**Purpose: To agree a proposed Code of Conduct.**

**Recommendations:**

**That the proposed Code of Conduct be approved.**

## **1. Schools Forum**

- 1.1. Forum members will recall that there were some concerns raised at the last meeting regarding discussions of confidential Forum business outside of the meeting. Consequently a request was made for a Code of Conduct to be produced.
- 1.2. A suggested code is attached at Appendix A , which would form an Appendix to the constitution.
- 1.3 The code is based on Haringey's conduct for elected Members at meetings and the ten principals of selflessness, honesty and integrity, objectivity, accountability, openness, personal judgement, respect for others, duty to uphold the law, stewardship, and leadership. Additionally a section on confidentiality is proposed.
