
LICENSING SUB-COMMITTEE

**TUESDAY 8 AUGUST 2006, on the rise of the Licensing Committee or 7.00pm, whichever is the later.
CIVIC CENTRE, HIGH ROAD, WOOD GREEN, LONDON, N22**

MEMBERS: Councillors Peacock (Chair), Patel, Reid

Please note: this meeting may be filmed for live or subsequent broadcast via the Council's internet site - at the start of the meeting the Chair will confirm if all or part of the meeting is being filmed. The images and sound recording may be used for training purposes within the Council.

Generally the public seating areas are not filmed. However by entering the meeting room and using the public seating area, you are consenting to being filmed and to the possible use of those images and sound recordings for webcasting and/or training purposes.

If you have any queries regarding this, please contact the Principal Support Officer (Committee Clerk) at the meeting.

AGENDA

1. **APOLOGIES FOR ABSENCE**
2. **URGENT BUSINESS:** The Chair will consider the admission of any late items of urgent business. (Late items will be considered under the agenda item where they appear. New items will be dealt with at item 7 below).
3. **DECLARATIONS OF INTEREST:** A member with a personal interest in a matter who attends a meeting of the Authority at which the matter is considered must disclose to that meeting the existence and nature of that interest at the commencement of that consideration, or when the interest becomes apparent.

A member with a personal interest in a matter also has a prejudicial interest in that matter if the interest is one which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice the member's judgement of the public interest.
4. **SUMMARY OF PROCEDURE:** The Chair will explain the procedure that the Committee will follow for each of the hearings considered under the Licensing Act 2003. A copy of the procedure is attached.
5. **ATHENA PALACE, 657 GREEN LANES, LONDON N8 (Harringay Ward):** To consider an application to provide a licensable activity in the form of Supply of Alcohol and provision of regulated entertainment.
6. **ITEMS OF URGENT BUSINESS:** To consider any new items admitted under item 2 above.

Agenda Item 4

<u>LICENSING SUB-COMMITTEE HEARINGS PROCEDURE SUMMARY</u>	Tick box to record action/ decision
<u>INTRODUCTION</u>	
1. The Chair introduces himself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.	
2. The Chair invites Members to disclose any prior contacts (before the hearing) with the parties or representations received by them	
3. The Chair explains the procedure to be followed by reference to this summary which will be distributed.	
<u>NON-ATTENDANCE BY PARTY OR PARTIES</u>	
4. If one or both of the parties fails to attend, the Chair decides whether to:	
(i) grant an adjournment to another date, or	
(ii) proceed in the absence of the non-attending party.	
Normally, an absent party will be given one further chance to attend.	
<u>TOPIC HEADINGS</u>	
5. The Chair suggests the “topic headings” for the hearing. In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is: Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.	
(i) the prevention of crime and disorder,	
(ii) public safety,	
(iii) the prevention of public nuisance, and	
(iv) the protection of children from harm.	
6. The Chair invites comments from the parties on the suggested topic headings and decides whether to confirm or vary them.	

<u>WITNESSES</u>	
7. The Chair asks whether there are any requests by a party to call a witness and decides any such request.	
8. <u>Only</u> if a witness is to be called, the Chair then asks if there is a request by an opposing party to “cross-examine” the witness. The Chair then decides any such request.	
<u>DOCUMENTARY EVIDENCE</u>	
9. The Chair asks whether there are any requests by any party to introduce late documentary evidence.	
10. If so, the Chair will ask the other party if they object to the admission of the late documents.	
11. If the other party <u>do object</u> to late admission, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:	
(i) What is the reason for the documents being late?	
(ii) Will the other party be unfairly taken by surprise by the late documents?	
(iii) Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv) Is the late evidence really important?	
(v) Would it be better and fairer to adjourn to a later date?	
<u>THE LICENSING OFFICER'S INTRODUCTION</u>	
12. The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and the comments of the other Council Services or outside official bodies. This should be as “neutral” as possible between the parties.	
13. The Licensing Officer can be questioned by Members and then by the parties.	
<u>THE HEARING</u>	
14. This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:	
(i) an introduction by the Objectors' main representative	
(ii) an introduction by the Applicant or representative	
(iii) questions put by Members to the Objectors	

