	<p>years.</p> <p>Members enquired as to progress on Service Level Agreements with Homes for Haringey. The Executive Member assured Members that work on this topic was on-going via joint working groups and in conjunction with the Director of Finance.</p> <p>Queries were raised over the low number of enforced sales and absence of Compulsory Purchase Orders and Empty Homes Management Orders thus far utilised by the Council. Officers replied that 1,200 empty private sector properties had been brought into use, with the Council using other methods which were believed to be more cost effective. Officers assured Members that grants given to landlords with empty properties were dependent on Haringey taking on the lease for that property.</p> <p>Members noted that protocols for Registered Social Landlords were currently going out for consultation, and that further options for Council tenancies for those with Mental Health problems were being investigated.</p> <p>RESOLVED:</p> <ol style="list-style-type: none">1. That the Executive Member provide to the Committee information on whether an empty properties officer has direct access from their computer terminal to the benefits information system.2. That Officers provide to the committee information as to current provision of Council housing to those with Mental Health issues.3. That the Committee regular updates as to when the 3-star Decent Homes Standard money would become available.4. That the Executive Member's briefing and answers to questions be noted.	
<p>OSCO141.</p>	<p>EXECUTIVE MEMBER QUESTIONS: EXECUTIVE MEMBER FOR ORGANISATIONAL DEVELOPMENT & PERFORMANCE MANAGEMENT</p> <p>The Committee received a briefing on key issues from Councillor Basu, Executive Member for Organisational Development & Performance Management, and he answered questions from Members of the committee.</p> <p>In response to the questions of the committee, the Executive Member stated that he had full confidence in both the I.T. budget process, and his own input into it. Officers assured Members that no decision had yet been taken on how to allocate or prioritise funding.</p> <p>Members requested more detail on the exact nature of what money</p>

	<p>from the I.T. budget was being spent on. Officers agreed to collaborate with the Scrutiny Review Panel on Information Technology to make this information available to Members. Officers stated their confidence that following a difficult period, culminating in I.T. being in-sourced last year, that performance would improve.</p> <p>Members requested information on outstanding Dismissal and Appeals panels, and Officers were confident that a number were now scheduled and the backlog was clearing.</p> <p>RESOLVED:</p> <ol style="list-style-type: none">1. That Officers liaise on providing detailed I.T. spending information and associated revenue to the Scrutiny Review Panel.2. That Members be provided with the protocol on Officer relocation.3. That the Executive Member's briefing be noted.	
<p>OSCO142.</p>	<p>ANALYSES OF RESULTS AT THE END OF THE FOUNDATION STAGE, KEY STAGES 1, 2, 3, 4 AND POST 16 FOR 2006 AND DATA FOR ATTENDANCE AND EXCLUSIONS</p> <p>Councillor Jones declared an interest in respect of this item as she was the deputy to the Executive Member for Children & Young People.</p> <p>Councillor Cooke declared an interest in respect of this item in that he was the Deputy Chair of Governors at Woodside School.</p> <p>The committee received this report to inform members of the results at Foundation Stage, Key Stages 1, 2, 3, 4 and Post-16 to 2006, the analyses of these results and the implications for the School Improvement Programme 2006-7.</p> <p>Officers informed Members that although they were awaiting validation of some data in respect of Key Stage 3, there was steady improvement in performance across the Key Stages.</p> <p>With regards to the decline in standards for Looked After Children, Members were informed that this decline was a national problem, and that Haringey would have greater focus on Looked After Children in the coming year. Officers stated that the figures did give cause for concern, and agreed to put into place actions to improve them.</p> <p>Concern was raised over five out of ten secondary schools being targetted by the Department for Education and Skills over their absence record. The committee learned that consultants were being employed in Schools to tackle this behaviour and attendance and requested further information on their work. Information was also requested on 'NEETS' (16-19 year olds not in education, employment</p>

