just does not fit in with the area at all. It is bad enough now, let alone if there is going to be a club open until 2.30am or 4.30am every night of the week - including Sundays.

I look forward to hearing from you on the above.

Regards

 Nick Speed

Dear Daliah,

We completely support Claudio Novello's objections (attached) to the extension of opening hours of the Caipirinha Jazz Bar to 4.30 a.m. We have been long-term residents of Cromwell Avenue (since 1975) and are fully aware of the needs of the residents, which include a substantial number of young children as well as the elderly. We wish to stress that Cromwell Avenue is a quiet residential street and as such, enjoyed by all its residents.

- Thus, an establishment such as the Caipiinha Jazz Bar having its opening hours extended to 4.30 a.m. is completely against the needs of the residents as the inevitable noise and disturbance that would ensue from such an extension.

We wish, therefore, to register our strongest objections to the application for extended opening hours of the Caipirinha Jazz Bar and urge the Council to reject the application.

Yours faithfully,

Ken and Polly Gaw

Dear Mrs Barrett-Williams

**Re: Caipirinha Jazz Bar, 177 Archway Road, Highgate
Application for extended opening hours**

We are residents in Cromwell Avenue, a road in the direct vicinity and affected by the above application for extended use of the bar up to 4.30am. We strongly object to the granting of the permission of extended opening hours.

Experience shows that guests of the bar park their cars in Cromwell Avenue, up to now a quiet, residential street, because it is the closest, convenient location. An extension of opening hours would increase and prolong the noise disturbance during the whole night. This is unacceptable.

The granting of a licence for this normally unusual length of opening hours would also set a negative precedent for other premises and would have consequences not only for Archway Road but mainly for the surrounding residential side streets.

Cromwell Avenue is a residential street of mostly families with young children. The relaxed and relatively secure environment is paramount for us as residents. We will therefore object strongly to all commercial pressure from the outside to change this to our detriment.

We consider that the encouragement of purely commercial developments like this, which bring unpredictable consequences to residential areas such ours, must be prevented.

We would appreciate if you could inform us about your decision.

Kind regards

Claudio Novello

Dear Daliah

Further to the Caipirinha Jazz Bar's recent application, we are writing to voice our objections and concerns for this to happen.

Highgate is a residential area and not the west end. To have a bar where more alcohol can be consumed to the early hours would only encourage more crime. In addition we feel it is very unfair to have music going on until the early hours of the morning when everyone in the local area would not be able to sleep and lead a normal life.

I hope that you will take these comments very seriously as Highgate is not the residential area to have a Jazz bar with such late music and alcohol sales being granted. It is bad enough and there is already too much crime going on in the Archway road and we don't need to encourage it.

I hope to hear from you soon.

With many thanks

Dear Daliah Barrett

We understand that the Caipirinha Jazz Bar has applied for a further extension to their opening hours and we further understand that we can object to such an extension through you. If you are not the appropriate person then we would request that you pass this e-mail onto whoever is dealing with the application.

Often, in the early hours of the morning we are woken by people walking past our house in Hornsey Lane Gardens, shouting, screaming and sometimes fighting. We obviously do not carry out a survey but we believe that many of them have come from the Jazz Bar on Archway Road. Whilst we do not like this we understand that, if you in London, there will be a certain amount of disturbance, normally on a Friday Saturday night. The idea that people will be leaving this establishment at upto 2.30 ~~seven~~ nights a week and incredibly 4.30 a.m. on a Friday and Saturday fills up with complete dread.

On their home page of their web site Caipirinha state that if you want '**a wild night on the brilliant range of cocktails available**' then this is the place to go. The sad fact is that people who have had a 'wild night' participating in the great range of cocktails do create a disturbance wandering through the nearby residential streets and the possibility of us being woken up every night of the week is just totally unacceptable.

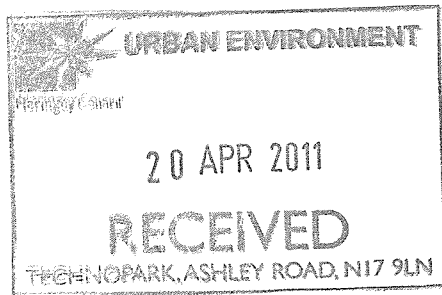

I think it is obvious that an extension to the license will cause a public nuisance, not just from people leaving the club but also from traffic disruption. The club does not have a car park and thus patrons must either walk home (through residential streets) or park in nearby residential roads which are already over crowded.

We urge you to consider our objections and to hear the call from the silent majority who have to get up to goto work or take their children to school and in this vein to turn down their application.

We would finally like to say that we have been informed of the application to extend their license from the local police. They are obviously concerned about any extension as are the local community. We trust that you will take into account the desire of the local community to improve the safety of the area and not try and make matters worse.

