Annex 1 – Mandatory Conditions

(2) Supply of alcohol: No supply of alcohol may be made under the premises licence-

(a) at a time when there is no designated premises supervisor in respect of the premises licence, or

(b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.

(3) The second condition is that every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.

Door supervision: At specified times one or more individuals must be at the premises to carry out a security activity and each of these individuals must be licensed by the Security Industry Authority.

OTHER CONDITIONS:

There will be substantial food refreshment available at all times.

Annex 2 – Conditions consistent with the Operating Schedule

THE PREVENTION OF CRIME AND DISORDER

A digital Closed Circuit Television System will be installed and maintained on the premises.

The CCTV system will be recording at all times when the premises are open and the recordings shall be made available to the police and council on request.

Two door supervisors will be stationed on the premises between 23.00 and the closing of the premises.

A Panic alarm system linked to the central Police Station will be installed.

Anti-drugs signs will be displayed in the premises.

PUBLIC SAFETY

Fire safety equipment will be checked regularly and any requirements made by the Fire Safety Officer will be complied with.

Total number of persons accommodated at any one time shall not exceed 150.

The doors and gates in the following locations shall be locked back in the open position whilst the premises are occupied/in use under the Licence and notices shall be exhibited adjacent thereto worded:-

“THIS DOOR TO BE KEPT LOCKED BACK OPEN WHILST THE PREMISES ARE OCCUPIED/IN USE UNDER THE LICENCE”

- b) The gates to the side exit

The fire alarm changeover switch shall be in the “FIRE ALARM AND BUZZERS” position during the whole time that the premises are in use under the Licence

The fire alarm installation shall be under the supervision of a competent person who shall arrange for regular maintenance and testing to be carried out. The results of the tests shall be recorded in a logbook which shall be readily available for inspections by Officers of the Council or LFEPA.

The system of wiring used for the electrical installation is not of the type required by the Councils Technical Regulations for Public Entertainment. However the Council will not require its removal so long as its maintained in a satisfactory condition. Any alterations or additions to the installation (including those which may be found necessary as a result of an Electrical Inspection) shall be carried out using a system of wiring approved by the council (e.g. cables enclosed in screwed metal conduit or metal trunking, or mineral insulated metal sheathed cables).

THE PREVENTION OF PUBLIC NUISANCE

Signs will be displayed at the exit reminding customers to leave quietly and respect the neighbours.

Annex 2 – Conditions consistent with the Operating Schedule

Staff will call Taxis/Mini cabs for the use of customers leaving the premises when requested to do so.

Soundproofing of the premises is recommended and the applicant should liaise with the Council's Building Control Department in this regard.

THE PROTECTION OF CHILDREN

All staff will be trained that alcohol will only be sold to persons who can produce photographic identification where there is any doubt that they are over the age of 18.

Persons under the age of 18 will not be permitted to use Gaming machines.

Alcohol may only be sold to individuals over the age of 18 with valid proof of identification with one of the following:

- A valid passport
- A photo driving license issued in a European Union Country
- A proof of age standard card system
- A citizen card, supported by the Home Office

Annex 3 – Conditions attached after a hearing by the licensing authority

That the Committee grants the application for a variation of the license in full and subject to the conditions set out in the amended operating schedule. In addition, the licence is subject to the following conditions:

- (i) That the standard mandatory conditions are enforced.
- (ii) That the recommendations of the Child Protection Agency are enforced.
- (iii) That there is no new entry to the premises after midnight.

Notes for Guidance

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate. Indoors may include a tent.
3. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises please tick on, if you wish people to be able to purchase alcohol to consume away from the premises please tick off. If you wish people to be able to do both please tick both.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.

NOISE RECOMMENDATIONS

LICENSING CONSULTATION -INTERNAL MEMO

To: D Barrett-Williams, Licensing Officer

From: S Thompson, SEHO Noise Team

cc: D Pearce Noise Team Leader

Date: 25th September 2007

Premises: Music Palace, 159a Tottenham Lane, N8

Type of application: Premises.

