Notes for Guidance

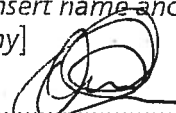

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate. Indoors may include a tent.
3. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises please tick on, if you wish people to be able to purchase alcohol to consume away from the premises please tick off. If you wish people to be able to do both please tick both.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
12. Where there is more than one applicant, both applicants or their respective agents must sign the application form.
13. This is the address which we shall use to correspond with you about this application.

From: Enforcement Response Officer (Noise)

Name of Officer preparing representation: **GEORGE NICOLAOU**

cc: Team Leader Enforcement Response, Derek Pearce

Our Reference: WK/000246015

Date: 18th March 2013

Premises: Shop, 108 Alexandra Road, Wood Green, London, N8 0LJ

Type of application: **New**

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to make representations to the Application

The operating schedule does not address the prevention of public nuisance from:

- Noise generated from deliveries
- Noise generated from refuse collections
- Noise from plant and machinery
- Light nuisance

This representation recommends that the following alterations/conditions to the operating schedule:

Deliveries and collections.

Deliveries and collections associated with the premises will be arranged between the hours 08:00 and 20:00 so as to minimise the disturbance caused to the neighbours, except for the delivery of newspapers.

Plant and machinery

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise

Dealing with complaints

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include, where disclosed, the complainant's name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers

Prevention of nuisance from litter

Adequate receptacles for use by patrons will be provided. The positioning of the receptacles will be agreed with the licensing officer

Prevention of nuisance from light

Illuminated external signage shall be switched off when the premises is closed

Security lights will be positioned to minimise light intrusion to nearby residential premises

Subject: RE: New Premises Licence Application - Wood Green Mini Market, 108 Alexandra Park Road, N8 (WK/246015)

I would like to make a representation on behalf of Trading Standards regarding the above application in relation to the potential sale of alcohol to underage children.

The measures outlined in Section P(e) – Protection of Children are not detailed enough

Measures that we would expect to see in place are detailed below:

- All relevant staff must be trained in the prevention of underage sales including; knowledge of the law and guidance on how to assess age and recognise acceptable ID. Such ID must bear a photograph, date of birth and a holographic mark
- To keep a written record of staff training confirming they have understood the legal requirements

Kind regards,
Karen

Subject: Wood Green Mini Market

To whom it may concern,

As a councillor for Noel Park, I would like to object to a supply of alcohol licence being granted for the Wood Green Mini Market.

As you will be aware, anti-social behavior – often involving alcohol – is a major issue in Noel Park. I believe this will be exacerbated if this license is granted for this reason:

The proposed location of the Wood Green Mini Market is extremely close to two alleyways: St Martins Walk and Hazel Mews. These areas are already used for anti-social behaviour and it is highly likely that they will become off-site drinking areas.

Please can someone from the licencing team call me to discuss the procedure for this application?

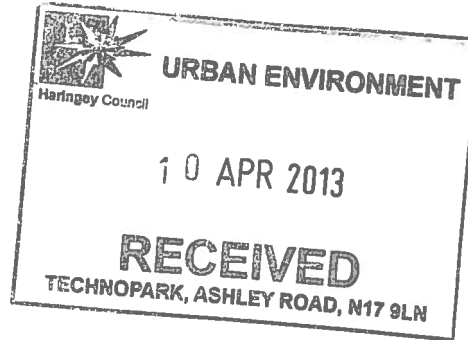

Many thanks,
James

To whom it may concern,

**Objection to the licensing application of Wood Green Mini-Mart,
(the old Pet Shop) 108 Alexandra Road London N8 0LJ**

I am writing to register an objection to the application for a premises licence by the above proposed convenience store to sell alcohol for consumption off site between 7am until 11pm Sunday to Saturday. The basis for this opposition is that granting a license will not promote the licensing objectives as stated in the Licensing Act 2003, particularly the prevention of public nuisance, crime and disorder and public safety.

If granted, a license would provide a further source of alcohol in an area already so heavily populated with licensed premises, late-opening betting shops and amusement arcades that crime, disorder and public nuisance have already reached problem levels for the local police, despite the use of ASBOs to stop youths congregating outside these premises.

If granted, it is very likely that off-site drinking will occur in the two local alleyways next to the store, which are already dirty and often used as urinals by passers by. In addition, drunken behavior in these alleyways will intimidate local residents some of whom need to walk down one of the alleyways to enter their homes.

