

# **URGENT BUSINESS SHEET**

**Report Title: SCRUTINY REVIEW OF HOUSING LETTINGS POLICY**

**Committee: Overview & Scrutiny Committee**

**Date: 29 January 2007**

**The report is late because the Panel was anticipating updated guidance from the Information Commissioner's Office on the secondary use of personal data as part of a general view to the use of personal information by public bodies. This guidance could have implications for recommendations contained in the report.**

**The report is too urgent to await the next meeting because this phase of the review builds on original report that was agreed by Overview & Scrutiny Committee in September 2006 and it is important that the report and recommendations are considered by the Committee for consideration by the Executive.**
