

Haringey Council

**Northumberland Park & White Hart Lane
Area Committee**

On 19 September 2011

Report Title: Proposals for the use of additional funding for the repair of potholes

Report of: Lyn Garner, Director of Place and Sustainability

Signed:

Contact Officer: Joan Hancox, Head of Sustainable Transport

Wards(s) affected: Northumberland Park
& White Hart Lane

Report for: Non-Key Decision

1. Purpose of the report

1.1. To agree the allocation of the funding for road repairs. In addition to the £27,800 had been allocated to the Area Committee for additional road repairs, the Council is proposing to put in an additional funding to a total of £70,525 to carry out identified works.

2. Recommendations

2.1. To agree the allocation of £70,525.00 for road repairs set out in Appendix 1.

3. Reason for recommendation(s)

- 3.1. The list of roads has been compiled from suggestions from the public and following an intensive survey of all roads in August 2011. Addressing all the identified potholes will reduce the need for future repairs and help seal the carriageways before the winter weather comes.
- 3.2. We have identified over 300 locations with potholes within the area that do not meet our existing intervention levels. In addition to pothole repairs we are recommending repair of large areas in White Hart Lane, Devonshire Hill Lane, Rivulet Road, Carrick Gardens, Barkham Road, Creighton Road, Garman Road, King Street, Worcester Avenue and Trafalgar Avenue . This is set out in Appendix 1.
- 3.3. The Northumberland and White Hart Lane Area is the only one where the works identified are significantly greater than the allocated funding. To ensure a consistent approach across the borough, additional funding from the mainstream Council budget is to be allocated to the identified works, making the total to be spent in Northumberland Park and White Hart Lane wards £70,525.
- 3.4. The Council has already spent £10,700 on pothole repairs in the area since the start of the financial year and will continue to repair potholes as part of its normal maintenance programme.

4. Chief Financial Officer Comments

- 4.1 These repairs are being financed partly by additional funding provided by the Government for road repairs and partly from the Council's highways maintenance budget.

5. Head of Legal Services Comments

- 5.1. There are no legal implications.

6. Consultation

- 6.1. A presentation was made to the Area Forums in June/July 2011. Information was provided on the Council's website and a news item appeared in the August Haringey People inviting suggestions for road repairs.

7. Use of appendices /Tables and photographs

Appendix 1: Recommended road repairs

8. Local Government (Access to Information) Act 1985