The area around the premises is densely populated, with no other nearby shop that sells alcohol so late or so early. It is reasonable to expect that many local consumers of alcohol from this estate and the surrounding streets will converge on this shop. Again, this can create potential problems.

The period for objecting to the licence ends on 14th April. I and other residents would like you to raise an objection on our behalf on the above grounds.

Yours sincerely

108 Alexandra Road London N8 0LJ**

Dear Mr/Madam,

I am writing to register an objection to the application for a premises licence by the above proposed convenience store to sell alcohol for consumption off site between 7am until 11pm Sunday to Saturday. The basis for this opposition is that granting a license will not promote the licensing objectives as stated in the Licensing Act 2003, particularly the prevention of public nuisance, crime and disorder and public safety. Full details of the objections are shown in the document attached, but here is a brief summary:

If granted, a license would provide a further source of alcohol in an area already so heavily populated with licensed premises, late-opening betting shops and amusement arcades that crime, disorder and public nuisance have already reached problem levels for the local police, despite the use of ASBOs to stop youths congregating outside these premises.

If granted, it is very likely that off-site drinking will occur in the two local alleyways next to the store, which are already dirty and often used as urinals by passers by. In addition, drunken behavior in these alleyways will intimidate local residents some of whom need to walk down one of the alleyways to enter their homes.

The area around the premises is densely populated, with no other nearby shop that sells alcohol so late or so early. It is reasonable to expect that many local consumers of alcohol from this estate and the surrounding streets will converge on this shop. Again, this can create potential problems.

The period for objecting to the licence ends on 14th April. I and other residents would appreciate a response to the above concern's/worries and to be informed of any decision when made.

Yours Sincerely

****I have enclosed a petition, signed by residents which indicates the support of the objection to this application***

FULL DETAILS OF OBJECTION

The proposed application states that the premises are allowed to sell alcohol for consumption off site between 7am until 11pm Sunday to Saturday. Granting a license would provide a further source of alcohol in an area already so heavily populated with licensed premises, late-opening betting shops and amusement arcades that crime, disorder and public nuisance have already reached problem levels for the local police.

For example, at the Turnpike Lane end of Wood Green High Street, the anti-social gatherings of youths outside the four betting shops in this area have led the police to hand ASBOs to a number of youths. However the youths still gather outside each shop, which suggests, despite their best efforts, the police cannot deal with the problem. And neither can the shop companies.

We believe the exact same situation will occur outside the convenience store and it will be just as difficult to police. In fact, given the location of the store off the main road, the situation could be even worse.

Also, there is the very close proximity of the store to two well-known local alleyways, St Martins Walk and Hazel Mews. Hazel mews contains the back entrances to many shops and the front entrances to many flats in it. However, it is not well lit, often has huge waste bins in it and has a curve in it which means that part of it cannot be seen from Alexandra Road beyond a certain point. St Martins Walk has an alcove and a bench in it which is regularly used by smokers. This would suggest that off-site drinking would take place in both these areas. Both alleyways are already filthy and the recessed areas smell like urinals so public drinking would only add further to these problems. Plus, it will disrupt the daily activities of local residents; especially those who walk down Hazel Mews to get into their homes and shops and the mothers who use St Martins Walk as a shortcut to take their young children to the nearby schools and nurseries.

In addition, the premises is situated in a densely populated area, with the huge housing estate of Sky City just across the road. As there are no other nearby stores that sell alcohol so late or so early, it is reasonable to expect that many local consumers from this estate and the surrounding streets will converge on this shop. Again, this can create potential problems.

Residents in this area already suffer noise nuisance and anti-social behavior at all hours of the day and night. It is totally unacceptable to expect them to have to suffer even more disruption from a license which can be prevented.

**I have enclosed a petition, signed by residents which indicates the support of the objection to this application*

Objection to the licensing of Wood Green Mini-Mart, (old Pet Shop) at 108 Alexandra Road London N8 0LJ

We think licensing of this premises to sell alcohol would be a huge mistake. Locally, incidents of nuisance, crime and disorder have already reached problem levels for the local police. This is despite the use of ASBOs to stop drinkers and youths congregating outside *licensed* premises such as Morrison's Wood Green supermarket and drug dealing outside the William Hills and Ladbrokes betting shops at Turnpike Lane.

The prevention of this license would help to stop the levels of public nuisance, crime and disorder from increasing and stop the local public from feeling even less safe in the area.