Kind regards

Dear Ms. Barrett,

I wish to object to the granting of this application, which would be likely to result in disturbance to local residents as clients of the bar disperse in the early hours. I think the existing permit gives adequate scope for the bar's activity, and that there is no valid justification for an extension thereto.

I am also concerned that establishment of opening hours as demanded would create an undesirable precedent for other similar venues in the area.

Daliah.

My wife and I object to these extended opening hours. The premises do not have a good track record and there have been several reported violent incidents at the premises since the 'new' management took over which is a very worrying development for local residents.

There is no suitable internal smoking area and patrons exit onto the street and cause noise, nuisance and appear threatening to pedestrians having to pass by on the pavement. Frequently the adjacent public footpath is obstructed by chairs, tables and a roped off area and groups of people hanging about.

Cars park on the nearby double red lines causing obstruction and danger to vehicles turning in and out of Cromwell Avenue across the Archway Rd.

In the early hours and particularly when the bar closes there is the inevitable noise of taxis, vehicle horns and drunken people shouting and talking loudly which disturbs the nearby sleeping residents.

The license should not be extended but should be reduced.

Sincerely
Simon and Rosalind D'Ombraine Hewitt

Dear Ms Barrett

I am a resident of Cromwell Avenue and wish to object in the strongest terms to any extension of hours at 177 Archway Road.

An inspection of a map would reveal that the side and rear of properties on the 'odds' side of Cromwell Avenue are very close to 177 Archway Road.

These neighbours would be disturbed both from noise from the venue itself and also as result of people leaving it in the small hours of the morning. People hang around outside late at night, presumably because they wish to smoke, but of course they are bound to make a noise.

We are writing to object to the Application for extended opening hours - Music and alcohol sales for Caipirinha Jazz Bar, 177 Archway Road, Highgate, N6. The streets surrounding these premises are residential and exceedingly peaceful. We can see no reason why any licensed premises in this location needs to be open until 2.30am/ 4.30am in the morning as it is highly unlikely that local residents (mainly families and professional people) are going to be the clientele and we can't believe there is a local demand. Apart from parking and noise problems, we are sure a bar of this nature would be better suited in the West End or near other late night premises where such licenses already exist and can be properly policed. Dear Ms Barrett,

We understand that Caipirinha bar on the corner of Archway Road and Cromwell Avenue has applied to extend its licensing hours until 2 a.m. on weekdays and 4 a.m. on weekends and its opening hours until 2.30 a.m. on weekdays and 4.30 a.m. on weekends.

We would like to oppose this application on the grounds of the noise made by clientele when leaving Caipirinha. We live at 22 Cromwell Avenue, just around the corner from the bar, and the noise is disruptive to our sleep. Extending the already late opening hours further into night would worsen this disruption both during the working week and at weekends and in our view would be unreasonable and unacceptable in this residential area.

We trust you will consider this in making your decision.

Importance: High

Dear Daliah Barrett,

Please note my **OBJECTION** against extension of opening hours on the following grounds:

Archway Road itself may be an "A" road, but immediately next to it are many conservation areas.

The influx of people will increase traffic, contradicting Haringey Council's low emissions objectives, increase pollution (taxis, and private vehicles and litter).

Furthermore, this will increase noise levels, and Haringey Council must not be seen to deprive its residents from sleep. I lived in Tottenham and the incessant noise from car stereos and through the night venues was highly objectionable.

You will impede the right to a private life as the loud music will travel through the air (especially bass sounds, i.e. the lower wavelength of sound) and walls alike.

Finally, I am already noticing empty drug bags on North Hill (immediately off Archway Road) and litter and cigarette lighters on the pavements in the morning. If that is indicative of the nightlife that exists already, then I find this highly objectionable.

Haringey Council is already allowing various music festivals at Finsbury Park and Kenwood in increasing numbers purely to increase profitability.

The noise and pollution is counteracting the Human Right to Private life of the many for the benefit of a few.

My objection is withdrawn if revellers travel there by foot, by electric car or bicycle and the music is contained in a soundproofed room within the premises, with no sound travelling through the external doors (open or shut alike).

Thank you.

Dear Ms Barrett-Williams
I am contacting you as I have been informed that the Caipirinha Jazz Bar, 177 Archway Road, Highgate, N6 has applied for an extended opening hours licence and a music licence. I understand that the venue is requesting the following extensions to its hours.
Monday to Thursday until 2.30 am
Friday to Saturday until 4.30 am
Sunday until 2.30 am
Alcohol sales should stop 30 minutes prior to the closing times shown.
Music licence request times:
Monday to Wednesday until 2 am.
Thursday until 3 am.
Friday and Saturday until 4 am.
Sunday until 2.30 am.

