This is a further statement with regards to Police and community objections for the forthcoming application for the sale of Alcohol at 'Polish Food and Wine' 78 High Road, Tottenham, N15 by Mr Haci Korkut.

Since the last hearing the problems associated in and around the Wargrave vicinity have not gone away and if anything are worse than ever. The Safer neighbourhood team I am apart of does not have the capacity resource wise to deal with the low level anti social behaviour being displayed by the members of the Polish Community. This is clearly evidenced by one of the local residents who has kept a diary of all anti social behaviour since the last hearing. The diary covers the area at the top of Wargrave Avenue from High Road to No 10 Wargrave.

21st November(Date of rejection)

Drunk Eastern European males vomiting in the street which has not been cleared up. This has now began to attract rats and pigeons.

Large groups purchasing alcohol and using the road as a meeting place, throwing rubbish in the form of glass bottles, cans and uneaten food on the pavements and in the gardens on a regular basis.

3rd December between 9-11pm

Outside No1 Wargrave, three men and two girls drinking alcohol and smoking and snorting drugs.

6th December

Man lying in the front garden of No 3 Wargrave, could not tell if he was dead or drunk however next day found out he was blind drunk and had vomited all over the front garden.

Signature: Signature witnessed by:

Continuation of Statement of **Gareth Coffey PC 235YR**.....

10th December

Five men drinking and asking passers by on the High Road for money. Some people gave these males money and they were again seen to purchase strong alcohol with there funds from the shop. Two of these men were then seen to enter the alleyway which has a gate on in Wargrave. They left a few minutes later and were seen pulling up there lower clothing.

15th December 6am

Outside No 5 Wargrave, Eastern European males noisily walking up and down the road drinking strong alcohol.

17th December 8pm

Eastern European males with carrier bags full of alcohol fighting outside the residents house. The males were shouting and swearing. One of these males was later seen urinating from the pavement into the front garden of No 6 Wargrave. The resident was too afraid to confront the male.

19th December 7am

Resident woken up by Eastern European males shouting outside Polish Food and Wine. Four males were outside the premises throwing empty cans of alcohol along Wargrave.

Later on in the day the same males were seen slumped outside No 10 Wargrave with 3 bags of alcohol. These males were 'Paraletic' and shouting at members of the jewish Community who were walking along the street.

21st December 3pm

Group of approx 15 Eastern European males congregated outside Polish food and Wine. Most of these males were drunk and abusive to passing members of the public. They were asking people for money and then buying alcohol from the shop at the top of Wargrave.

On this occasion they were moved on by officers but then returned at 10pm where they stayed until approx 3am. There behaviour was extremely loud and many of them ended up fighting in the street. When they eventually left there was approx 50-60 empty cans and vomit all over the pavement.

28th December 8am

Two Eastern European males sleeping on the pavement on Wargrave. Next to them was vomit and a large quantity of empty cans.

Signature: Signature witnessed by:

Continuation of Statement of **Gareth Coffey PC 235YR**.....

29th December between 5pm – 2am

Large group of Eastern European males loitering outside the shop, all of them seemed drunk. Two of these males were seen to openly urinate along the pavement next to Polish Food and Wine. Another male entered the alleyway which had the gate shut. He left a few minutes later fixing his jeans. The resident checked the alley and found a large quantity of empty cans and more disturbingly excrement and fresh urine all over the floor. The resident describes the smell as ‘unbearable’.

3rd January 2007 – 8pm

Two Eastern European Males drunk and holding cans in the middle of the road of Wargrave obstructing passing motor vehicles then shouting and intimidating the drivers. One of these males was seen to openly urinate in the middle of the road.

8th January 5am

Two Eastern European Males and two females congregated outside the shop drinking cans. They were shouting and singing in the street. The same group were again seen at 11am with three carrier bags full of Alcohol. This group was later joined by another six Eastern European Males who carried on drinking and shouting throughout the night. The empty cans were just left on the pavement rolling down the street.

12th January 8:30pm

An Eastern European Male collapsed in the garden of No 6 Wargrave. Woken up by a resident and the male began to vomit all over the garden and the pavement. He then picked up a carrier bag next to him containing Polish alcohol and immediately began to drink again. He walked off from the resident shouting in Polish and began to loiter outside Polish Food and Wine with another group of males.