Subject: Objection to proposed off licensed for a Mini-market at 108 Alexandra Road N8

Dear Sirs,

I am a local resident, living at 27 Ravenstone Road and I would like to register my objection to the proposed licence to sell alcohol at a mini market in Alexandra Road. There are several reasons for this:

1. This area was one of the spark points for rioting in August 2011, when Boots at the corner of Alexandra Road was one of a number of shops that got smashed up and looted. It was very frightening. I would be most reluctant to see a shop selling alcohol in a residential road close to Wood Green High Road as had it been there then I am sure that it would have spread the rioting into the residential streets as well, with people wanting to get hold of free booze.
2. The off licence opposite Turnpike Lane is often quite frightening to walk past at night, with drunks hanging around there. A lot is being done to try and improve the image of Wood Green and the residential roads that lie between it and Turnpike Lane. An off licence would make another area also feel unsafe, especially as it is so close to the alley way by Boots which is an essential thoroughfare between Wood Green and Hornsey Park Road.
3. It seems likely that it would increase the noise and nuisance as people come out of films in Wood Green. Both Morrisons and Sainsbury offer alcohol close by until quite late at night and these at least are on the High Street and not a residential road.

It is a very good thing to see new businesses coming into the area, although it is sad to see the pet shop go after so many years. It's just the problem with more alcohol, particularly if this was available later in the evening.

I hope you will register my objections.

Yours sincerely,

Deborah Shedden

As a resident of Malvern Road I would like to register my objection to the application for a licence to sell alcohol at the location of what was previously Joanna's fish and reptile shop. A retailer selling alcohol would encourage increased public nuisance and risk to safety in a residential area with many children.

Dear Sir

Re Application for a Premises Licence at 108 Alexandra Road, London, N8 0LJ

We write on behalf of Parkside Malvern Residents Association (PMRA), the registered residents association covering Alexandra Road, in connection with the application for a Premises Licence for the sale of alcohol, seven days a week from 07.00 to 23.00hrs.

The Association was established in 1999, acts by formal constitution and manages the local Sunrise Neighbourhood Watch. The Association is acutely aware of the many problems affecting this corner of our area and has for a number of years been working with Haringey Council councillors, residents, the management of The Mall, social housing landlords and police to address these issues.

The Association wishes to record its objection to this application under the Licensing Act 2003 in keeping with the given criteria: Prevention of Crime and Disorder, Prevention of Public Nuisance, and the Protection of Children from Harm. The off-licence would give rise to substantial public nuisance between the store and the nearby community and should be rejected for a whole variety of reasons, including but not limited to:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

The application site is in a residential area with a community vulnerable to the effects of antisocial behaviour and crime from the nearby town centre. The immediate area was badly affected by the looting and disturbances in Wood Green, following the Tottenham riots in 2011. The harsh physical environment, lack of ownership and purpose of the space between the site and High Road already encourages anti-social behaviour and crime (urinating in the street, street crime and petty vandalism, begging, rough sleeping, drug dealing and burglary). Many residents feel insecure and live in strong fear of crime. The immediate and extended availability of alcohol will add to this, causing harm to a fragile and vulnerable residential community.

The site is located in the sub-area of the ward with the highest incidence of recorded crime and antisocial behaviour is the highest recorded crime in the ward. The sub-ward area covers streets and alleyways of identical character to the vicinity of the site and therefore whatever happens in the near vicinity can be expected to be repeated around the site.

- 2 -

It is common knowledge that consumption of alcohol, particularly by those who are young and frequently under age, fuels antisocial behaviour. Managing the sale of alcohol at its source will not prevent the problem being dispersed into the immediate neighbourhood, particularly the alleyway and mews. One nearby (Dovecote Mews), on the opposite side of the High Road already suffers heavily from this and its adjacency to an off license in Lymington Avenue.

The area suffers from a significant quantity of low quality rented accommodation, where vulnerable people, often with a history of alcohol addiction and mental health problems make their home. The immediate availability of alcohol is part of a 'revolving door' problem that sustains a cycle of poor health, unemployment, isolation, exclusion, and inability to support oneself - often far from family or home culture.

It is common knowledge that consumption of alcohol, particularly by those who are young and frequently under age, fuels antisocial behaviour. In a recent study published by Alcohol Concern, the amount of alcohol drunk by children varies according to how many off-licences are in the area where they live. With some area children already exhibiting problematic and antisocial behaviour, permitting this license to a shop in the immediate locality would be most unwise. Alcohol Concern's chief executive, Don Shenker, in a Guardian article on 3rd September 2011 said: "The increase in hospital admissions among young drinkers is a cause of real concern and it is particularly worrying that the increased number and concentration of off-licences may be contributing to this. Local areas must have the ability to decide for themselves how many licensed premises they allow..."