(iv)	questions put by Members to the Applicant	
(v)	questions put by the Objectors to the Applicant	
(vi)	questions put by the Applicant to the Objectors	
<u>CLOSING ADRESSES</u>		
15.	The Chair asks each party how much time is needed for their closing address, if they need to make one.	
16.	Generally, the Objectors make their closing address before the Applicant who has the right to the final closing address.	
<u>THE DECISION</u>		
17.	Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions. The decision is put in writing and Members return to the meeting.	
18.	The Chair should read out the following statement before asking the Committee Clerk to read out in public a summary of the Committee's Decision: <i>"The Committee Clerk will read out a summary of the Committee's Decision. The Parties will receive a written Decision Notice in which the Decision will be formally set out. Please note that the written Decision will be substantially the same although the wording might vary slightly from the summary read out."</i>

BY RECORDED DELIVERY

Dear Ms Barrett

**VARIATION OF LICENCE FOR ATHENA PALACE, 657 GREEN LANES,
LONDON N8 ('THE PREMISES') AND APPLICATION FOR THE GRANT OF A
NEW PREMISES LICENCE FOR THE FRONT PART OF THE PREMISES**

I refer to the hearing before the sub-committee on 13 June 2006 and enclose the following;

- (1) Amended application to cover the entire Premises;
- (2) Copy Premises Licence;
- (3) Plan of the Premises;
- (4) Consent of the designated premises supervisor.

As discussed, I have completed the application for grant of a Premises Licence as the front part of the Premises does not currently have a licence. I have amalgamated the variation aspect of the application into the same form.

As agreed, please can you distribute the amended application on the relevant authorities.

I look forward to hearing from you in due course in relation to the hearing date.

Yours sincerely

Marianthi Stylianou

Our Ref: 060550

24 April 2006

Dear Ms Daliah Barrett

Premises Licence Number: LN00001010
Application: Athena Palace

I have recently received representations from local residents, as well as hearing concerns from local councillors and the police, about the proposed licensing application for the **Athena Palace, 657 Green Lanes, Haringay, London, N8 0QY**.

As a local resident myself (I live on Falkland Road) and Tottenham's Member of Parliament I have serious concerns about the applicant's plans for the Athena Palace. Following conversations with Robin Payne Assistant Director for Enforcement I have ensured that my representations are structured in a way to meet the relevancy criteria as set down in the 2003 Licensing Act. The four "Licensing Objectives" set out in the Act are as I understand it: The prevention of Crime and Disorder, Public Safety, The Prevention of Public Nuisance and The Protection of Children from Harm.

The current licensing application is to extend the licensed hours of the Athena Palace, to include a 'new front bar area' and in addition allow the establishment to operate as a bar/nightclub, rather than just as a banqueting venue as it does at the moment. I believe given the history of the establishment and its owner Mr Kashourides, that my own and residents' concerns should be given weight when deciding upon his application and that on balance it should be turned down in its current form.

As Ms O'Dwyer another local resident outlines in her enclosed email, we as residents have a long history of concerns about the operation of the Athena Place even in its current guise as a banqueting venue. We have no confidence that the operation of the premises with fewer restrictions, and for longer hours would have anything but a detrimental effect. In addition, I have recently heard of incidents where the Athena Palace has been breaking its existing license – by for instance selling alcohol for

consumption on and off the premises and to people not attending pre-booked functions.

Our central concern as residents regarding the new application is around the issue of disorder and the prevention of a public nuisance. We do not feel that the measures outlined by the applicant in his application can adequately prevent the problems that concern us, especially as many of the measures are already in place and have had little effect on the problems we face.

It should be remembered when considering the application that the Athena Palace is located in a run of shops, with flats above, between two quiet residential streets. In addition no where in the immediate area has an existing premises been granted a license to sell alcohol beyond 2 am, because of concerns about the levels of noise and disruption that could be caused. Granting a 3 am, or 4 am license at weekends, would clearly be a retrograde step given our existing problems with the venue and residents' concerns about the Green Lanes area becoming a late night destination.

As a night club and late night venue the Athena Palace is likely to attract an increased number of people to the area, adding to the pressures on the local community. Noise, rubbish and other disturbances are not uncommon in Falkland and Fairfax Roads, and are linked to the operation of the Athena Palace within the existing restricted licensing. As residents we are concerned that given the applicant's admission that they intend to operate as a bar/night club that the incidents of anti-social behaviour and noise could only increase.