I would like to confirm that the above proposal has been considered with regard to the prevention of public nuisance. On behalf of the Enforcement Service Noise Team and would:

Not make representations to the Application.

Supporting Information

The Music Palace is located in an area consisting mainly of commercial premises on the ground floor with residential accommodation on the upper floors. It is situated on a busy road.

There is a brief history of noise nuisance from this address: loud music was reported but not witnessed in July 2005 and June 2007.

Prevention of nuisance from noise/vibration

Airborne

All doors and windows will remain closed during the licensed activities. Where a door is used for patrons to enter or leave the premises, the door will be fitted with a self-closing device and staff told to ensure that it is not propped open.

Sound Limits

The level of amplified entertainments shall be controlled by means of a limiting device set at a level agreed with an Acoustic Consultant.

Patrons entering/exiting premises

Where people leave the premises, a licensed door supervisor shall supervise and ensure that they leave in a courteous manner.

Recommendation

The Noise Team have considered the application and nature of noise sensitive premises.

We do not oppose the application.

Subject: Music Palace, Tottenham Lane

Dear Licensing Team

Extension to bar hours at The Music Palace on Tottenham Lane

I am writing to object to the Music Palace getting an extension to their late licence. I live on Elmfield Avenue, which is just across the road from the Music Palace and already suffer with the noise of cars and people in the street late at night, as well as having bottles and cans littering my front garden. Extending the Music Palace's late licence for additional live and recorded music as well as later drinking will only add to the public nuisance and increase the likelihood of disorder on the streets late at night.

Please do not grant the Music Palace an extension to bar hours.

Subject: License extension for Music Palace (159a Tottenham Lane)

We are writing in response to the application for extended licensing hours at the Music Palace. We live in Fairfield Road in a property directly behind the club. (Flat 5, 22 Fairfield Road).

We are already concerned about the noise levels coming from the club which we are going to pursue with your colleagues in the Enforcement team. We do not want a further extension to the hours as we are already affected by noise and don't want to hear it even later into the night.

Furthermore we would like the license to be withdrawn for the outside seating area to the right of the club as not only can we hear the customers outside, we suspect that the open doors leading onto this area are increasing the noise from the music of the club. Maybe this seating area has been introduced in response to the smoking ban?

Kind Regards,

Subject: Application from the Music Palace, Tottenham Lane N8 for extended licensing hours

I understand that the Music Palace on Tottenham Lane, N8, has applied for extended licensing hours for live / recorded music to 2 am Monday to Thursday and 3 am Friday and Saturday and 1 am Sunday.

We live behind this premises in Fairfield Road.

I strongly object to this application due to the level of noise which this bar generates already, on a nightly basis. The music is extremely loud and can easily be heard from inside our house when all the windows are closed. It is impossible to enjoy a quiet evening in the garden due to the noise, and our children often have difficulty sleeping due to the noise. It is bad enough having this antisocial noise pollution during the existing licensing hours. We have previously asked that the bar install effective noise insulation and air conditioning (so that the doors and windows are not opened in summer) Given the bar is in the midst of a residential area, and already creates a lot of noise, I implore you to refuse the bar extended licensed hours to play loud music.

Please note that I would not object to extended licensing hours for the bar if it were only quiet, background music allowed. It is the loud, intrusive music which should not be playing any later than it already is.

Yours sincerely

FOR THE ATTENTION OF THE LICENSING TEAM

I wish to register my objection to the extension of bar opening hours for the Music Hall on Tottenham Lane.

- 1) These opening hours are virtually the same as those proposed by the hall when trading as Bar Rocca - and were rejected.
- 2) Local conditions are totally unchanged with one important exception give at 3) below.
- 3) Somerfields have opened a mini market across the road, which is open 24 hours a day, seven days a week. I have inspected the new shop and noted that it devotes nearly a fifth of its shelving to booze of one sort or another. With a chucking out time of 3am and with with a yobbish clientele which this place attracts like a magnet, it all too easy to visualize the drunken hoards descending on Somerfields to buy (or, more plausibly, steal) the drink on sale there. Needless to say Somerfields have no way of shutting off the alcoholic section of the store.

