PAUL WALLACE  
286 MUSWELL HILL BROADWAY  
MUSWELL HILL  
LONDON N10 2QR

Thursday, 25th August 2011

My name is Paul Wallace. My address is 286 Muswell Hill Broadway N10 2QR. I have been a homeowner at this address since March 1985.

I wish to object to Kentucky Fried Chicken - being able to extend its operating hours into the weekend mornings. Either during the week, or on a ~~weekday~~ <sup>weekend</sup>. In fact, I would be relieved if their operating hours were reduced not extended.

The amount of rubbish that is generated by KFC is disgusting. They are bad neighbours and do not clean up adequately the mess their customers leave behind on the Broadway. There are not enough rubbish bins outside their premises to collect the rubbish. Staff seem to be reluctant, terrified or afraid to come out of the KFC shop and clean up the mess and filth left behind by their customers.

There is a serious problem with antisocial behaviour centred around their premises. The

2 of 4  
staff seem reluctant to report crime and violence which occurs both inside and outside their business premises. KFC is synonymous with violent crime and antisocial behaviour by the poor residents who live in the neighbouring streets. This at a time when it seems that Police manpower that is available ~~to~~ <sup>to control</sup> may have to be reduced.

Late night and into the morning KFC's clientele seems to be based on verbally abusive hooded youths supported by aggressive ~~dogs~~ looking dogs. The younger customers seem to think it is ok to leave their bikes lying around on the pavement.

Sometimes I work into the early hours of the morning. I have come home to find that there are numerous youths blocking the pavement and the road. It is extremely intimidating. In June 2011 I had a beer glass thrown at me while trying to get into my home, which is adjacent to KFC.

KFC are inconsiderate to their commercial and residential neighbours on this stretch of the Broadway. KFC have had a serious problem with a rat infestation at the rear of their premises.

I have called Haringey Pest Control a number of times over the years. More operating hours will only increase this problem. The other adjacent food establishments actually lay poison bait traps. I have never seen KFC bother to do this in 25 years.

The staff seem to use the rear courtyard as an extension of their staffroom, chatting and smoking into the early hours. Their neighbours are trying to get some sleep.

About 3AM in the morning they push their large rubbish wheelie bins out to be collected from the road/Dulles Mews. This is extremely noisy. Then the refuse lorries come at 6AM. Meanwhile the staff raise their voices and are laughing and joking.

Trying to get a reasonable night's sleep in a bedroom at the front or the rear of 286 Muswell Hill Broadway is becoming more and more difficult. The prospect of KFC still being <sup>open</sup> at 4AM/5AM in the morning is quite stressful to residents.

The balance between the interests of residents and traders seems to be diverging. Residents and traders should be living and working together. To share, a common goal, a commercially viable, and successful and attractive Muswell Hill Broadway.

On a nighttime Muswell Hill Broadway has always been a busy and vibrant place. But

4 of 4  
now the noise and antisocial behaviour  
generated from certain late night food  
and drink establishments is becoming  
intolerable.

I challenge a Haringey Councillor  
to stay a night in my home on a Saturday  
night to see if they can get a decent  
night's sleep.

No to KFC being able to extend  
it's operating hours!

P. Wallace

Dear Sir,

The level of noise nuisance at the weekend on the roundabout in Muswell Hill is too high to sleep through. The best residents can hope for is that it will go away by 4pm. However if Kentucky is allowed to extend trading till dawn the Kebab shop and Cafe Loco will want to do the same.

There are some nights out there when it sounds as if the animals have escaped from the zoo. Fights break out in the road, traffic is held up, motorists hoot horns, shop windows are broken. Cars pull up with music blaring and revellers gather round to dance and argue and scream.

If this application is approved then I feel that we residents should be granted a sizeable reduction in Council Tax.

Yours sincerely

**Representation Kentucky Fried Chicken, Muswell Hill**

Dear Madam,  
Dear Sir,

This representation relates to the following License Variation:

***Kentucky Fried Chicken***

*278 Muswell Hill Broadway, London N10 2QR Muswell Hill*

***Provision of Late Night Refreshment***

*Sunday to Thursday 11pm to 3am*

*Friday & Saturday 11pm to 5am*

***Premise Type Restaurant***

***Period End 28 August 2011***

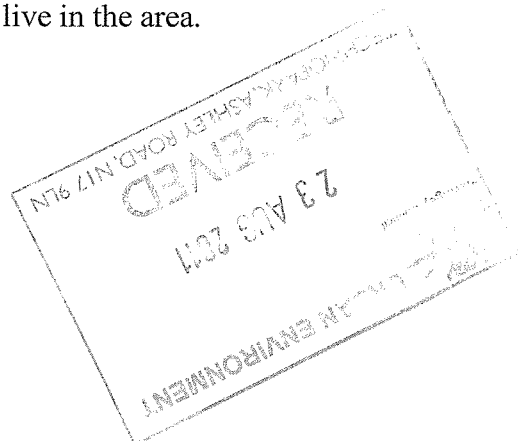

A significant number of KFC customers do not consume their food and drink in the restaurant. Some of these customers take their food with them and find places in the surrounding streets to consume their food, such as sitting on my neighbor's fence or residents front gardens. It is evident that these are KFC customers due to the trail of KFC-branded litter left behind on the streets and in front gardens.