I also understand that local businesses, including neighbouring shops who display their produce on the pavement have problems stopping petty theft by customers of the Athena Palace as they queue to enter. The premises operating as a night club even with door staff is likely to cause an increased number of patrons to queue outside these very businesses for longer, increasing the risk of theft and disruption.

While there may not be an obvious issue of harm to children, the location of the premises is close to a primary school and local park popular with children, as well as being in a residential area where many families live. This means that the problems that I have outlined above, including those of anti-social behaviour will have an indirect impact on children and their families.

I believe that local Councillors, residents and the Ladder Safety Partnership are going to raise some of these issues in their objections to the granting of the license. In addition I have also copied this letter to the Borough Commander, to emphasise the depths of our concerns as residents living near the Athena Palace about the current proposals.

I would also like to highlight the concerns of those in the wider community who fear that the granting of such a license could set a dangerous precedent which the rest of

licensees on Green Lanes may choose to follow; undoing the efforts of local residents, the police and Haringey Council to enforce license restrictions in the area and keep a balance between the wishes of businesses to open longer and residents who favour restrictions.

I trust you will keep me informed of the progress of the application and also take my concerns and those of residents on board when it comes to the decision making process. Furthermore, following conversations with your office I would also like to be informed as to whether the applicant submitted a newspaper advert as he is required to do by the Licensing Act 2003.

1 INTRODUCTION

The Ladder Community Safety Partnership (LCSP) contains representatives of Neighbourhood Watches and Residents' Associations from the 'Ladder' roads, adjacent to Green Lanes, Harringay, and from Wightman Road and Green Lanes itself. We are an independent group, although working in partnership with Haringey Council and the Metropolitan Police where appropriate.

We are writing to you as members of the LCSP to oppose this application.

We believe that in the context of the well known problems in the area, coupled with high-density residential accommodation, granting a licence for the hours requested would be against the general principles of Haringey's Licencing Policy and specifically under the following headings:

- **The Prevention of Crime and Disorder**
- **Public Safety**
- **Prevention of Public Nuisance**

We are concerned that the applicant has only addressed these key issues in a very limited way in his application which could indicate a lack of understanding and/or

commitment to their importance.

More information on why we believe the Committee should reject this application is provided under appropriate headings below.

2 PLANNING CONSIDERATIONS: PREVENTION OF PUBLIC NUISANCE

At the time of writing, we are uncertain of the planning status for all the component parts of this premises. However, the Licensing Sub-Committee will no doubt give due weight to any relevant details provided by Planning and, if applicable, append an Informative to any permissions which may, or may not, be granted.

3 REASONS FOR OBJECTING

(a) Relevant sections of the Borough's Licensing Policy/Objectives

We believe the following statements in the Borough's Licensing Policy support our objections:

- *'the Council considers that licensing law plays a key role in both preventing and controlling ... anti-social behaviour ... by regulating and applying conditions to affect the number, location and hours of premises' [2.4]*
- *'the council will have special regard to the local impact of licensing on related crime and disorder ... particularly when concerning location, impact, operation and management of all proposed licenses, applications, renewals and variations of conditions' [7.14]*
- *'licensed premises, especially those operating late at night and in the early hours of the morning, can cause a wide range of nuisances that can impact on the people living, working or sleeping in the vicinity of the licensed premises. **The Council is committed to protecting the residents in the vicinity of these licensed premises.**' [13.1]*
- *'in particular, late night activities cause much of this nuisance. Late night cafes ... can have a number of adverse effects on the residents in the vicinity of these premises. Nuisance such as noise, litter, anti-social behaviour, lights and odour all contribute to the loss of amenity to the general public' [13.2]*
- *'the potential for additional crime and disorder and/or public nuisance is increased with longer hours.' [18.1]*
- *'operating hours between 23.00 and 07.00 are considered to give greater potential for noise nuisance' [18.3]*

(b) Licensing Hours

We believe that granting a permanent licence for such very late hours as 03.00 (Sun-Wed) and 04.00 (Thur-Sat) is an unreasonable proposition, (especially when coupled with the same hours for the supply of alcohol), given the location of the premises in the heart of one of the most densely populated residential areas in the borough. There are numerous flats adjacent to the premises in Green Lanes, while residents in Fairfax and Falkland Roads and Mountview Court are also extremely close.

The LCSP understands that each application must be decided on its own merits; however we would point out that there are currently no premises in Harringay Green Lanes supplying alcohol/entertainment/refreshment until either 3am or 4am throughout the week. All previous applications for such late hours have been refused by the Licensing Sub-Committee, on the grounds of prevention of crime and disorder and prevention of public nuisance. We firmly believe that the same arguments apply in this case, too.

