## 5. REPORT

### Background

**5.1** The Government has introduced an order under the Gaming Act 1968 to increase the stakes and prizes for amusement with prizes machines. This change came into effect on 27<sup>th</sup> October 2006 on the understanding that all the main industry associations will introduce enhanced voluntary codes of social responsibility.

**5.2** Section 34 of the Gaming act 1968 provides for two types of gaming machines which are:

(1) Amusement with Prizes 'coin or token' ie maximum stake 50p and maximum prize £5 cash or £8 non cash (Section 34(1) Gaming Act 1968)

(2) Amusement with prizes 'all cash' i.e. maximum stake 50p and maximum prize £35 (Section 34(5E) Gaming Act 1968).

The relevant statutory provisions are set out in Section 34 and Schedule 9 Gaming Act 1968 as amended by Licensing Act 2003 Schedule 6, paragraph 52 and Gambling Act 2005 Schedule 16, paragraphs 3 (7) and 8.

1. The premises must be licensed under the Licensing Act to sell alcohol
2. The AWP machines must be located on these licensed premises and there must be a bar for serving alcohol to customers on the premises.
3. A Premise License holder is a person holding a Premises License under the Licensing Act 2003.

This matter is brought before the committee as the applicants are Applying for more than 2 machines. There is no statutory limit to the number of machines allowed. The Government suggests that hearings should not be required where no more than two machines are applied for. It is standard procedure to bring before the committee any application that is requesting more than 2 machines. These premises had a permit for less machines previously granted by the Magistrates.

**5.3** This permit will only be active until September 2007 and will need to be applied for again after that time when the Gambling Act comes into force.

**5.4** Attached for Members information is the Code of Practice on Responsible Management.

**5.5** Finance

An application for a Section 34 permit cost £32 irrespective of the number of machines being applied for.

## IMPLEMENTING THE CODE OF PRACTICE

### 1. Age Control Policy

1.1 All units should have an Age Control Policy – ie. *no under 18s play* - to be implemented by staff in the event of an all cash machine being played by a person or persons under the age of 18 years. It is recognised that this may need to vary slightly in order to suit the needs of particular venues, but it is likely to contain the following elements:

- (a) Staff should challenge any player(s) they suspect of being under the age of 18 by asking for proof of age, eg. A PASS approved Proof of Age Card, passport or driving licence;
  - (b) In the event that the player(s) are underage, they should be told in clear terms that they are not permitted to play the machine;
  - (c) Any under age player(s) should be asked to leave the premises if they persist in playing the machine despite being advised of the *no under 18s play* policy.
- 1.2 Any adult who is knowingly or recklessly allowing a child or young person to gamble should be asked to stop. If they refuse to do so, they should be not be allowed to continue playing the machine themselves and/or asked to leave the premises.

### 2. Supervision of Machines

2.1 Machines should be located where they can be supervised effectively by staff.

### 3. Signage

- 3.1 All machines must display the updated “no under 18s to play” sign which carries the Gamcare Helpline Number and information on percentage payout.
- 3.2 Machines will not be converted by suppliers to the new prize level of £35 unless they display this sign.
- 3.3 Machine suppliers will provide a copy of this Code to retailers in conjunction with good practice under the BACTA Code of Practice for Machine Suppliers.
