# REPRESENTATIONS FROM RESIDENTS

**To:** Licensing

My name is Mrs. Mary Gibson and I live at 179 Park Road, N8 8JJ. I have lived here for over 40 years and although the local clubs have held dances etc. as a special occasion, I have never objected. I have been a tennis player all my life playing in most of the clubs on the playing fields
but recently the local residents have had an awful lot to put up with. I was General Secretary of North Middlesex for several years. North Middlesex is the club which my house backs onto, and as you know we have had a great deal to contend with, including a Bulgarian concert followed by an evening, - the music was so loud I could not hear on the phone, and the whole afternoon was blotted out for anyone wishing to entertain in their own gardens..
There does not seem to be any consideration for the local people any more, and it would seem to me that these money making ventures are against what the playing fields were for, and were supposed to be for for all time!! I strongly object to Calthorpe having live music or recorded music until 2 a.m. as a regular feature.
I have been on chemotherapy and have had five operations for cancer over the last two years, and I do need and want peace and quiet in my own back garden. At present because of the nursery at the end of our access path, we have got people up and down past the garden frequently throughout every day, and this has caused a breach in my privacy, and they are not particularly quiet. They also stand looking in my garden. I understood that planning permission had been turned down for this in its present position, but they are carrying on, so what is happening there? Does nothing matter to the Council any more? Please consider the local residents who are suffering because of all these money making schemes.

Please put me down as an objector. Mrs. Mary Gibson.

Dear Sirs,

I am somewhat upset to discover that the above club has applied for an extended entertainment and drinking licence. We in Park Road already have enough trouble with late night drunks making loud noise and vandalising cars. We do not need more.

The nearby NM Sports Club has recently been totally renovated. This included sound proofing which included special double glazing. No matter how much noise is generated within the building, the sound cannot be heard outside. Does the Calthorpe Club have sound proofing or will it be made a compulsory part of the granting of the music licence?

I reside on the northerly side of Park Road not far from the entrance to the club. I am sure I will suffer if this licence is granted. However, those on the south side of Park Road back onto the grounds in which Calthorpe is situated, I am sure they will suffer from noise pollution.

In conclusion, it is my hope that the application will be refused.

Dear Sir/Madam,

- Cattthorpe Sports and Social Club N8 8JJ
Application for entertainment licence till 0200 daily -

I received the attached copy leaflet from the Park Road (North) Residents' Association, the other day, and am writing to voice my concern at the possible granting of such a licence.

The prime concern is over noise. Though my house on Park Road does not back on to the Cattthorpe ground, as others do, I would still be able to hear loud music from where I live, as is the case with the North Middlesex ground. A function held there recently was clearly audible till a late hour. Added to the volume of music would be the inevitable noise of car engines being started, doors slammed, merry revellers, walking home on foot roaring their way along Park Road, all at 0200; and, according to the terms of the licence, this could be the scenario on any night of the week.

Another point to consider is that the sound of these functions does not just affect the residents of Park Road. Cranley Gardens, Wood Vale, Shepherds Hill and Priory Gardens are within earshot of the noise, through simple topography. The two arms of Shepherds' Hill and Muswell Hill form a natural amphitheatre, in the bowl of which sits the Cattthorpe Sports and Social Club.

Dear Sir/Madam,

I am writing concerning the proposal for the Calthorpe Sports and Socia Club to have a Regulated Entertainment License allowing music and the sale of alcohol till 2.00 a.m. on any day.

This is totally unacceptable, already the noise from this club carries to our house on all to frequent occasions making sleep impossible for myself and my children. I have found myself on warm summer nights unable to open the windows because of the noise and I have had to make complaints, concerning the level and lateness of the music played, to the council noise abatement team.

When you couple this with the sound

12 May 2007

Dear Sir/Madam,

This is a representation to object to an application by Calthorpe Sports & Social Club, The Calthorpe Ground, Park Road, London N8 8JJ to permit:

*Regulated Entertainment, namely live music and/or recorded music until 02.00hrs following pre booked functions attended by members and guests only and to permit the supply of alcohol to members and the sale of alcohol to guests until 02.00hrs every day for the premises Calthorpe Sports & Social Club, The Calthorpe Ground, Park Road, London N8 8JJ.*

The Calthorpe Sports & Social Club lies in the heart of a residential district and is adjacent to a line of residential properties on Park Road. It will also soon be adjacent to our new planned local 24 hour medical centre. It seems self evident that granting the permission for live and/or recorded music until 02.00hrs, accompanied by the allowance of the supply and sale of alcohol until the same time would indicate a very high risk of the creation of Public Nuisance.

Further, many of the residences in the area include working families, some with very young children or others of school age. Preventing unnecessary disruption of their sleep must surely be a basic protection they are due under the Council's Duty of Care.

In the past I have begrudgingly accepted that as a good neighbour one should put up with the occasional party at the club. And while I have also noted that such occasions have become much louder and more frequent during the past year, I have not complained. But if such levels of intrusiveness were to be permitted to become regular pre-booked events in the future, this would be unacceptable.

Finally, while there may well be other legitimate concerns relating to The Prevention of Crime and Disorder as well as Public Safety with regard to this application, these are issues beyond my comment, but may also need to be addressed and taken into account.