(c) The Prevention of Crime and Disorder

We have seen the brief comments relating to the prevention of crime and disorder put forward by the applicant. Given the very late hours requested for both opening and drinking, residents would like to highlight the following questions, drawn from App.2 of the borough's Licensing Policy Guidances:

- how will CCTV be used and monitored to help prevent crime and disorder?
- how will door supervisors be used at/in the premises, what will they be asked to do and what are they seeking to achieve?
- the use of responsible drinking promotions: what will and will not be used to promote custom? What is being done to promote safer drinking?
- what is being proposed to discourage the drinking of alcohol (supplied for consumption on the premises) in a public place in the vicinity of the premises?
- what practices are/will be in place to deal with the possibility of patrons under the influence of illegal drugs, and the supply of illegal drugs? (A particular problem in the Green Lanes area, as noted in the recently published Crime and Drugs Audit [LBH/Met.Police])
- procedures to deal with violence and/or anti-social behaviour?
- methods to discourage the handling and distribution of stolen goods etc?
- methods to address prostitution at the premises? (a particular problem on Green Lanes: Met. Police Taskforce 4 reported to the Green Lanes Strategy Group on 8 Sept 2005 that this was currently a serious concern with 5 prostitutes cautioned during the previous week)

(d) Public Safety

The applicant only mentions a fire alarm system operating within the premises. We assume that all staff would be trained to ensure that all safety measures are known and implemented, especially for emergency situations such as evacuation. We also assume that the premises is compliant with all relevant building control rules and regulations.

(e) Prevention of Public Nuisance

The only comments from the applicant refer to '*a sign asking patrons to be quiet and considerate to local residents*'. There are therefore a large number of questions remaining unanswered, in particular:

- the steps taken, or proposed, by the applicant to prevent noise or vibration escaping from the premises (whether music, ventilation equipment or human voices)? The Licensing Policy states that this is '*particularly important in residential areas*'.
- the provision to properly extract and disperse odours and smells from cooking by properly installed and maintained ventilation equipment?
- the actions necessary to prevent disturbance from deliveries or collections at early or late hours, or staff cleaning up after closing time?
- the steps taken, or proposed, to prevent littering and fouling of public and open spaces - what specific measures are proposed by the business?
- the arrangement for storage and disposal of trade waste - would the very long hours sought by the applicant lead to increased waste storage and disposal problems?
- the arrangements for cleansing and keeping clean the vicinity of the premises - this will include litter, refuse and other items originating from the premises and fouling caused by customers.
- the steps taken, or proposed, by the applicant to prevent disturbances by customers arriving at or leaving the premises?
- the steps taken, or proposed, to prevent queuing, whether by pedestrians or cars? If some queuing is inevitable, how will this be managed to prevent disturbance or obstruction?
- what proposals have been made, or are proposed, for parking by customers and what effect will this have on local residents?
- in the event of customers using taxis or mini-cabs, what measures have been taken by the applicants to prevent disturbance to local residents?

The Borough's Licensing Policy points out the special importance of the above issues after 23.00 and in residential areas. (See Appendix 2(3) and 13.2).

4. CONCLUSION

We believe that the above points should be given due weight by the Licensing Committee and that appropriate conditions should be specified in any licence granted.

We firmly believe that the proposed combination of alcohol, live music and extremely late hours is totally unacceptable in the heart of our residential community. We further believe that the risk to public order and the potential for anti-social behaviour and crime are far too great for this application to be approved.

Yours sincerely

Dear Dalai Barrett

Re Athena Palace APPLICATION for License for extended opening

As a local resident I wish to strangle object to this application. I have opposed the extended opening in the past when earlier applications were made.

My reasons remain the same. Namely my street is already heavily congested with inadequate parking. This will add massively to competition for parking spaces and mean that residents like me who may return home late in the evenings will not be able to park adequately increasing the danger of parking fines.

The noise and potential rowdiness in the street will be increased by those people going home and to cars in my street in the early hours. I the past we have had drunken people, urinating in the street and being loud and aggressive. Also car noise and illegal parking increases adding to the deterioration in the quality of life for those of us who live close to Athena Palace.

I strongly object.

