## 1. Haringey Constitution

- As laid out in Part 4, Section G of the Haringey Constitution, the Overview and Scrutiny Committee shall undertake scrutiny of the Council's budget through a Budget Scrutiny process. The procedure by which this operates is detailed in the Protocol covering the Overview and Scrutiny Committee.
- Also laid out in this section is that the Chair of the Budget Scrutiny Review process will be drawn from among the opposition party Councillors sitting on the Overview and Scrutiny Committee. The Overview and Scrutiny Committee shall not be able to change the appointed Chair unless there is a vote of no confidence as outlined in Article 6.5 of the Constitution.

## 2. Overview and Scrutiny Protocol

 The Overview and Scrutiny Protocol lays out the process of Budget Scrutiny and includes the following points:

- The budget shall be scrutinised by each Scrutiny Review Panel, in their respective areas. Their reports shall go to the OSC for approval. The areas of the budget which are not covered by the Scrutiny Review Panels shall be considered by the main OSC.
- A lead OSC member from the largest opposition group shall be responsible for the co-ordination of the Budget Scrutiny process and recommendations made by respective Scrutiny Review Panels relating to the budget.
- Overseen by the lead member referred to in paragraph 9.2, each Scrutiny Review Panel shall hold a meeting following the release of the December Cabinet report on the new 3-year Medium Term Financial Plan. Each Panel shall consider the proposals in this report, for their respective areas. The Scrutiny Review Panels may request that the Cabinet Member for Finance and Sustainability and/or Senior Officers attend these meetings to answer questions.
- Each Scrutiny Review Panel shall submit their final budget scrutiny report to the OSC meeting in January containing their recommendations/proposal in respect of the budget for ratification by the OSC.