Muswell Hill is a quiet family area, and those late-night customers branching out into the surrounding roads tend to lead loud conversations either amongst each other or on mobile phones. This has a negative impact on the general wellbeing of the local residents, including young children, who deserve a good night's sleep.

I request the refusal of the license variation due to the expected increased impact of noise from the above premises/their customers very late at night, creating a public nuisance for residents around the premises, and in particular the impact of the additional noise on the many young children who live in the area.

Kind Regards

FROM

John McShane, Dukes Avenue, Muswell Hill, N10 2PU.

Dear Sir,

I have recently read in the local newspaper of the plans to extend the opening hours of The Kentucky Fried Chicken in Muswell Hill, N10 2QR, until 5 am on Fri/ Sat and Sat/Sun. I wish to object most strongly to these proposals. The area is already plagued with noise, vandalism and violence, especially at weekends, and the addition of extra time for the trouble-makers to hang around, eating and generally making a disturbance will simply increase this never-ending problem. It is obvious that people who want to eat there between 3 am and 5 am are hardly likely to be 'family groups' but young people, most of them from out of the area, who have been to the clubs in Muswell Hill and who have little or no regard for the residents or the appearance of the area.

In addition I regularly find the remains of take-way cartons, chips and chicken carcasses in my front garden which I have to clear away as they are both unsightly and, of course, a health hazard. Extra hours would no doubt increase this situation further.

Yours Faithfully

John McShane

Subject: RE: Premises licence variation application for KFC, 278 Muswell Hill Broadway, London N10 2QR (WK196947)

Hi Daliah,

I would like to object to this proposed extension of hours on behalf of myself and Cllr Newton.

This week I have spoken to Sergeant David Williams from the Fortis Green SNT. He stated that the police would not support this application.

Sergeant Williams is currently looking at ways of reducing late night anti-social behaviour and disorder in the vicinity of the KFC and clubs in Muswell Hill. These issues are an ongoing concern and at times this area is a crime generator for the local police.

He has difficulty in seeing how an extension to opening hours for the KFC would be anything other than a contributory factor to existing ASB, crime and disorder.

He has been in contact with both the residents association and council Highways Asset Group following concerns late at night and early hours of the morning with crowds attending the existing late night open venues and associated illegal and dangerous parking. The pavement and road layout in conjunction in Sergeant Williams' opinion are not suitable for a large late night economy.

I agree with Sergeant Williams' assessment of the situation.

I have also spoken to local residents and the feedback I received was that if KFC stays open later than other food outlets in and around The Broadway it will just attract people from outside the area. Attracting people from outside the area will only make worse the sort of problems Sergeant Williams outlined to me, as explained above.

If possible, I would welcome a receipt of this objection.

Thanks,

Cllr Erskine

Thank you for your email; I would like to object to these extensions of hours on behalf of the Muswell Hill councillors. I know this is exceptional as the premises are not in our ward but as they are on the boundary what happens at KFC affects conditions in Muswell Hill ward. There is a considerable amount of loitering and noise late at night due to late closures. An additional 3 hours will add to the misery of nearby residents. It is often overlooked that there are many people living in close proximity to the roundabout - both in houses in Dukes Avenue and above shops along the Broadway. If you are minded to grant this application I would hope that you would attach conditions that would be strictly enforced namely that they have to employ doormen after 11am at night, that they take responsibility for any noise and loitering and that the grant of the licence be reviewed within 6 months to ascertain whether the conditions have been complied with.

Att the Licensing Team....

I am writing to object to the application by Kentucky Fried Chicken to extend their open hours license to 3am in week days and 5,00am over the week-end.

My objection is on the grounds that this will prove a public nuisance and increase the likelihood of crime and disorder.

There have been 2 recent burglaries in the last 8 weeks, three car thefts and several incidents of car damage. The noise at the week-end is unbearable as clubbers make their way home at full volume.

Yours sincerely,

Dear Sir/Madam.

Licence Application  
Kentucky Fried Chicken Muswell Hill

I am writing to express  
concern about the application by  
RFC to extend their opening  
hours till 3am Mon-Thurs and till  
5am Friday and Saturday.  
Not so long ago a public meeting  
highlighted problems of crime  
and disorder, noise, disturbing the  
sleep of local residents and litter  
in the area arising from the  
existing late night openings of  
premises near the roundabout.  
This meeting was attended by local  
residents, the MP and representatives  
from the Police and Haringey.