The inhabitants of the houses in the local roads close to this establishment (Causton Road, Cromwell Avenue, Northwood Road, Cholmeley Park, Cholmeley Crescent, Wembury Road and Winchester Road) will suffer considerably if these licences are granted. The increase in noise and disturbance from cars and customers leaving in the early morning will significantly disturb the sleep of local residents. While the Archway Road is a main thoroughfare, the roads off it and close to the Caipirinha, where the customers of the jazz bar will park, are quiet residential roads. After 11pm, residents in these roads deserve quiet, and the chance of uninterrupted sleep. Additionally, I fear that longer opening hours will lead to an increase in the incidence of violence, harassment, drunkenness and antisocial behaviour in what is a peaceful residential neighbourhood.
My wife and I object most strongly to any extension of hours and to the granting of a music licence.
Yours sincerely
Graham Laurie

Subject: Caipirinha Jazz Bar 177 Archway Road, Highgate - Application for extended opening hours- Music and alcohol sales

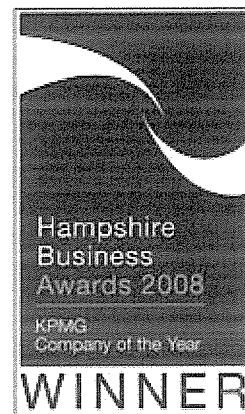

Hi Daliah,

On behalf of all the CARA members (Cromwell Area Residents Association) we feel the need to object in the strongest terms to the application to extend the hours of the Caipirinha Wine Bar. This bar already causes a great deal of noise, odour and visual pollution to the adjacent residential area. Problems encountered includes rubbish, noisy visitors leaving the premises, smokers making noise, petty vandalism, and parking issues at the bottom of Cromwell Avenue. Any extension to the licensing hours would make the local disturbances worse disrupting sleep, damaging the local environment and increasing crime.

I trust you convey our dismay at the proposal and if you require expansion of our objections do not hesitate to contact me.

Regards,

Martin Potter

I wish to register my objection to any extension of the licensing hours at the Caipirhina bar on Archway Road. I feel strongly that longer hours will only increase the already unacceptable level of noisy and inconsiderate behaviour from club-goers leaving the bar at the end of their night out - behaviour which already often disturbs our sleep. This is a residential area and I feel quite strongly that the opening hours of the bar should if anything be reduced.

Dear Haringey,

We understand that the above mentioned bar has applied for extended opening hours for music and alcohol sales. We would like to register our strong objection to this. As this is very close to us (Cromwell Avenue is a residential road) the noise already coming from this venue is more than enough! Particularly drunk people leaving the venue, walking up our street shouting to each other. In fact, even if they are not shouting, in the dead of night, even people talking at relatively normal noise levels is very noticeable. It frequently wakes us up already. If opening hours were extended even further, we can only imagine that these "departing customers" would be leaving at even more times during the night and therefore wake us up even more often. Please, consider the residents' interest in this matter. The bar already has long opening hours considering their location.

Kind regards,

Dear Miss Barrett,

We strongly object to any extension of the permitted closing time for this club. Any additional time after midnight is unacceptable intrusion

into the peace of a conservation residential area at a time when sound and undisturbed sleep is important.

The additional noise generated by car's and customers late at night is unacceptable. Cromwell Avenue is a conservation area,

most houses are owner occupied with many having young family members whose sleep could be disturbed by any late night activities.

Please reject any late night applications.

Your's Sincerely Edward and Pamela Fosbrook.

I was appalled when I read that the owners of the Caipirinha jazz bar were applying for their opening hours to be extended to:

Monday-Thursday up and till 2.30 am

Friday-Saturday up and till 4.30 am

Sunday up and till 2.30 am

Alcohol sales should stop 30 minutes prior to closing times shown.

Music License Request times:

Monday-Wednesday up and till 2 am.

Thursday up and till 3 am.

Friday and Saturday up and till 4 am.

Sunday up and till 2.30 am.

This bar is situated close to residential properties and the noise and disturbance will be horrendous if the bar is granted new alcohol and music licences.

I should be grateful if you would log my strong objection and inform me of your decision when it is decided.

Thank you

Patricia Jensen

Dear Daliah

I would like to lodge an objection to the application for the Caipirinha Bar to extend its opening hours. The bar's opening hours are already causing problems in the area and any further extension is likely to lead to more problems. Besides, it is also unnecessary to have extended hours in a residential area such as ours. If anything, the hours should be curtailed.