I strongly suggest that you stick to the present trading hours which are anti-social enough for those forced to live within earshot of this place.

yours truly

James Knight

Hello,

I am writing to you to object to the Music Palace application for a later licence during the week and weekends. I live behind the Music Palace at 26 Fairfield Road and have to endure loud music every night of the week which affects my sleep. If the music palace was to be granted a later license then this would have an even greater negative impact on my health and well being.

I am also concerned about how loud the music levels are at this club as it does appear to be very loud and the sound travels a great distance.

Dear sir/madam,

I would just like to express my concerns over the latest application for the 'Music Palace' venue to extend their licensing hours.

As a local resident, the current late opening times are just about bearable. But I am very concerned at the lateness of the new times applied for, my 11 year old has a bedroom at the front of the house and is often disturbed by the noise of the customers leaving the venue, the general noise from the venue itself, and an increase in disturbances in the street.

I do not oppose a live music venue in the area, but I do feel that venue owners need to respect the local residents right to some peace and quiet.

Leave the hours as they are - there is no need to extend them.
I urge you to reject this application.

We wish to object to the application for the extension of opening hours at The Music Palace on Tottenham Lane N8.

The noise of the people leaving this establishment would cause great disturbance to residents, who live nearby, as many cars are parked along the roads and already this is a problem. Due to the no smoking ban, many customers have their drinks outside and often broken glass is left on pavements and roads. This causes a public nuisance and is not safe.

We do not hear the music unless the front doors are open. This was a problem during the hot weather.

The people living behind The Music Palace are more disturbed by the music.

Dear Sir or Madam.

I've justed, received through my door. About extension hours, to the Music Palace on Tottenham Lane.

Which I strongly object to. It's bad enough, that when you sit down to retire, to watch T.V. You have music playing, in the background.

I have a ten year old. Who gets woken up, from her sleep. She says why? do they play music, so loud. When people want to get to sleep. A night club, should never have been aloud. Where people live, that have to get up to go to work. And get children to school.

This club is at the back of my houses So I really hear it,

very loud.

Would you like it. let's be fair, we all need our sleep. To cope with ever day living. The people that run these place's. I bet they get their sleep.

So please, don't let them have the new hours they want.

From Mrs Pamela Moore.

Waiting to hear from you.

I'm writing to object. To the extension hours, to the music palace in Tottenham. I'm a bus driver, and work shift hours. So some days, on early shifts. So I need my sleep. So that I can do my job. Driving a bus in London. With passenger in my care. Who want a safe journey to work.

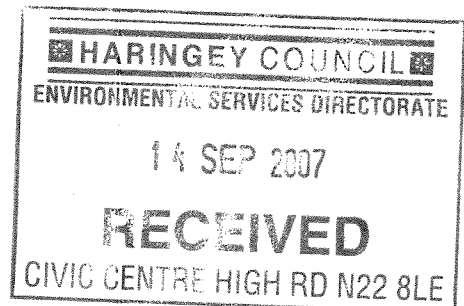

The hours they have now. They don't keep to, it's always later. So if you let them, have the hours they want. We would never, get any sleep. And we all need our sleep.

So please don't let them have these

hours.

Dear Sir/Madam

**Re: Application for extended licence at 'The Music Palace'
(159a Tottenham Lane N8)**

As residents of Elmfield Avenue we wish to **object most strongly** to the proposed variation to opening hours for the above site.

Under the current licensing arrangements, we are already subjected to noise and disturbance from this venue.

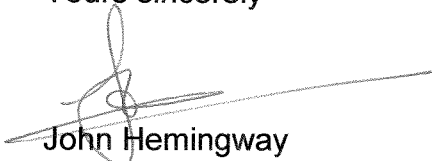

At the moment this property provides live music on a number of evenings per week. This can be heard in our houses late at night, when many people in this residential family neighbourhood are attempting to sleep. An extension to the opening hours will mean that this will continue until well after midnight in the middle of the week when many people have to get up early for work the next day. This is clearly a public nuisance.