17th January 1am

Resident woken by large disturbance in the street. Witnessed approx 15 Eastern European Males throwing empty cans of alcohol at each other. One of these males was then witnessed defecating the pavement outside Polish Food and Wine. The excrement was then kicked by another one of the males onto the wall. At 9am the excrement was still there and had dried and was causing another unbearable smell in the area.

Later this day at 7pm another group of Eastern European Males were congregated outside the shop drinking, shouting and swearing until 2am.

Signature: Signature witnessed by:

Continuation of Statement of **Gareth Coffey PC 235YR**.....

21st January 5pm – 9pm

Males seen urinating on the wall next to Polish Food and Wine. These males stayed in the vicinity heavily drinking alcohol from the shop on the corner. All the empty cans were thrown on the floor in Wargrave.

23rd January 7am

Resident again woken by Eastern European Males shouting and swearing in the street. All the males were holding cans of Polish alcohol. One of these males was seen to climb into a front garden and attempt to sleep. He was awoken by the resident who he began to shout at in Polish and threw his empty can at in anger.

This same male was seen 10minutes later urinating over the wall in the same garden.

25th January 8pm

Large group of Eastern European Males drinking cans outside Polish Food and Wine. These males seen harassing passers by for money and then buying alcohol from the shop on the corner opposite Polish Food and Wine. Four full carrier bags were purchased which the group managed to last until just 10pm. Then the same fighting and shouting carried on until approx 1am.

The resident goes on to state that a great number of Eastern European males are consistently still congregating in and around the top end of Wargrave where Mr Korcut is again applying for his alcohol licence. It would appear that the standards of Hygiene and behaviour these males are displaying are not acceptable. As a member of the local Safer Neighbourhood Team I have also noticed the continued anti social behaviour being displayed by these males and have on numerous times had to spend time moving these obviously drunk males on. I have also noticed the extremely strong smell of Urine in and around the Polish Food and Wine shop which has without a doubt worsened in recent months.

I have also noticed excrement smeared on the walls and across the pavement outside the shop which is always next to empty cans of Polish alcohol.

As before this application is opposed by numerous members of the community and is fully supported by the Officers from the Safer neighbourhood team located at St Ann’s Police Station.

Since the last hearing my team have been consistently receiving complaints on a now daily basis from members from our community with regards to the Anti social behaviour being displayed by the members of the Polish Community around the Wargrave Avenue vicinity. As before this is being caused mainly by young males which is a direct result of the Alcohol constantly being supplied to them by these types of premises, with the owners displaying no regard to the dramatic impact this is having on the lives of our community.

Signature: Signature witnessed by:

Continuation of Statement of **Gareth Coffey PC 235YR**.....

As before our residents feel completely intimidated by these groups who are constantly shouting and threatening members of the community around Wargrave Avenue, N15. They have on a number of times been found sleeping in gardens. These males have also been seen wandering in the middle of the road completely oblivious to the dangers of passing vehicles.

As I stated at the last hearing the Alcohol and Drug misuse within this community has been set as a main priority to be dealt with for us and I feel that allowing an application for the sale of Alcohol at 'Polish Food and Wine' 78 High Road, Tottenham, N15 would be a huge set back not only to the community but also the Police force who are having to spend much needed resources and time in dealing with these drunk males. We feel still that at present there are sufficient outlets in the area around Wargrave Avenue for these males to purchase their alcohol.

RESIDENTS REPRESENTATION

6, Wargrave Avenue
South Tottenham
N15 6UD
26-1-07

Dear Sir,

re 24hour Alcohol licence.
Polskie / Polish food and Wine /
78 High Road N15.

I write with reference to the above mentioned premises, who have again applied for a 24hour alcohol licence.

I cannot understand why the applicant has submitted another request for a licence, as he already has a shop a few doors away from 78 High Rd. selling alcohol, and I assume has a current licence.

The area is experiencing a great increase in Anti Social behaviour, and drink related problems. One of the main priorities of our the seven sister's Safer police team being alcohol misuse, which is a direct result of the two shops already selling alcohol since the relaxation of the drink licensing laws, and the influx of the Polish we have had to endure constant drunker behaviour, shouting and being abusive behaviour, making residents life a misery. It goes on day after day night after night and the area is getting totally out of control.

The avenue, our front gardens and pavements are used as urinals, a place to vomit, excrement to spit or just lie blind drunk, to throw empty or half filled bottles or cans, to congregate in gaps with drinks drugs etc for hours and disturbing and frightening the local residents.