Yours sincerely,

Dear Ms Barrett

**RE: LICENSING APPLICATION FOR 'ATHENA PALACE'
657 GREEN LANES, LONDON N8**

I understand that the above (now named Club Palace) has put in for licensing and entertainment extensions. I am unclear exactly what the entertainments proposed are, or indeed what kind of club in the way of drinking is envisaged, but I have comments as below.

As I live nearer to the Wightman Road end of Falkland Road than the Green Lanes end it is true to say that I am distanced from the establishment. However, in the past, there was trouble with late night drinking from the then named Athena Palace. People turning out late banging car doors, young men urinating in the street, sometimes fights, condoms thrown in residents' front yards. The noise from the music was also a disturbance to those folk living in the Mews flats at the back. Has the refurbished establishment had effective soundproofing installed? I also feel there is such limited parking space in the area for residents generally that this will be another inconvenience for locals trying to find a space near their own dwelling. The litter left by folk leaving and more dangerously bottles – often broken - that an establishment such as this can bring is also not to be desired. Some, I know, would say there is already so much rubbish on the pavements that a bit more doesn't make any difference. My response would be, that there is too much, and we do not want to encourage anything which is likely to make this ongoing problem even greater.

I am not sure what a "*new front bar area*" means. **If it means an open bar looking out onto the street this would, in my opinion, be catastrophic and this I would strongly oppose.** If it means relocating within the club then I don't think I have the right to comment.

However, I strongly oppose opening of these premises later than midnight – Sunday to Monday and later than 1.00am Friday and Saturday. Elderly residents living in the area get distressed by loud noise and rowdiness and other people have to go to work themselves and need their sleep.

Yours sincerely

Dear Ms. Barrett,

ATHENA PALACE, 657 GREEN LANES, N8 0QY

I oppose this application for the following reasons that have already occurred when Athena opened for long hours before.

- Noise Pollution Athena Palace customers kept us awake on a nightly basis, people screaming, car doors slamming
- Unruly behaviour and customers urinating on our street(during daytime and night time.
- When the Athena Palace is open for functions the customers park in our road and it impossible to gain a car park space when one returns home.
- Large crowds of the clientele often congregate outside the front door of the club. This can be intimidating when walking by especially for lone females.

The middle section of the building on the ground floor used to be a betting shop. Is this change of use allowed?

**RE: APPLICATION FOR A PREMISE LICENSE
ATHENA PALACE 657 GREEN LANES N8 0QY**

It has come to the attention of residents that new applications have been made in respect of the Athena Palace. Residents living nearby are rightly concerned that the owners of the premises are once again trying to expand boundaries that will inevitably create the kind of noise and disruption that became so much a part of our lives a few years ago.

I am objecting most strongly to the granting of an extension to licensing hours and at the same time to an extension of opening times.

The objection is based on the following:

- Noise emanating from the activities taking place on the premises which now appear to include a nightclub with live and recorded music.
- Noise caused by the Athena Palace clientele as they leave the premises in the early hours. We have previously been subjected to noise and nuisance, which has included urinating and vomiting in the street and front gardens. This is a heavily populated residential area inhabited by families who should be able to rely on their right to be able to sleep.
- Falkland Road has a serious parking problem and cannot sustain additional vehicle overload.
- The trading hours enjoyed by the Athena Palace are already more than liberal in such an area.

Residents are wondering how these premises have been able to expand activities to include a bar and nightclub. We have not been informed of any application for a change of use.

We very much hope the authorities concerned will take our concerns into consideration when reviewing this case.

Dear Madam,

Your ref: DB/KB/ANN/LIC

**Re: Application for a Premise License – Athena Palace 657 Green Lanes,
Harringay, London N8 0QY**

I am a resident of Falkland Road London N8 and I write with reference to your memorandum of 27th March 2006.

In recent weeks I have had the opportunity to discuss the above proposal with a number of local residents, and without exception they share my concerns with regard to the probable and serious consequences which would affect the area if the application for a licence were to be approved without substantial amendment.

In the first place, there is a history of the premises being used at the end of the 1990's for the purposes of a discotheque. The experience of the residents was that they were seriously disturbed by noise nuisance emanating from the premises themselves. A particular problem derived from the fact that, owing to a lack of ventilation, the doors were frequently kept open in order to provide a supply of fresh air to the premises. The existence of this problem was recognised by the management of the Athena Palace in a letter (copy herewith) to Ms. Gabriella Singellos of EFFRA dated 12th November 1999.