The venue also attracts people from a wide area who travel by car and park in local residential streets. Not only does this make parking very difficult for residents; it also creates further disruption as people return to their parked vehicles late at night to return home. We will then be subjected to car doors banging, engines being switched on and the noise of departing vehicles. It is unreasonable for residents who have to work the next day to be subjected to this as late as 2.30 a.m.

As this establishment serves alcohol, we will also be subjected to noise and disturbance created by patrons who leave the venue on foot and walk down Elmfield Avenue behaving in a rowdy manner. It is unreasonable to subject local residents to this nuisance, disorder and disruption in the early hours of the morning on a regular basis.

In our view the quality of life of a large number of local council tax payers, voters and residents should take priority over the commercial considerations of a business which already disrupts our lives and we call on the licensing authorities to reject this application.

Yours sincerely

Subject: License extension for Music Palace

To: The Licensing Team

I am writing to oppose the application to extend the bar and music licenses of the Music Palace on Tottenham Lane, London N8. I live at 20 Elmfield Avenue N8 and believe that any extension to the license can only exacerbate the problems experienced by local residents because of the presence of this late-night venue in a mainly residential area. We already regularly have to put up with noisy groups of night-clubbers making their way along the street late into the night after the Music Palace closes, often over a prolonged period, interrupting our sleep. Opening as proposed till 2.00 on weekdays, when many have to work in the morning, and till 3.00 at weekends, would clearly make the situation worse. People leaving the club frequently leave bottles and cans lying in the street or in front gardens or forecourts, which is not only unsightly but potentially hazardous. As there is a school at the end of the avenue closest to the Music Palace, the danger to children of broken glass left lying around is very real.

For these reasons, I hope that the current application will be turned down.

Yours faithfully

Subject: Music Palace on Tottenham Lane - objection to application for a later licence

I have just found out that the Music Bar on Tottenham Lane wants to estend its licence till 2 am Monday to Thursday, 3 am Friday and Saturday and 1 am Sunday. I am a little surprised we received no formal notice of this - I only found out because a neighbour alerted me to it this evening. Why were we not told formally - we only have a week until the deadline for objection expires! This is simply not fair.

Such a move would be disastrous for the local area and must be resisted.

When Bar Rocca/Cheekee Monkeez was based at the same property and had a late licence, our lives were made a misery. We had people revving engines at kicking out time, walking over cars, urinating in our front gardens, peering through our letterboxes and shouting, trying to break into our cars in the early hours - you name it, we had it. The police were being called to the premises all the time to deal up fights, disorder and vandalism. The noise was terrible, even though the place was supposed to be soundproofed. There were gangs of kids queueing to get in and hanging around the streets four hours afterwards - many of them did not look 18 - a significant number did not even look 16!

I know that the Music Bar appeals to an older crowd but what it if is sold on to another manager who turns it into a Bar Rocca style venue once again, aimed at (mostly underage) teenagers with no respect for property, people's need to sleep or the public nuisance they are causing with their loud and disruptive behaviour? Our bedroom is at the back of the house but when they do have live bands I can always hear it (very loud) but don't mind too much as it's usually over by midnight and tends to be just at the weekend. If it was every night me, my partner and kids would be so sleep deprived we would be psychotic within days.

PLEASE do not put us through this again. This is a predominantly residential area near a school. Our kids go to Rokesly School and if they are kept up by late music every single night of the week they will be too tired to get up in the morning and their education and health will suffer terribly. I will be too tired to go to work. Our neighbours have a new baby and are sleep deprived enough as it is, without this happening.

Please turn this application down, I implore you.

Re: Objection to possible late license at The Music Palace, Tottenham Lane N8

Dear Sir/Madam,

As a resident of Elmfield Avenue, N8, I wish to strongly object to the above proposal to grant a late license for bar/live music/recorded music at the Music Palace. This club lies a mere 200metres from our home at no.15 Elmfield Avenue, and we are frequently woken up by drunk and disorderly teenagers and young people crossing toward Middle Lane to catch a bus on their way home.

This is a respectable area, with Rokesly school nearby and, if it goes ahead, such a license will only worsen yob behaviour, particular from 11pm and well into the night, as late as 2am and 3am on Friday & Saturday. Elmfield Avenue is a community minded road, with houses not split into flats, containing young families. Any such worsening of loutish behaviour into the night along our street will set a very bad example.

