

SUMMER 2012

SUMMER FUN

○ CHILDREN ○ YOUTH ○ FAMILIES ○

The College of
Haringey, Enfield
and North East London

Introduction

This booklet tells you about lots of activities, events and workshops that are happening all over Haringey this summer. There are things in here for teenagers, for younger children and also some family events.

Some events are being run directly by Haringey Council, and some are being run by other organisations. If you have any questions about the activity, please check with the contact listed.

We've organised the booklet into the types of activity you can do:

Get moving!.....sports, team games, exercise	Page 3
Make stuff!arts and crafts, fashion and beauty	Page 37
Perform! ...acting, dance, music, dj'ing	Page 49
Media matters....film-making, radio, music production	Page 63
Skill up....CVs, driving, life skills	Page 67
See stuff!...events, exhibitions and fun days out	Page 71
Playschemes, summer camps and youth groups	Page 75

Do I need to book?

Mostly you can just turn up on the day. But for some activities you need to register in advance – either by contacting the organisation that's running the activity, or by registering on Youthspace.haringey.gov.uk. All information is under the activity entry, so please check this carefully.

Do I need to pay?

Some activities are free and some have a fee – again please check the activity entry carefully.

Can I take part if I have a disability?

A lot of our activities are accessible for young people with disabilities. We've included details where we can, but please always double check with the contact person listed.

Foreword

What better place than London to be a young person this summer? The Diamond Jubilee celebrations have already showcased our fantastic city and the Olympic and Paralympic Games will demonstrate again that unquestionably, we live in one of the best capitals in the world.

And here too in Haringey, our own part of London, there's a lot going on over the summer for young people and children. I'm delighted that we've been able to invest extra funding as part of the council's commitment to the borough's young people and bring together such a diverse range of summer activities. I'm particularly pleased that all the activities on offer are what young people themselves have told us they want to do during the six week break. From film making and acting to a multitude of different sports sessions, there's even the opportunity to learn to drive.

Lots of parents and carers also told us that arranging additional childcare can be a real headache whilst they continue to go out to work. That's why we've covered playschemes and summer camps in this booklet too. But make sure you don't leave it until the last moment to book a place, they're snapped up quickly.

We haven't been able to include everything that's going on in Haringey this summer. Some activities were still being finalised as we went to print and we've got a few surprises up our sleeves to help make Haringey the place to have fun this summer. Make sure the entire family checks

Have a great summer.

Booking Turn up on the day

Summer activities 2012 registration form

For most of the activities taking place this summer you can just turn up on the day, but for some activities you need to register in advance – either with the people running the activity, or via Youthspace. Make sure you check the details and contact the right person. You can check in this booklet, and on the What's On calendar on Youthspace.

If the activity asks you to register via Youthspace, you can fill in the form on the website – www.youthspace.haringey.gov.uk - or fill in this paper form. Make sure you have the right activity code. We'll email back to you to let you know if you have a place or not.

Please note that parental consent is required for anyone under 16 who wishes to attend an activity.

For more info about how we keep your personal info safe see our privacy statement on Youthspace.
