

**Haringey** Council

# **URGENT BUSINESS SHEET**

**Report Title: Children's Centres in Haringey**

**Committee/Sub etc: Cabinet**

**Date: 28 July 2011**

**The report is late because of the need to ensure that members of the working group preparing it have a final opportunity to review and agree it. It is vital to the success of the proposals that those who will implement them have been fully involved right up to the decision-making stage.**

**The report is too urgent to await the next meeting because any further delay would increase the financial slippage due to even later implementation of new arrangements.**