Secondly, there is a history of noise nuisance being caused in the small hours of the morning by departing customers. Loud conversation and the revving of engines has disturbed many a night's sleep. In addition there has been overuse of car parking spaces to the inconvenience of local residents.

In the same letter from the Athena Palace, these problems were recognised as well, and it was suggested that the solution lay in the imposition of a 24 hours' car parking zone. From my discussions with local residents and businesses, I am aware that the existing restrictions on visitors' parking are causing hardship in their present form, and that the hours of operation may require adjustment. To ban non-resident parking for 24 hours a day would be a retrograde step, and of no help to the residents and businesses whatever.

Speaking for myself, I recognise that places of entertainment for the young have to exist somewhere. Therefore, I do not in principle oppose the application for the removal of the present restrictions which require that operation of the premises be limited to pre-booked functions or that the provision of alcohol be ancillary to the consumption of meals on the premises.

Prevention of public nuisance

Where I strongly take objection, however, is with regard to the proposed permitted hours. The premises in question are located very near to densely populated residential areas, and their operation late at night will cause distress and loss of sleep to many people. Some of the people, to my knowledge, are vulnerable. I know, in particular, of one lady in her nineties, who will be directly affected, as well as a lady who is suffering from a serious illness and who is looking after a handicapped relative. Disturbance will come from the departing customers, and, from the premises themselves unless the windows and doors are constantly kept closed.

I am not reassured by the measures which the applicant proposes to take.

For example, the promise not to serve alcohol to persons who are intoxicated will not help. One need only be slightly under the influence in order to laugh loudly and slam a car door. Then again, the provision of CCTV cameras would be of no help in the streets outside.

What I would propose is that the permitted hours be limited to 11 pm on Sundays through Thursdays, and 12:30 am on Fridays and Saturdays. These hours would ensure that if there is any noise from departing customers, it will take place on a weekend before 1:00 in the morning, and not one hour later.

I also propose that in the first instance the licence be limited in time, so as to be subject to review if the customers habitually cause disturbances or if the demand for car parking unduly inconveniences local residents.

Finally, I would propose that no licence be given unless it appears on inspection that there is adequate ventilation so as to enable the premises to be operated without the need to open the doors or windows.

Yours faithfully,

David Schmitz

LETTER RECEIVED FROM THE ATHENA PALACE DATED 12TH NOVEMBER 1999

Ms Gabriella Singellos
EFFRA

12th November 1999

Dear Miss Singellos

RE : THE ATHENA PALACE

It was a pleasure to meet with you, Odette Gibson and other members of Effra who attended the meeting on Tuesday evening the 2nd November 1999, and give The Athena Place Management a chance to hear the views of the residents at first hand and to see what we can do to alleviate existing and anticipated problems.

I feel that the consensus was that there was a genuine want to come to a working arrangement that we can all live with.

1. Air Conditioning within The Athena palace is being examined with a view to updating, this would then obviate the need to open doors and windows for fresh air

2. Noise - this mostly emanates from departing guests, standing in groups and talking in the small hours of the morning, slamming of car doors and revving engines. This problem, which we believe to be the one has had much consideration and we now believe that the best way of dealing with this is for the Council to place "24 hour parking control" in the residential side roads in the area with the possibility of clamping offenders and fining them. This threat should drive the offenders to look elsewhere to park their cars.

May we suggest that EFFRA also petitions the council to install the twenty-four hours curfew on private parking.

The situation regarding problems connected with The Athena Palace are being placed under constant surveillance and hopefully we shall have more positive to put to your committee as and when solutions are found.

Yours sincerely,

Peter Slaughter

Dear Ms Barrett,

Re: Application for a Premise License – Athena Palace 857 Green Lanes

We are aware that yet again the proprietors of the Athena Palace have requested a licence for extended opening hours and also for a licence and extended opening hours for the former Ladbroke betting shop which is now called the "Club Palace" at the front of the building.

I assume that your department is well aware of the history of this particular premises with regard to noise nuisance, anti-social behaviour and inappropriate car parking on residential streets. Disruption and nuisance has been caused by this establishment over a number of years culminating in petitions and letters being submitted to Haringey Council and local magistrates on several occasions.

As you know, this is a densely populated residential area and the noise element at night and in the early hours of the morning is extremely high given the number of late night men's clubs, bars and restaurants on Green Lanes. Families are suffering as a result of the continuous noise, slamming of car doors and drink related anti-social behaviour.