We already have stores in relatively close proximity to the area that are licensed to sell alcohol. These are on busy streets in the town centre, subject to CCTV and managed by public services, yet there is still a significant amount of anti-social behaviour and crime. The site for which this application is being made, across from and parallel to alleys that are havens for antisocial behaviour, is remote from CCTV and such services, and therefore the adverse effects of alcohol availability on our community will go unmanaged.

Another store of this nature, this time in our own area, our very neighbourhood, and open for longer hours cannot be acceptable, and would only exacerbate an antisocial crime problem. We strongly urge the Licensing Authority to refuse this application.

Yours faithfully

To who may concern,

I am writing this letter to you in regards to 108 Alexandra road N8 0LJ.

This is not a letter to put my concerns forward but to actually support this, I was walking passed this place few days ago and having lived here for a very long time, I was very curious, so I looked through the door and there were builders and also the young gentlemen Mr Onar Bozoglu.

We had a very lengthy conversation and wanted to actually find out exactly what he was doing.

He was a down to earth individual and shared his project with me who I found really interesting, he also told me he will be looking after the neighbourhood and offering security measures such as CCTV externally and internally as well as a well lit store with signs to tackle bad behaviour.

This business will benefit me and family as we live very close by and I suffer from poor health and am a disabled badge holder, we normally travel to Turnpike lane just for a pint of milk or bread so for this to be close to us it is beneficial and I will support this business.

Please forward this onto Mr Onar Bozoglu.

Thank you for taking time to read this and best of luck.

RE: 108 Alexandra Road, London, N8 0LJ

Licensing Team, Noel Park Safe Neighbourhood and Councillors

Firstly I would like to introduce myself, my name is Onur Bozoglu, I am 27 years old, current store manager for EE Wood Green and I have lived in Haringey/Wood Green for 20 years.

As you may be aware, the premises quoted above has recently become available to the market and I have expressed my desire by filing for all relevant licensing and leases, if successful I would like to turn the premises into a local mini market, which through various types of market research, most notably data collected from Alexandra Road, Hornsey Road and through employees of several outlets on Wood Green High Street is something the area and the locals are in favour off and is needed as the main sources of produce, daily and basic essentials are quite some distance from the streets mentioned above.

I am well aware of the history of the building, its traditions and more importantly some concerns from Local MP's and Councillors regarding the two alley ways by the premises and also current and potential Anti-Social Behaviour and Public Nuisance. I would like to thank you all for your concerns, being a local and working in Wood Green (100 meters from the premises) I know about current Public Nuisance and Anti-Social Behaviour within Wood Green, more notably by betting shops, late night cafes and also snooker clubs. I pledge to work with Haringey Council, Noel Park Safe Neighbourhood and the Local Community to ensure that any type of public disorder, nuisance and anti-social behaviour is tackled and kept at a minimum.

In this paragraph, I would like to talk about the current objections received for 108 Alexandra Road, the Licensing Act 2003 and also how I, along with my staff plan to tackle the following:

- *The prevention of crime and disorder,
- *The prevention of public nuisance
- *Public safety at licensed premises

* Protection of children from harm

Being a store manager at EE I have been trained and participated in various Human Resources, Ethical and Customer Services courses which have given me the necessary skills to liaise with customers, members of the public and how to defuse and affect outcome of potential difficult situations.

I would like to briefly outline why 108 Alexandra Road, if turned into a mini market will not affect in a negative way the four criteria's noted above, and the measures that I as a proprietor will take to ensure that these criteria's are not breached.

To prevent crime within the local area I pledge to install CCTV both inside and outside the premises. The CCTV will be in colour and also with infra-red for night vision purposes. CCTV will be maintained, kept in good working order and regularly checked to ensure it is constantly working 24 hours a day, 7 days a week. As per the concerns of Local Councillors regarding the two alley ways, I will have CCTV clearly covering both alley ways, Boots and the beginning of Alexandra Road which is the turning point of Wood Green High Road.

CCTV will be recording 24 hours per day as stated, in which the police will have full access and all recordings will be stored and referenced too within a least a calendar month as required per licensing agreement. A clear and legible notice outside the premises will be clearly shown to state trading hours and licensing hours. Trading before or after licensing hours will not be permitted.

