REPRESENTATION**

## Licensing Consultation

To: Licensing Officer

From: Enforcement Response Officer (Noise)

Name of Officer preparing representation: George Roberts

cc: ~~Team Leader Enforcement Response, Derek Pearce~~

---

Our Reference: WK/000241639

Date: 22nd February 2013

Premises: La Barca, 685 High Road, Tottenham, London, N17 8AD

Type of application: New

---

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to make representations to the Application

The operating schedule does not address the prevention of public nuisance from:

- airborne entertainment noise
- Structure borne noise or vibrations from entertainment
- Noise generated by patrons in external areas of the premises
- Noise generated from patrons queuing to enter
- Noise from patrons exiting the premises
- Noise generated from deliveries
- Noise generated from refuse collections
- Noise from plant and machinery
- Cooking odour

I would strongly recommend that all licensable activities cease no later than 0200 hrs. The proposed operating hours are inappropriate due to the close proximity of residential dwellings and potential of new noise sources in areas that have previously enjoyed peace and quiet after 0200 hrs.

The noise caused by patrons exiting the premises and locating suitable transport home is likely to be detrimental to the residential amenity. This may be exacerbated by the inability of the premises to contain noise generated from regulated entertainment

Supporting Information

Date reported & time	Subject	Observations & time	Outcome	Our Ref
31/10/10 @0211 hrs	Loud Music	@0340 Officer attended location – Noted premises open and playing loud live music and alcohol consumption observed – Officer then spoke to DPS who stated it was a private function – Officer stated premises should have shut at 0030 hrs and had no entertainment licence – Advised that report to be made and instructed to turn music down and ask customers to leave quietly	Licensing Warning Letters re unlicensed sale of alcohol + unlicensed late night refreshment + unlicensed regulated entertainment	WK175215 (1)
19/2/11 @0015 hrs	Pro-Active Visit	Premises was closed at the time of visit and shutters were fully shut	No Action Required	WK175215
27/2/11 @0012 hrs	Pro-Active Visit	Premises open but no noise heard from outside.	No Action Required	WK175215
5/3/11 @2330 hrs	Pro-Active Visit	Premises open and playing loud music - Manager produced documentation relating to TEN application and permission for regulated entertainment - Officer checked records and it was on the list - No further action	No Action Required	WK175215
12/2/12 @2328 hrs	Loud Voices	@2335 hrs Visit made – No noise heard – No further action	Statutory Nuisance Not Established	WK175215 (2)
18/12/12 @ 2210 hrs	Construction Noise	@2336 hrs Visit made - Noise did not occur at the time of visit and officer observed no builders at premises.	No Action Required	WK238812

This representation recommends that the following alterations/conditions to the operating schedule:

### **Operating hours**

That the premises closes no later than 0200 hrs

That regulated entertainment ceases at 0130 hrs

Reason: The close proximity of residential dwellings and potential of new noise sources in areas that have previously enjoyed peace and quiet after 0200 hrs.

### **Prevention of nuisance from noise / vibration**

All doors and windows will remain closed during the licensed regulated entertainment activities or in any event after 11pm. The entrance door will be fitted with a self-closing device and staff required to ensure that it is not propped open. A member of staff shall be made responsible to ensure the door is opened for as brief a period as possible. Where necessary adequate and suitable mechanical ventilation should be provided to public areas

Entry to the premises will be restricted to front entrance whilst the premises is being used for regulated entertainment licensed activity

Entrance/exit from the premises whilst regulated entertainment licensable activities are ongoing shall be via a lobbied door to minimise noise breakout.

The regulated entertainment licensable activity shall conclude 30 minutes before the premises is due to close to prevent excessive noise breakout as the premises empties

### **Other doors e.g. fire doors**

All other windows/doors/shutters will be fitted with an alarm that instructs staff when the door has been opened

### **Structure borne noise**

All speakers are mounted on anti-vibration mountings to prevent vibration transmission of sound energy to adjoining properties

### **Sound limits**

The licensee shall ensure that no music played in the licensed premises is audible at or within the site boundary of any residential property

All regulated entertainment amplified activity will utilise the in-house amplification system, the maximum output of which is controlled by the duty manager

The level of amplified regulated entertainment shall be controlled by means of a limiting device set at a level which upon request may be agreed with the licensing authority. It will be a responsibility of the Premises Licence holder to request assistance, in writing and to ensure that the limiter is working effectively.

## **Outside Areas**

No music will be played in, or for the benefit of patrons in external areas of the premises

No form of loudspeaker or sound amplification equipment is to be sited on or near the exterior premises or in or near any foyer, doorway, window or opening to the premises

Signs shall be displayed on the frontage requesting patrons to recognise the residential nature of the area and conduct their behaviour accordingly. The management must reserve the right to ask patrons to move inside the premises or leave if it is felt that they could be disturbing neighbours

The frontage will be closed and patrons requested to come inside the main structure of the premises at 2300 hrs

## **Deliveries and collections.**

Deliveries and collections associated with the premises will be arranged between the hours 08:00 and 18:30 Mon- Sat, so as to minimise the disturbance caused to the neighbours

Empty bottles and non-degradable refuse will remain in the premises at the end of trading hours and taken out to the refuse point at the start of the working day rather than at the end of trading when neighbours might be unduly disturbed

## **Plant and machinery**

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise

## **Dealing with complaints**

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include, where disclosed, the complainant's name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers

## **Patrons entering/exiting premises.**

There will be no queuing outside the premises.

Where people queue to enter the premises a licensed door supervisor shall supervise and ensure the potential patrons behave in an acceptable manner

## **Door supervisors**

To prevent disorder and damage to be required on Friday & Saturday and also on nights when TENS apply when any regulated entertainment starts through to the close of premises

When the premises turn out, a licensed door supervisor shall supervise patrons and ensure they leave in a prompt and courteous manner, respecting the neighbours.

A licensed door supervisor will be positioned on the exit door to ensure, as far as reasonably practical, that patrons do not leave drinks.

A licensed door supervisor will patrol the curtilage of the premises to prevent patrons urinating in public areas in the vicinity of the premises.

## **Prevention of Nuisance from Odour**

All ventilation and extraction systems shall be correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from odour.
