Report Title. **Planning Enforcement Update- Three Quarterly Report 2011-12**

Report of **Director of Place and Sustainability**

Signed :

Contact Officer : **Marc Dorfman, Assistant Director, Planning and Regeneration**  
**Telephone 020 8489 5538**

Wards(s) affected: **All**

Report for: **Non-Key Decision**

**1. Purpose of the report**

1.1. To inform Members on Planning Enforcement's progress in maintaining service delivery 2011/12.

**2. State link(s) with Council Plan Priorities and actions and /or other Strategies:**

2.1. Enforcement of planning control plays a role in delivering policy objectives of the Council's Unitary Development Plan and the future Local Development Framework

2.2. The Council's Enforcement Strategy has an explicit objective to prevent unauthorised use and non permitted development and seek to reverse this when it occurs taking formal enforcement action when expedient to do so.

**3. Recommendation**

3.1. That member's note the first three quarters performance for 2011/12, April-December 2011 inclusive.

#### **4. Reason for recommendation**

4.1. Good progress continues with maintaining the number of open cases at a manageable level, which were 293 at 1<sup>st</sup> January 2012. The year to date has seen a high degree of formal enforcement activity with 66 Enforcement Notices served and 37 Appeals against Enforcement Notices lodged

#### **5. Other options considered**

5.1. Not applicable

#### **6. Summary**

6.1. This report advises members on service performance for the first three quarters of 2011/12 and the teams' incorporation into Development Management within the Planning regeneration and Economy Business Unit from 16 May 2011.

#### **7. Chief Financial Officer Comments**

7.1 Planning Enforcement now forms part of the Planning, Regeneration and Economy business unit within Place and Sustainability and the staffing budget for the posts in this team is £193,100. The costs of preparing this report have been contained within existing budgets.

#### **8. Head of Legal Services Comments**

8.1 The Head of Legal Services notes the contents of this report

#### **9. Equalities & Community Cohesion Comments**

9.1 There are no equalities, and community cohesion issues raised by this report as it updates members on Planning Enforcement's performance April-December 2011 inclusive.

## **10. Consultation**

10.1 The report identifies steps to consult service users.

## **11. Service Financial Comments**

11.1 The service will continue to ensure that Planning Enforcement remains within budget. The Team Currently has three Planning Officers and a Team Leader. Increase in the number of enforcement cases in the last half year has been in part due to the reduction in staff numbers but also the undertaking of formal enforcement action for a large number of cases especially with the lodgement of an unusually high number of appeals against enforcement notices.

## **12. Use of appendices**

Appendix 1 - The number of open cases by the year received

Appendix 2 – April-Dec 2011 Performance indicators

Appendix 3 - April-Dec 2011 Outcomes of Planning Enforcement Closed Cases

Appendix 4 – Table showing planning enforcement prosecution & caution outcomes

## **13. Local Government (Access to Information) Act 1985**

13.1 Case files held by the Team Leader for Planning Enforcement

## **14. Planning Enforcement Performance**

14.1 Appendix 1 provides a table showing cases still open by the year the case was opened. Our current caseload is 293. These include 193 cases received in 2010/11 which remain open. 48 cases received from before April 2010 and 100 from before April 2011 remain open maintaining the relatively low level of older cases. 6 cases opened before 2007 remain open and non compliant. All of these cases are at an advanced stage and actions against these are ongoing. The overall caseload remain manageable as they have done since 2009-10. The sustained caseload management is encouraging especially given the loss of 1.5 members of staff, a subsequent increase in the overall workload for existing staff and the very high degree of formal enforcement action and appeal work undertaken in the first three-quarters of 2011-12.

14.2 Appendix 2 deals with Planning Enforcement's performance indicators. Performance remains broadly consistent across the suite of indicators. There has been a slight decline in the proportion of cases resolved within 8 week and 6 month. However this is largely explained by the resolution of a significant number of older cases which lies

outside of the 6 month bracket and the recent concentration on formal enforcement action.

- 14.3 Customer feedback response remained very low and did not provide any real insight into general perception by service users. It is considered necessary to discuss with Service Management how the response rate could be improved going forward.
- 14.4 Appendix 3 is a table of closed cases in the first three quarter of 2011/12 by outcomes. Of the cases closed 55% were due to no breach, or those allowed under permitted development rights. Of the cases closed, only 7% was due to immunity from enforcement action. It is worth noting that this is less than half the proportion that was typically reported three years ago. It is suggested that the huge reduction in backlog cases and the improvements made with regard to background investigations prior to opening cases through liaising with other service providers and sharing of information have played a significant part in this reduction.
- 14.5 In 18% of the cases closed, it was considered that enforcement action was not expedient, a figure which has been broadly consistent over the last two years and 20% were closed as a result of compliance, remediation or regularisation of the development including formal enforcement action maintaining the quarter figure.
- 14.5 Appendix 4 is a table of planning enforcement prosecution and caution outcomes. As shown on this table, good process through prosecution cases has been made. During the three quarters of 2011-12. The total fines accrued for convictions was £37,400 and the total costs awarded to the Council was £6,331. Costs recovered by the Council when defendants accepted simple cautions in lieu of prosecution was £11,412.

### **Other matters**

- 14.6 During the 2009-2010 Development Management undertook a process of revoking Established Use Certificates at several properties where it was found that the evidence submitted which led to their issue was false. Enforcement Action was taken in the autumn of 2010 and the following progress has been made:
- 10 Hampden Lane N17 Prosecuted and convicted. Notice now complied with
  - 69 Roseberry Gardens Enforcement Appeal withdrawn. Notice complied with
  - 13 Harringay Gardens Enforcement Appeal withdrawn. Notice now in breach
  - 82 Warham Road Enforcement Appeal allowed. Case closed
  - 49 Warham Road Enforcement Appeal withdrawn. Notice now complied with
- 14.7 It is worth noting that the decision to revoke has been upheld on all of the above. 82 Warham Road was allowed due to material planning considerations outweighing development plan policy. The grounds of challenge which if successful would undermine the decision to revoke the Certificates have been upheld on each appeal or the appeal has been withdrawn. The Planning Inspectorate has awarded costs against the appellant for this appeal and at 13 Harringay Gardens with a further cost application outstanding for 49 Warham Road.

**\*Of the 6 open cases pre 2007**

- 1 warrant case
- 2 both 2<sup>nd</sup> convictions secured against the same owner
- 1 cases referred to Crown Court for confiscation proceeding under Proceedings of Crime Act (POCA) (2 further cases also referred). Outcome anticipated by Spring 2012
- 2 appeals against re-issued Enforcement Notices- Public Inquiries held in February 2012

It should be noted that all of the above cases deal with unauthorised conversion of houses into multiple self-contained units. Underlining that both the enforcement of and achieving compliance with regard to such breaches can be a lengthy and resource intensive process.