I intend to make the shop front and inside as well lit as possible, the shop sign will be colourful and bright and I pledge to make the mini market family friendly and hazard free.

To combat criminal activity and prevent anti-social behaviour, I will have clear and conspicuous notices stating warning that any criminal activity and anti-social behaviour and theft will be reported to the police along with CCTV recording

I along with my members of staff will be fully aware and trained on alcohol sales. We will enforce a strict 'Challenge 21' policy. I am very passionate about not selling alcohol illegally and will have posters around the premises, especially by the till and alcohol section with a 'Challenge 21' poster. As an Alcohol Licences holder I, along with my staff will refuse service if no prove of ID is shown. To further track this we will enforce an 'Incident' or 'Refusal' book with dates, times and descriptions of any member of the public seeking to purchase alcohol either by deceit or via failure to prove its age. Myself and my staff will also be fully Health and Safety and first Aid trained, public and customer safety trained and again to reiterate, fully alcohol trained.

My staff and I will not tolerate any harassment, racism and violence, physical or verbal and will refuse service to anyone who may be heavily alcohol consumed or drug consumed. I vow to not sell to any individual in these circumstances and will report them to the police.

To Prevent Public Nuisance, I will adhere to the licensing terms which are not to sell beyond my licensing hours. I will display 'Please leave premises quietly' and 'Respect our neighbours' signs both inside and outside the premises.

I enforce a strict no smoking inside or outside the premises and my own staff will smoke at the rear of the premises.

I will ensure that the premises is kept clean and hygienic at all times, this will ensure that the public view it as a place of business and will minimise any public nuisance and public disorder.

I have been in contact with Haringey Council and also SITA for contract talk regarding refuse collections. I will ensure that no refuse is left unattended, on the high street or in close proximity to any local residents. I will ensure this is a priority to not only combat public nuisance but also potential pest, vandalism and looting.

All deliveries will be carried out as per licensing terms to ensure locals are not disturbed.

My staff and I will ensure we arrive on site and leave the site in a manner which does not disturb the local residences or contributes to public nuisance.

I will enforce for the reputation of my business, benefit of local residents and also per objections received, that I will not allow or tolerate any customers standing or gathering outside of the premises, they will be asked to leave the premises quietly.

To increase public safety at the premises I will ensure a fire and risk assessment is put in place to ensure the premises is safe, all sections will be labelled to avoid queues, large gathering and potential hazards. All food, dairy products and frozen products will be regularly checked to ensure they have not past its sell date and again are not at risk to the public. All chemicals will kept high shelved and out of reach from children, any stainless steel cutlery and knives again away from children and ID strictly required for sales of any knives.

I will also ensure that when cleaning, all relevant signs are displayed as to not put any member of public at risk.

Protecting children from harm is a priority for me and my staff. As stated I will keep all sharp items and chemicals away from the reach of children. No adult entertainment displayed at children's reach. Provide fully working and high tech CCTV that will show the high street, Alexandra Road and both alley ways to ensure that no anti social behaviour is taking effect and also that no children are at harm, consuming alcohol or part taking in drug use. My staff and I will refuse to sell to anyone member of the public under the age of 21 and will not gain a reputation or a name as a Mini Market that sells to under 21's.

As a proprietor I will dedicate my time, effort to ensure myself and my team give the upmost respect to our customers, members of the public and local residents.

I'm very passionate about opening this business and have taken into account all feedback and objections. I would like to state that I have already liaised with The Noel Park Neighbourhood and put through my plans on how to tackle any potential anti-social behaviour. I believe with the premises being occupied, well lit with 4 members of staff daily on site and numerous CCTV showing both alley ways and beyond will help tackle anti social behaviours, public nuisance and crime. I vow to adhere to my licensing terms and operate on a strict over 21's alcohol sale policy.

All objections put through have rightfully so stated crime, anti-social behaviour and crime, yet these entire objections can be tackled with the right measures which I have briefly detailed on this statement.

I would like to state just what my Mini Market would bring to the area.

*Job opportunities for locals

*Family friendly mini market

- *Daily essentials available
- *Local owner, who is passionate about the area
- *Neighbourhood watch
- *Fund raisers and local charity events

I invite you all too please contact me on my mobile showed below or meet in person so we can discuss how we together can improve Alexandra Road, give the local community something back and together tackle and combat crime, anti-social behaviour public nuisance.

I look forward to hearing from you in the near future,

Yours Sincerely,

Mr Onur Bozoglu
