1. Issue under consideration

Steered and overseen by the Voluntary Sector Review Board, the Council has produced a Voluntary Sector Strategy 2011-2016 (Appendix 1), and draft Voluntary Sector Funding Framework (Appendix 2). The Funding Framework will set out how the Council will deliver on the Strategy in order to achieve the best possible outcomes for the residents of Haringey, in line with the Council's key priorities, within a challenging financial climate. Both the Strategy and the Framework have been consulted on.

2. Cabinet Member Introduction

I am very excited about Haringey's new Voluntary Sector Strategy as it gives the Council and its voluntary and community sector colleagues an opportunity to work together on the matters that really count and that really concern us. I see the voluntary sector as having a pivotal role in helping to regenerate Tottenham and work with us to tackle our core priorities: unemployment; and
