From: Enforcement Response Officer (Noise)

Name of Officer preparing representation: George Roberts

cc: Team Leader Enforcement Response, Derek Pearce

Our Reference: WK/000210597

Date: 17th February 2012

Premises: 369 Green Lanes, Hornsey, London, N4 1DY

Type of application: New

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to make representations to the Application

The operating schedule does not address the prevention of public nuisance from:

- airborne entertainment noise
- Noise generated by patrons in external areas of the premises
- Noise from patrons exiting the premises
- Noise generated from deliveries
- Noise generated from refuse collections
- Noise from plant and machinery
- Light nuisance
- Cooking odour

The proposed operating hours are inappropriate due to the close proximity of residential dwellings

Supporting Information

No record of any enforcement actions taken by our team against premises.

If the sub-committee were to grant this application then we would recommend the following alterations/conditions to the operating schedule:

Prevention of nuisance from noise

All doors and windows will remain closed during the licensed regulated entertainment activities or in any event after 11pm. The entrance door will be fitted with a self-closing device and staff required to ensure that it is not propped open. A member of staff shall be made responsible to ensure the door is opened for as brief a period as possible. Where necessary adequate and suitable mechanical ventilation should be provided to public areas

Sound limits

The licensee shall ensure that no music played in the licensed premises is audible at or within the site boundary of any residential property

Outside Areas

No regulated entertainment will be played in, or for the benefit of patrons in external areas of the premises

No form of loudspeaker or sound amplification equipment is to be sited on or near the exterior premises or in or near any foyer, doorway, window or opening to the premises

Signs shall be displayed in the external rear area requesting patrons to recognise the residential nature of the area and conduct their behaviour accordingly. The management must reserve the right to ask patrons to move inside the premises or leave if it is felt that they could be disturbing neighbours

The external rear area can only be used during the following times:

Sundays from 10am to 9pm

Monday to Thursday from 8am to 9pm

Friday and Saturday from 8am to 10.30 pm

Deliveries and collections.

Deliveries and collections associated with the premises will be arranged between the hours 8am to 6pm Mondays to Saturdays so as to minimise the disturbance caused to the neighbours

Glasses will be collected from the external area at the beginning of the day rather than at closing time when neighbours in close proximity might be unduly disturbed

Empty bottles and non-degradable refuse will remain in the premises at the end of trading hours and taken out to the refuse point at the start of the working day rather than at the end of trading when neighbours might be unduly disturbed

Plant and machinery

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise

Patrons entering/exiting premises.

Signs should be displayed requesting patrons to respect the neighbours and behave in a courteous manner

Prevention of Nuisance from Odour

All ventilation and extraction systems shall be correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from odour.

Prevention of nuisance from light

Security lights will be positioned to minimise light intrusion to nearby residential premises

Dear Daliah,

Planning Enforcement note that there is a 1987 planning permission for change of use to a take-away. This use then A3 also incorporated bars and cafes which are now under A3 and A4 respectively. Although a take way is now classed as A5, a change of use to either A3 or A4 is allowed under the Use Classed Order 1987 (as amended in 2005).

Accordingly the change of sue is allowed and Planning Enforcement have no objection to this licence application.