<p>OSCO143.</p>	<p>RESPONSE TO THE SCRUTINY REVIEW OF ACCESS TO GENERAL MENTAL HEALTH AND EARLY INTERVENTION SERVICES IN HARINGEY – ONE IN FOUR OF US - UPDATE REPORT</p> <p>The committee received this report to be updated on the progress made in implementing the Scrutiny Review of the Mental Health Service completed in March 2006.</p> <p>Members complemented officers for their work across a number of thorough recommendations.</p> <p>Members raised the issue of the funding of Talking Therapies. Officers stated that it was necessary to make more efficient use of resources already available, as, despite an earlier commitment, government money for expansion had not been forthcoming. Members agreed to draw this to the attention of the Leader, and the local Members of Parliament.</p> <p>Members stated that the results of recommendation 9 regarding the Alexandra Road Crisis Centre should be monitored carefully, and that the PCT and Mental Health Trust should be engaged with to ensure the resource was known about and utilised.</p> <p>Members stated the importance of appropriate mental health services for the Black & Ethnic Minority community, and recommended that appropriate training and information for Members on this topic be provided.</p> <p>Members were keen that the PCT be aware of the report so they could comment on any budget implications with regard to it.</p>

**MINUTES OF THE OVERVIEW AND SCRUTINY COMMITTEE
MONDAY, 26 FEBRUARY 2007**

Members with topics for Scrutiny reviews of specific areas covered in the report were encouraged to contact Scrutiny officers.

RESOLVED:

1. That the issue of the lack of funding for talking therapies be raised with the Leader and local MPs.
2. That the Chair contact the PCT and the Mental Health Trust with regard to awareness raising of the Alexandra Road Crisis Centre.
3. That Officers provide both to the committee and former Councillor Jean Brown further information in respect of Recommendation 10, regarding qualifications and career progression for care staff.
4. That the Chair contact the Mental Health Trust in respect of their contribution to the report.
5. That the report be provided to the PCT and information be requested on the impact of their budget on the recommendations.
6. That Officers provide information on take-up of the Mental Illness training specified in Recommendation 24.
7. That the possibility of training and information sessions on the Mental Health needs of the Ethnic Minority community, as well as refugees and asylum seekers, be raised with the appropriate officers.
8. That proposals for more detailed reviews on subjects specified with the report be forwarded to Rob Mack, Scrutiny Support Officer.
9. That the report be noted.

OSCO144. CEMETERIES AND CREMATORIUM SCRUTINY UPDATE

The committee received this report to be updated on the progress made in implementing the recommendations from the Scrutiny review of Cemeteries and Crematorium, and to be advised as to the outstanding work, the proposed remaining programme and the timetable for completion.

Members complemented the Bereavement Service on their report, and enquired over the quality control arrangements for masons. They were assured that quality control was part of the criteria for their usage of specified masons.

Members enquired as to space concerns in cemeteries and were

	<p>assured by Officers that this had influenced the recommendations of the review, and that investigations were on-going into innovations such as pre-cast concrete vaults.</p> <p>Officers closed by assuring Members that the Bereavement Service was confident that it was able to meet the needs of the ethnic diversity of the borough.</p> <p>RESOLVED:</p> <ol style="list-style-type: none">1. That the report be noted.
OSCO145.	<p>GREEN AND OPEN SPACES UPDATE</p> <p>The committee received this report to update Members on the progress made in implementing the recommendations of the Review, and to advise Members of the outstanding work, and the proposed remaining programme and timetable for completion.</p> <p>Members enquired as to the operation and make-up of an officer group concerning the question of unallocated land, and requested the opportunity to give their input. Officers agreed to provide Members with the terms of reference for the abovementioned group.</p> <p>Members noted the problem of accurately knowing how many small pieces of land the Council owned. They were pleased to note that an exercise was underway, working with organisations such as Railtrack, to establish an inventory of 'unregistered' land.</p> <p>Members raised concern over the lack of dedicated play provision in both Crouch End and Fortis Green wards. It was requested that Officers ensure that a strategy to address the lack of play provision be established, particularly as this could likely prevent play provision being used in negotiations with Registered Social Landlords and Housing Associations.</p> <p>RESOLVED:</p> <ol style="list-style-type: none">1. That Members be provided with the opportunity to input into the usage of unallocated land.2. That the terms of reference of the Officer group on this topic be provided to Members.3. That Cllr Newton be provided with an update on the play provision at Muswell Hill playing fields.4. That the Assistant Director – Recreation liaise with Streetscene over the register of informal open spaces.5. That the report be noted.
