Dear Mrs. Cameron Duncan:

Re: JAMAICA VILLAGE 2012

The Jamaica Athletics Administrative Association is proud to support Jamaica Village 2012 and its aim of showcasing the best of Brand Jamaica offerings including but not limited to Jamaican food, culture and the business and athletic successes of its people.

It is our understanding that:

1. The event "Jamaica Village 2012" will take place in London during the period August 3-12, 2012
2. The event will take place at Finsbury Park
3. The event will include live performances by Jamaican entertainers
4. You are working with a number of Jamaican firms which plan to offer Jamaican food, drinks, and other products for sale to the public
5. The event will highlight Jamaica through a variety of mediums

Given our understanding the Jamaica Athletics Administrative Association is pleased to confirm our exclusive endorsement of this venture as the Jamaican Celebratory Event of 2012. We look forward to our future partnership in showcasing to the world the Best of Jamaica and the ongoing support of the Jamaica Athletics Administrative Association on such endeavors.

Sincerely,

Howard Aris, CD.
President.
