---

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to **make** representations to the Application

The operating schedule does not address the prevention of public nuisance from:

- airborne entertainment noise
- Structure borne noise or vibrations from entertainment
- Noise from plant and machinery
- Light nuisance
- Cooking odour

## Supporting Information

No history of any enforcement action by Enforcement Response

This representation recommends that the following alterations/conditions to the operating schedule:

### **Prevention of nuisance from noise / vibration**

All doors and windows will remain closed during the licensed regulated entertainment activities or in any event after 11pm. The entrance door will be fitted with a self-closing device and staff required to ensure that it is not propped open. A member of staff shall be made responsible to ensure the door is opened for as brief a period as possible. Where necessary adequate and suitable mechanical ventilation should be provided to public areas

Entrance/exit from the premises whilst regulated entertainment licensable activities are ongoing shall be via a lobbied door to minimise noise breakout.

The regulated entertainment licensable activity shall conclude 30 minutes before the premises is due to close to prevent excessive noise breakout as the premises empties

### **Structure borne noise**

All speakers are mounted on anti-vibration mountings to prevent vibration transmission of sound energy to adjoining properties

### **Outside Areas**

**RE: Licensing Application made by Blend situated at 587 Green Lanes, Harringay, London N8 0RG  
Playing of recorded music Mon – Sun 8.00 -1.00  
Playing of live music Mon – Sun 8.00 – 23.00**

My name is Stefano Marcadella and I have been living at 589-591 Green Lanes for 3 and a half years. When I first moved there was Juliana 99 Café where now there is Blend, but thankfully they shut down the business after a couple of weeks, as having loud music playing until late night was preventing me to have a decent sleep.

For these reason, I would like to submit you my concern regarding the Licensing Application made by Blend situated at 587 Green Lanes, Harringay, London N8 0RG.

There is a staircase well in between my flat and Bland café and the empty space amplify the music coming from the premises and the result is like having them playing into my room.

I am a working professional and I have to get up early in the morning, and I need to have a good night sleep without interruptions.

I love music, but what I would like to request is having the music stopping at 22.30 Sunday - Thursday and at 23.00 Friday and Saturday.

If the music keeps playing until late, I will be forced to call the Out of Hours Nuisance Officers to make it stop anyway, because being in my bedroom, you would realize how much you can feel the music and noise coming from downstairs.

I appreciate that you will take my request in serious consideration before granting the licence. Should you need to contact me, my details are below.

Yours faithfully
