If the sub-committee were to grant this application then we would recommend the following alterations/conditions to the operating schedule:

Prevention of nuisance from noise / vibration

All doors and windows will remain closed during the licensed regulated entertainment activities or in any event after 11pm. Any doors to the rear of the premises, including access to the rear garden/play area will be fitted with a self-closing device and staff required to ensure that it is not propped open. No persons to be allowed access to the rear area while licensed regulated entertainment occurs.

Entry to the premises will be restricted to the main entrance on St Anns Road whilst the premises are being used for regulated entertainment licensed activity.

The regulated entertainment licensable activity shall conclude 30 minutes before the premises is due to close to prevent excessive noise breakout as the premises empties

Other doors e.g. fire doors

All fire doors and doors at the rear of the premises will be fitted with an alarm that instructs staff when the door has been opened

Sound limits

The licensee shall ensure that no music played in the licensed premises is audible at or within the site boundary of any residential property

The level of amplified regulated entertainment shall be controlled by means of limiting device set at a level which upon request may be agreed with the licensing authority

Outside Areas

No music will be played in, or for the benefit of patrons in external areas of the premises

No form of loudspeaker or sound amplification equipment is to be sited on or near the exterior premises or in or near any foyer, doorway, window or opening to the premises

Signs shall be displayed in the external areas/on the frontage requesting patrons to recognise the residential nature of the area and conduct their behaviour accordingly. The management must reserve the right to ask patrons to move inside the premises or leave if it is felt that they could be disturbing neighbours

Dealing with complaints

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include, where disclosed, the complainant's name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers

Prevention of nuisance from light

Illuminated external signage shall be switched off when the premises is closed

Security lights will be positioned to minimise light intrusion to nearby residential premises
