Describe the steps that you intend to take in order to promote the four licensing objectives:

General – all four licensing objectives (b, c, d, e) (please read guidance note 9)

Whilst the precise location of alcohol within the store will change from time to time, its location will always be subject to "responsible retailing"

The prevention of crime and disorder

A digital CCTV system will be maintained which is fit for the purpose. The CCTV system will incorporate recording facilities and any recording will be retained and stored in a suitable manner for a reasonable period of time. The CCTV system will be maintained and fully operational throughout the hours that the premises are open for any licensable activities. The precise position of the cameras may be agreed with the police from time to time.

Public safety

We have conducted a suitable fire risk assessment at the premises and implemented the necessary control measures including safe evacuation of disabled people. All exit doors are easily operable without the use of a key, card, code or similar means. Exit doors are regularly checked to ensure they function satisfactorily. Records of these checks are kept and can be produced on request. Notices detailing the actions to be taken in the event of fire or other emergency are prominently displayed and maintained in good condition. All fire existing means of escape are signed in accordance with BS5499

The prevention of public nuisance

All food waste is bagged and tied. Waste collection receptacles (skips/bins) are kept locked. Collections of refuse are made at appropriate intervals.

The protection of children from harm

The applicant is a signatory to the Portman Group Code of Practice on Naming, Packaging and Promotion of alcoholic drink. Staff are trained to request evidence of age from any person seeking to buy alcohol and appearing to the member of staff to be under the age of 21. Such evidence is to be of a photographic nature such as a passport or photographic driving licence or any identification card carrying the "Pass" logo. The applicant actively supports a Proof of Age Scheme. Age prompts on the tills alert a cashier when age restricted products are scanned. Signage advising staff and customers of agents for restricted products are displayed prominently in the store.

Reason/s for representation

*Under the Licensing Act 2003, for a representation to be relevant it must be one that is about the likely effect of the application on the promotion of the four licensing objectives. Any representations that are considered to be vexatious or frivolous will not be considered (please see Haringey Council's leaflet **Variations, Representations and Appeals for Premises Licences and Club Premises Certificates**).*

Fill in reason/s for your representation in the space provided under each Licensing Objective it relates to.

<p>The Prevention of Crime and Disorder</p> <ul style="list-style-type: none"> • Opposite the stated premises is a music club and bar, which has a late night licence. Previously, this venue has been the cause of substantial complaints from local residents and police investigations. • It is to be expected that those leaving the club will cross the road to purchase further alcohol; previous experience with club-goers suggests they will consume it near the premises or in adjacent residential streets, and that any incentive to congregate after closing time, will significantly increase the potential for fights and other disturbances by intoxicated individuals.
<p>Public Safety</p> <ul style="list-style-type: none"> • The adjacent YMCA, has amongst its residents some vulnerable young people. The premises will become a late night focal point for activity and provide opportunities to lead such individuals astray. • Gatherings outside the premises provide may prove threatening to local residents who in the past felt unsafe when the only focus was the music club. • Late night alcohol sales from a venue which is designed to attract car drivers will attract those already over safe driving limits from a wide area. This will increase both the potential for motor accidents in general and damage to cars in the densely parked area surrounding in particular • The increase in traffic 24/7 in a residential area with 3 major bus stops is potentially dangerous to individuals
<p>The Prevention of Public Nuisance</p> <ul style="list-style-type: none"> • The locality is predominantly residential, with houses in Elmfield Avenue and surrounding areas, and the densely populated YMCA building adjacent. Residents are already subject to late night noise nuisance from traffic and individuals departing from the town centre. Normally, this ends circa 1am. An open shop with all night off-sales of alcohol will cause nuisance and sleep disturbance to residents throughout the night.
<p>The Protection of Children from Harm</p> <ul style="list-style-type: none"> • The locality is residential and home to large number of families with children of all ages. The increased noise from traffic, as well as the potential for anti-social disturbance, will disrupt children's sleep patterns and cause stress. • The stated premises are adjacent to Rokesley Infant & Junior schools. Broken bottles, glasses, cans, vomit and other littering (which are currently an occasional occurrence) will increase, and provide hazards to young children making their way to school