The Club Palace distributed flyers just before Christmas 2005 advertising a New Year's eve party and other club nights. The flyers were offensive with near naked women and gave the impression of being a lap-dancing club. The Neighbourhood Manager of Green Lanes was given copies of this by angry residents. Did the proprietors of the Athena Palace have planning permission for the change of use which appears to have taken place in 2005?

The Athena Palace already has a large capacity is there really a need to have another front bar area on street level? Will it be a social club, night club, lap-dancing bar?

The Council and police are well aware of the issues with social clubs in this area in terms of crime and disorder and are already overstretched in dealing with these.

My neighbours and I are extremely concerned about the proposed increased opening hours for these premises and are aware that recent licence applications along Green Lanes have had their hours of operation agreed until 2.00 a.m. and not for every night of the week. Considering the problems of the past we see a closing time of 1 a.m. more than adequate.

We trust that you will consider the views of the local residents in this matter against those of someone who has no reason to regard the well being of the neighbourhood against personal gain at any cost.

For your information this letter is also being written on behalf of several residents who are not in a position to write personally.

Dear Ms Barrett

Athena Palace, 657 Green Lanes N8 0QY

Supply of alcohol and provision of regulated entertainment,
with premises open until 3am (Sun-Wed) and 4am (Thurs- Sat)

I am writing to you to register my very strong objections to the above application for a major variation to the existing premises licence.

I have been in Fairfax Mews since 1951. At that time, the owners of the premises at 657 Green Lanes were the Conservative Club, The building was in two parts, with the first floor used as a snooker club, and the ground floor for functions, such as meetings or weddings. In the course of the next 42 years there was never any trouble or noise nuisance associated with the premises, which in any case normally closed by 11pm.

However, in 1993, Mr C Kashourides acquired the property. Since then, local people, like myself, have experienced nothing but difficulties concerning noise, anti-social behaviour and a prolonged sequence of licensing cases in which Mr Kashourides has continually attempted to push back the hours of opening. This application is just the latest example in a long series.

Shortly after acquiring the property at 657 Green Lanes, Mr Kashourides ^{wanted} to secure my premises, which back on to his building, in Fairfax Mews. After repeated and persistent requests, I finally agreed to rent my property to him, on a 20-year lease. Mr Kashourides then began to use my property as an annex to the Athena Palace. However, it very soon became apparent that he was not paying for his use of my property, and after repeated attempts to solve the matter amicably, I had to take legal action to secure payment. My solicitor then found that Mr Kashourides was bankrupt. It cost me a great deal of money to get him out of my premises, which I finally

achieved after months of litigation.

Having regained possession of my property, I then applied for, and was granted Planning permission, to build three flats in Fairfax Mews, in the area adjacent to the rear of Mr Kashurides premises. He has made life very difficult for the tenants of these flats ever since. He inherited a situation in which any music, entertainment etc, at his premises, had to stop at 11pm. Throughout the late 1990s/early 2000s he applied for ever later hours, and cases were regularly heard at the Civic Centre and at both Lordship Lane and Highgate Magistrates' Courts.

Hundreds of local residents, including my own tenants, strongly opposed the granting of very late hours because of the horrendous noise nuisance from very loud, amplified music, vibration, and frequent anti-social behaviour, including regular instances of vomiting and urination, both in Green Lanes and the Ladder Roads. After a series of strongly contested hearings, Mr Kashurides eventually secured terminal hours of 12.30am (Sun-Fri) and 1.30 (Saturday), with alcohol and entertainment to cease half an hour before.

However, despite these restrictions, the premises has often remained open until the early hours of the morning, sometimes even until 4am or 5am, and the level of noise nuisance and disruption to our lives has been appalling. Indeed, the noise is so loud that residents wonder if any sound-proofing at all has been installed. If it has, then it is clearly not working properly. As already stated, there are also serious problems concerning the drunken behaviour of those leaving the premises in the early hours.

The applicant is now proposing that up to 450 people should be able to attend the venue. This would quite simply be a catastrophe for the entire local area and, coupled with the very late hours seven days a week, would make ordinary daily life intolerable for huge numbers of local residents.

In conclusion, I strongly urge the Licensing Committee to reject this application so as to prevent not only crime and disorder but especially to prevent any further outbreaks of public nuisance late at night.

Yours sincerely,

Mairavdhoo