Extending the opening hours of  
KFC at night will only exacerbate  
these existing problems for  
local residents and I hope you  
will take this into account  
when considering the application.

RE: KFC 278 MUSWELL HILL BROADWAY, LONDON, N10 2QR

I am Muswell Hill Resident of above address and neighbour to KFC 278 Muswell Hill Broadway, London N10 2QR .  
It is very bad at the moment with rest of the Late Licences on this corner of Muswell Hill Broadway.  
It typical of Notting Hill Gate carnival behaviour.

REASON(S) FOR OBJECTION TO LATE LICENSE INFRINGE ON A 24 HOUR LICENSE OF A TAKEAWAY FAST FOOD/RESTAURANT.

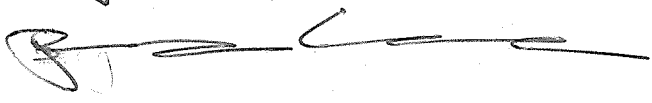

1.Prevention Of Crime and Disorder

You get one guy buying one bag of KFC and rest linger outside with their bicycles on the floor obstructing the pavement then they verbally abusive dogs, groups.

1.1 Lingerig Outside KFC with or without alcohol.  
It is bad as it is with all the late licence and cafe that are disco.  
They block the road standing and fighting or shouting, dancing and hooting the hornes at 5am this is not only dangerous and the residents dont get sleep.  
Behaviour in the early hours of the morning, any day of the week.  
My 21years daughter is very nervous of the hoodys standing outside because male hoody grapping her outside our home door which is only next door to KFC and block the pavement so have to cross over the road on the roundabout and walk back to our front door.

Theres big groups of fighting nearly every week.

As a local resident and mother I find myself and my family subject to a wide range of anti social.

**Objecting To KFC Application for A late License to 11am - 5am Fri-Sat, 11am-2am Sun-Thur (bank holidays)**

I am writing On behalf of some of the business In Muswell Hill Broadway. Please note that some business managers and owners have put their home address. These have observed the 'fallout' of the

1. Crime and disorder. If trouble starts inside KFC, the staff step back merely because of fear. When trouble inside or outside KFC nothing is done to quell it, hence the disorder spills over, other retails and residents have to pick up the brunt of it whether seem economics

2. Anti social behaviour -(public safety) the shouting the intimidation at night and day time. KFC attracts a high proportion of young hoodys of varied ethnicity. Still 6yrs on since the death of Pdraig Sheeran in Dec 2005 (Chairman Of Club Watch) , no security can be seen at KFC.

- 6wks ago approx Pizza Express restaurant was smashed by youths from KFC the cost for a side panel. (£450)

KFC is synomous with hoodys of all ethicity this well recognised and been know for 10yrs to my knowledge. Hoodys I define as groups of young boys, usually of mixed ethnicity with, bikes and dogs, hoods tops/jackets very few being resident to this area. (KFC is called the 'Chicken shop lets get some chicken'- farrel children banter.)

3. Childrens and young people from harm - On the Wednesday before the riots, the proprioter of Art For Art Sake/ Crocodiles/The Scullery Chris -his son and a friend (9yrs of age about) were chased by hoodys with pit bulls. Later the same day outside 5 Dukes Ave 1 Dukes Ave 11pm hoodys with pit bulls fighting others from afro-caribbean community separated they went to KFC as a gathering point. witnessed this along with shouts of they stabbed my bro...! [brother].

4. Public nuisance Haringey sub contractor for street cleansing inform me that Muswell Hill is dirtier than Tottenham as rubbish from KFC and this bring the vermin . All the local people have contributed to the eradication of vermin but KFC have continually refused to recognise that there is a problem. Cars park outside hooting of horns talk, music systems blasting from cars ( this behaviour is out lawed in California).

There is a problem of noise from the groups as KFC is located amid residential properties above, adjacent and opposite. KFC hours encourage a late night gathering point that prevents residents having peaceful nights. Despite restrictions on their current opening times, these are regularly flouted as they continue to remain open when possible custom is around. This is despite the police regularly passing the front of the premises throughout the night. There is also the fact that they leave their extractor units condensor / cooler unit running through the night and morning staff come in a 10am for start. After closing and also arrange for rubbish collection at 06.00am, that's no sleep as a 5am clear up kitchen staff operating noise leave 6am push bins out and collect day starts again other scenerio 2am is a 3am close ihr normal operating procedure kitchen duties clear up equals 3hrs sleep this is totally inappropriate for the residents and their young families.

I also had the privilege of sitting on the Committee of Club Watch at the dawn of these late Licenses. This was seen then as a potential problem that has actually happened and continues to get worse. This petition requires that the Council begins to reverse the decisions of late licences that promote the opportunity for anti-social behaviour in a predominatly residential area. This has been successfully implemented in Chelsea to control inappropriate public behaviour and can be equally applied in our borough.
