There are some differences to the allocation of funding for 2007/08 compared to 2006/07. These are:

- Better places have revenue funding allocated for 07/08 to the value of £150,000. Funding within this block for 06/07 is 100% capital.
- There is an increase of £65,000 within the Neighbourhood Element- guidance suggests that this additional money should be targeted at the Voluntary and Community Sector (VCS) at neighbourhood level. The Neighbourhood Element is currently spent on worklessness.
- DAAT Support Grant funding of £69,000 has not been confirmed. This funding is allocated through Home Office and usually makes up part of the revenue resource within the Safer Communities block.

¹ DCLG - Department of Communities and Local Government

² CSGE – Cleaner Safer Greener Element (capital)

³ CSG – Cleaner Safer Greener (revenue)

⁴ ASB – Anti-Social Behaviour (revenue grant)

⁵ BSCF – Building Safer Communities Fund (revenue grant)

⁶ NE – Neighbourhood Element (revenue funding)

Appendix C – confirmed funding within SSCF allocation for 2007/08

- 06/07 is the last year of the Community Empowerment Network funding. GOL. However, additional money through Neighbourhood Element is to be targeted at VCS.