Wangpave Avenue and the surrounding streets are in a predominantly residential area as a result of drink and associated vices it has been turned into a notorious and hostile environment for residents, therefore I request that no further licenses be granted

Yours faithfully
Haji Handnan

PLS. License notice has not been displayed correctly, it should be placed on a window, not on the DOOR, and displayed 24 hours.

I object to another 24 hour alcohol licence being granted. Polish Food and wine Polskie. 78 High Rd N15, as he already has another licenced Premises, 88 High Rd N15. only a few doors away. at the moment we have at least 9 selling alcohol within a 1/4 mile radius night day 24 hours 7 days a week. we have anti social behaviours. Men drunk Urinating, being sick, shouting and brawling, outside our homes. Broken bottles carry sick, Urin on our pavements and in our front gardens. I have phoned your office on several occasions, stating that the licence notes on display by Polskie is sited on the front door, there for it is difficult to see or read. It is not on display for 24 hours. There for I consider he has not advertised this application in the correct manner.

Dear Miss Barrett,

We are writing about the 24 HR Alcohol licence for 78 High St N15 Polish Food and Wine which has been applied for by its owners.

Our home is very near to this address in question, and we are already having problems with the Polish community who drink and congregate outside our home each day especially in the evenings to drink then they dump the cans and beer bottles in our front garden and side entrance we have been asking them to move on and not to congregate outside for over an year now they even urinate against cars and -any where they want to.

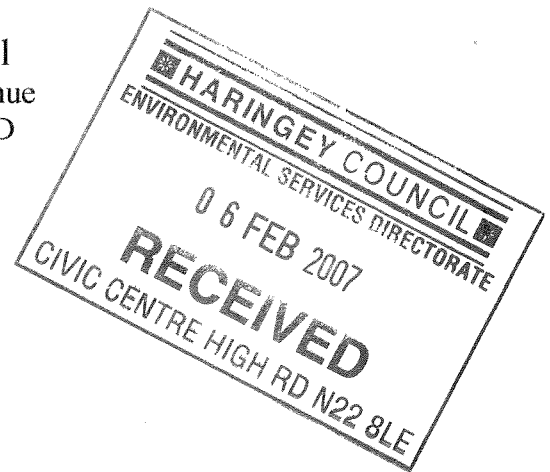

To allow them to open another place to sell more alcohol would be too much so if its possible to reject this application would be welcomed.

There are many places to buy alcohol even the paper shop next door.

Thanking you. let me hear of your decision in due course.

Sincerely yours. William & Amy Ebanks.

Dear Ms. Barrett;

I am writing to you regarding the proposed alcohol licensing of the grocery shop at the corner of Wargrave Avenue, [REDACTED] *POLISH SHOP 78 HIGH RD TOTTENHAM N15*

We, the local residents, are in strong opposition to providing this license to the shop. Since another local shop was awarded an alcohol license, there has been a tremendous increase in drunken and disorderly behaviour in the local area. This has proven disruptive and dangerous, particularly as this area has a high concentration of children.

There has also been an increase in the number of rowdy youth loitering in the neighbourhood at all hours of night and day. They create a lot of noise, disturbing the peace in this residential area. These youth wake up the locals late at night, and thereby disrupt our overall quality of life.

By providing a further alcohol license within the same area, you will be drawing further custom to this area, thereby increasing the anti-social presence in our neighbourhood.

Therefore, we urge you not to provide an alcohol license to the local shop.

Sincerely,

Moshe Samuel

Subject: Objection to Licensing application

6 February 2007

Dear Madam/Sir

I had intended to write in and object to the following application, but although the notice on the premises states 10 February according to the Haringey website the consultation period appears to end on 6 February, hence this email.

There are several reasons for my objection to the application of Polish Food and Wine, 78 Tottenham High Road, N15 6JU for a 24 hour alcohol license.

I have lived on Wargrave Avenue for twenty years and have noticed a significant increase in the number of men drinking on the street over the last year. The men, who I understand are Polish or of other Eastern European origin, often gather at the High Road end of the street and it can be difficult for one to pass them on the pavement. There is already a noticeable increase in the numbers of cans and bottles, which are then broken.

Alcohol is already easily available locally and I am concerned for more shops to sell alcohol, and for longer periods, that there will be an increase in crime and an increased threat to safety.