Yours sincerely,

Peter C. Allen

Re: "Regulated Entertainment, namely live music and/or recorded music until 02.00hrs following pre-booked functions attended by members and guests only and to permit the supply of alcohol to guests until 02.00hrs every day for the premises Calthorpe Sports & Social Club, The Calthorpe Ground, Park Road, London N8 8JJ"

We would like register, in the strongest possible terms, our objection to this application. Last summer there were plenty of noisy late-night booze-ups at the various cricket/sports premises in and around the Calthorpe Sports & Social Club, and it wasn't just the music. The DJ's feel the need to bellow distorted nonsense over the PA every other minute, and plenty of folk can be heard wandering about the grounds in the dark, screaming, shouting, and fighting. The only way to get any sleep is to close our windows in the heat of the summer.

We're pretty patient people and don't generally complain, but we now have a 7-month old baby, our flat directly faces the cricket fields, and the idea of permitting this until 2am on any day of the week is intolerable.

I would suggest, rather, that their current license be reviewed to improve on the noise situation as it stands now.

Yours Sincerely

Geoff Moseley

Dear Sir or Madam,

This application for Coltherpe sports & Social Club is outrageous 2nm ??

Are they turning their Cricket Club into a night Club.

Music resonates over this area and can cause aggravation to residents as I have experienced several times in the past.

This emphasises of members & guests means all & sundry.

Allowing this sort of thing opens the doors to the rest of the Cricket Community & this sort of thing.

It appears that the sporting element is giving way to certain peoples greed to make money.

I sincerely hope that this application is quashed

Yours Sincerely

L West

Dear Licensing Team,

re - application from Calthorpe Sports & Social Club - Objection

I write to object to the application from Calthorpe Soprts & Social Club for a 2am entertainment licence.

This club, and others, are located in a residential area in the playing fields at Park Road. There is already considerable noise disturbance from events held at these clubs, including late at night noise and most significantly when events are held with live or recorded music.

I note that representations in respect of this application are to be submitted by 25th May. Please ensure this objection is noted when this application is considered.

yours faithfully,

Dear Sirs.

Re Licensing application - Calthorpe sports and social club
R/O Park Road, London N8 8JJ

I wish to object to this application on the grounds on noise and parking.

A taste of what to expect, if you approve this, was on Sunday 6th May at the North Middlesex cricket ground, adjacent to Calthorpe cricket field. The noise was deafening and parking was impossible in Park Road, because of a `function` .

One of the reasons I chose to live in this property, is because it`s so quiet at the rear of the building, I accept having cricket balls landing in the garden but being disturbed by noise and possible antisocial behaviour late at night is not acceptable.

Yours faithfully

Dear Sirs

**LICENCE APPLICATION BY CALTHORPE SPORTS 7 SOCIAL CLUB**

I am very distressed to leaarn that this club is requesting a licence to be able to open until 2.00 daily.

My flat is in a block which faces the Calthorpe Club at the bottom of our garden. Noise at night would easily carry to this building causing disturbance to all. In addition the extra traffic which would arise will in itself cause noise in an area which in spite of being a main road is relatively quiet at night. Surely residents have rights to ensure that such licensing is not allowed.

Dear Sir/Madam,

Re The application for regulated entertainment until 02.00 hrs every day for the premises of Calthorpe Sports & Social Club.

I object most strongly to the above application on the basis of increased noise and light pollution in a very quiet area of Cricket and Tennis clubs.

In the past the club has only had very occassional nighttime activities and even this has led to complaints to the police re excessive noise and people from the events straying across the cricket pitches and attempting to gain access to our gardens.

Other considerations should include the lack of parking at the club and also the safety of members of the public attending in night time in what is a dark and secluded location.

Yours faithfully

We are formally writing to object to the application made by Regulated Entertainment to provide late night entertainment at Calthorpe Sports and Social Club. Previous experience of functions at this club have been terribly disruptive and unacceptable, with no control over the noise and the guests roaming down to our gardens. The police have been called on numerous occasions about this, and they have failed to control the problem. We will do whatever we can to stop this license being granted.

Dear Ms D Barrett,

**Re: Calthorpe Cricket Club, Park Road, London N8**

We are concerned that clubs in the Crouch End Playing Fields (of which Calthorpe is part) are, incrementally, eroding the special character of the area by extending drinking hours and entertainment functions (rather than focusing on sports activities). The increased noise, artificial lighting, traffic and litter problems associated with such use are all likely to have adverse environmental impact. In addition, it seems to us that the Metropolitan Open Land status and the real benefits of such open space in the urban environment are being downgraded.

Members who border the site are particularly concerned about potential noise and other nuisances, increased traffic and also the potential for unruly behaviour near their homes. We trust that the Local Authority will weigh all these factors in the balance and conclude that the extension applied for is inappropriate.

Yours sincerely

Dear Sirs,

Re Regulated Entertainment & Hours Application
Coalthorpe Sports & Social Club

I am writing to ask you to consider rejecting this application which would permit considerable noise from ~~[illegible]~~ music and members + their guests in a quiet residential area.

Noise carries directly from the club house across the cricket pitch to our back garden and with the doors / windows of the club open and people partying in the grounds the disruption can be considerable.

The club has very limited parking so the noise from cars parked in the surrounding areas also needs to be considered.

Yours faithfully

Dear Sirs

Calthorpe Sports and Social Club

I wish to lodge an objection to Calthorpe Sports and Social Club's application for regulated entertainment until 2 am. As a residential area it is unacceptable that permission for a license to be given until 2 am. With the wide open spaces at the back of the houses in Park Road noise travels particularly in the summer months when windows are open. North Middlesex CC already has a late license and to grant another club the same will just exasperate the noise situation.

Yours faithfully

K Dawson