Dear Ms Barrett-Williams

Re: Caipiriniha Jazz Bar 177 Archway Road, Highgate - Application for extended opening hours - Music and alcohol sales

I am writing to object to the Caipiriniha Jazz Bar's extended opening hours application. We live in Cromwell Avenue, very close to the Jazz Bar. Our road is a quiet, residential street where many families have young children. Unfortunately it is also where patrons to the jazz bar park (the bar is on the corner of the Archway Road and Cromwell Avenue). At the moment my wife and I are occasionally woken by the bar's customers as it is closing. It is likely that the situation will be worse if the opening hours are extended: there will be more people and they will have been drinking more, over a longer period (with the resulting potential for antisocial behaviour). I am particularly concerned about our two young children. They attend a local primary school and their performance at school would be adversely affected if they are woken in the middle of the night.

I would be very grateful if you would take these comments into consideration as you consider the application.

Yours sincerely

Dear Sirs,

I am writing to protest strongly to the application to extend opening hours at the Caipirinha Jazz Bar in Archway Road. This is a quiet residential area, and this noisy venue creates enough problems as it is, and the extension of their opening hours would be a huge problem for local people. I very much hope that their objections are heard.

Dear all,

I am contacting you all as I have been informed that the Caipirinha Jazz Bar, 177 Archway Road, Highgate, N6 has applied for a further extended opening hours licence and music licence. I would like to register my objection to this extension as I believe it will have a terrible affect on the surrounding streets.

I live in Langdon Park Road and the noise levels have risen dramatically since I started living here 13 years ago. My bedroom faces the front of the street and I will be woken several times a week in the summer by people walking home drunk and shouting or arguing because of drink. At weekends the problem is worse whether it is summer or winter.

The litter situation has also got worse. I now have an infestation of mice or rats in my front garden as people constantly throw their rubbish along the street which then gets kicked or blown onto my path. Although I am constantly cleaning up the mess and laying down traps I am unable to get rid of the rodents. I again blame this on people coming off the Archway Road and walking home drunk.

As a rate payer and home owner I feel very strongly that my point of view should be taken into account and I would therefore like to register my objection to an extended licence being granted.

Thanks

Dear Daliah Barrett,

I am writing to object to an application to extend opening hours for music and alcohol sales at the Caipirinha Jazz Bar on Archway road.

I am the owner of 1a and 1b Cromwell avenue. The later opening hours means more noise as people leave the club in the early hours. I think this will be an extreme nuisance, especially on week nights when people living nearby need to sleep and the club's customers park on Cromwell avenue or walk along the road as they make their way home.

Yours sincerely,

Dear Mrs Barrett-Williams

**Re: Caipirinha Jazz Bar, 177 Archway Road, Highgate
Application for extended opening hours**

We are residents in Cromwell Avenue, a road in the direct vicinity and affected by the above application for extended use of the bar up to 4.30am. We strongly object to the granting of the permission of extended opening hours.

Experience shows that guests of the bar park their cars in Cromwell Avenue, up to now a quiet, residential street, because it is the closest, convenient location. An extension of opening hours would increase and prolong the noise disturbance during the whole night. This is unacceptable.

The granting of a licence for this normally unusual length of opening hours would also set a negative precedent for other premises and would have consequences not only for Archway Road but mainly for the surrounding residential side streets.

Cromwell Avenue is a residential street of mostly families with young children. The relaxed and relatively secure environment is paramount for us as residents. We will therefore object strongly to all commercial pressure from the outside to change this to our detriment.

We consider that the encouragement of purely commercial developments like this, which bring unpredictable consequences to residential areas such ours, must be prevented.

We would appreciate if you could inform us about your decision.

Kind regards

Claudio Novello

Dear Dale,

Re Caipirinha Jazz Bar

Cllrs Bob Hare and Rachel Allison would like to register their objection to the application for extended opening hours and music license hours at the Caipirinha Jazz Bar on Archway Road on grounds of public nuisance.

Despite being on a main road, the bar is located in what is essentially a residential area. There are flats above the businesses on both sides of the road, and it is on the corner of Cromwell Avenue which is wholly residential.

We understand that there have been complaints in the past about late hours, noise, drunken behaviour of customers, noise of smokers outside the bar, and rubbish in the street. The proposed extended hours can only make things worse and we do not believe that the new opening hours are appropriate in a residential area, especially with extended music license hours.

New Opening time:

Monday-Thursday up and till 2.30 am

Friday-Saturday up and till 4.30 am

Sunday up and till 2.30 am

Alcohol sales should stop 30 minutes prior to closing times shown.

Music License Request times:

Monday-Wednesday up and till 2 am.

Thursday up and till 3 am.

Friday and Saturday up and till 4 am.

Sunday up and till 2.30 am.

We understand that there have been representations against these proposals from residents on Archway Road, Cromwell Avenue and Cholmeley Park and we support their concerns.

Thank you for your attention.