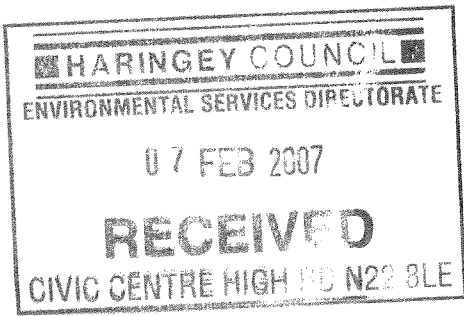

Drinking should not be taking place in the street - it should be in the pub or in the home.

Yours faithfully

Margaret Burr

To the Council of Haringey
Dear Sir or Madam.

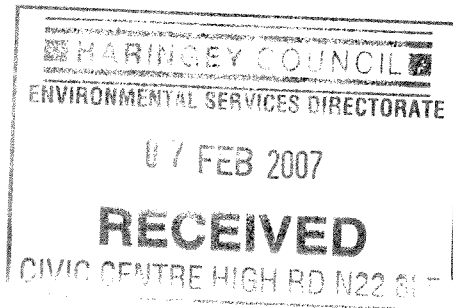

I believe the F8 Shop in the High Rd is trying to obtain an off license for alcohol.

I as a resident of this area I think that we have far too many off licenses. It would be a big mistake to increase availability of alcohol.

Our world is bad enough as it's, we do not need to have plethora of alcohol in this area.

Your sincerely
P. Koutalianos

Dear Ms Barrett,

Re: Application for a licence to sell alcohol at the General Stores at 78 High Road N15

As a local customer of the General Stores at 76 High Road N15, I have been approached by the proprietor, who has told me of his concern about the above application and the adverse consequences on sales for his own shop. As you can see, No.78 is immediately opposite his shop in Wargrave Avenue N15 facing the High Road as his does.

I agree with him that two licensed premises so close together is not desirable, not only for business reasons from his point of view, but he also has concerns that it would encourage a greater possibility of people consuming alcohol on the street and pavements in the immediate vicinity of the two shops to the detriment of the well being of neighbours and himself and his assistants.

On his behalf, I would ask your Licensing Team to reject this application. I have nothing against the Store at No. 78 itself, which serves a very useful purpose in that it seems to stock a rather different range of food produce and goods from that at 76 and therefore, to a degree, the two complement each other. The sale of alcohol in premises so close together would not.

I know the proprietor is very worried about this issue, and I should be most grateful for your further consideration on this matter. I understand a decision about this application is to be made imminently on 10th February.

With thanks.

Yours sincerely,

Mr. T. B. Firth

Dear Daliah,

I would like to object to the licensing application for Polski, 78 High Road N15, for the following reasons:

1. There is a significant problem of street drinking in this area (Tottenham High Road/Wargrave Avenue) and granting the license would risk this problem worsening.
2. This premises has been the subject of a number of complaints - concerning the storage of waste, blocking the pavements with rubbish etc - and, as a result, I am unconvinced that the conditions of a license would not be adhered to.

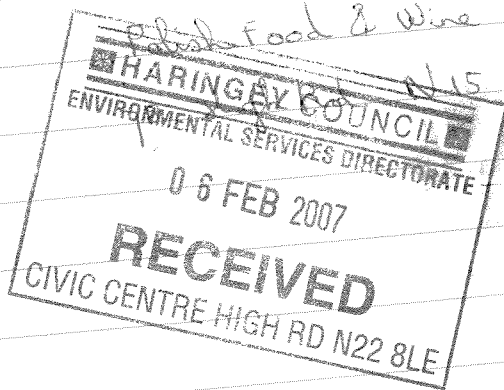

Yours sincerely,

Dhiren Basu

Dear madam,

I hereby extend an invitation to you
to live in my house and watch the
drinking in Wargrave avenue and especially
from the "Poles" who do not drink in the
nearby pub as the english people do
The supermarket, which has an off-licence
permit which is for the purpose of people
buying drinks to take home NOT TO DRINK
IN THE STREET.

I would not give a licence to No 78 Buxal
withdraw the licence of No 76.

is will not disturb the resident who want
drink as there is a pub next-door. The
sple drinking in the street after a time have
go to the toilet and this is done in the
rest or in our front gardens I am thinking of
bring this up with the Health Department as
if you issuing a licence are endangering
the lives of us and lots of children, who
use our street to go to school. These people
do not take notice of notices, just by action