I wish to voice my strong objections to such an extension going ahead.

Dear Mr Barrett

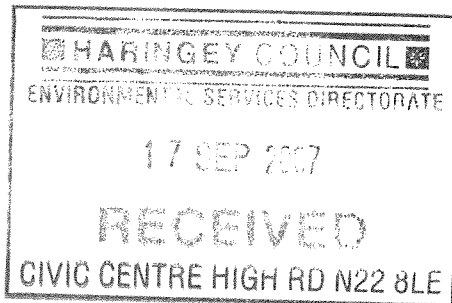

I am writing very strongly objecting to the Extension of Music Palace in Tottenham Lane

N8

- ① For one reason = Public Nuisance
The level of noise for I and my family also people living in the surrounding area, shouting and scream from people using the club so if the time is extended it will be tough
 - ② There is the safety element to consider people coming out drunk and if they drink longer hours they will be more aggressive and threatening to the public.
 - ③ Last time we fought this Club a number of cars surround in the area was damaged and when passing the club it felt frightening
 - ④ We also have to consider people children in the area sleep in pattern My husband, myself, daughter all get up 6 am in the morning so we like to go to bed reason time so extending more hours as would be disgusting it is bad enough as it is on there hours their open
- Mrs. C. Puzja

I wish to say I don't accept
any of these hours they want to
extend for drinking, music, and
Bad behaviour early hours of the morning
I'm not a hell ~~gang~~ but people
during decent times don't keep
the hours the club ~~is~~ want.
I think week day 12 pm &
1 pm weekends is enough time
to drink & enjoy music. But
the way my age in 50-60
24 so you see we still want
to enjoy and also two object
it is no good the club telling us
you have sound-proof because
they open their doors & windows
so it defeat the object.

Dear Ms Barrett,

MUSIC PALACE, TOTTENHAM LANE, N8 APPLICATION FOR LICENCE EXTENSION

I am writing to object strongly to the above application on these grounds:

1. PUBLIC NUISANCE. The noise made by this club is a public nuisance to people living in the surrounding area in terms of noise pollution from the so-called music, and shouting and screaming of the clubbers when they come out at night. The idea that this nuisance could be extended until the early hours is frankly horrific.
2. PUBLIC SAFETY. People emerge from this club drunk late at night and have been known to be aggressive and threatening to the public. If they drink for longer, this problem can only get worse.
3. PREVENTION OF CRIME AND DISORDER. People emerging from this club have been known to damage cars in the surrounding roads, and to generally create a feeling of aggression which can be frightening for people passing by late at night. Later licensing hours can only exacerbate the problem.
4. CHILD PROTECTION. There are a number of children living in Fairfield Road whose sleep will be badly affected by the noise from this club going on even longer than it is already. Sleep deprivation will be harmful to their health.

I regard 2am on weekdays, 3am at weekends and 1am on Sundays as unacceptably late for any establishment to be allowed to promote drinking alcohol, playing loud music, and generally encouraging bad behaviour on the streets, which are residential. This club is not soundproofed, and was never meant to have electronic music played in it. I hope that the Licensing Team will refuse this application entirely. The status quo is more than sufficient.

Yours sincerely,

Mrs. Jill Eakins

Hello,

I am a resident in Fairfield Road and my property backs onto The Music Palace on Tottenham Lane. I would like to raise a formal objection to their recent application for extended license hours.

The music from this establishment is often very loud and audible from my residence. The hours of licence already mean that music is played audibly at unsociable hours and extension to these hours would only exacerbate an untenable situation.

Please log my objection to this application.

Dear Sir/Madam,

I live at 4 Elmfield Avenue, N8 8QG and I would like to express my objection to the application for a later licence for bar/live music/recorded music at The Music Palace on Tottenham Lane, N8.

My objection is based on the following concerns:

- prevention of crime and disorder
- public safety
- public nuisance

Although I live far enough down Elmfield Avenue not to hear the noise of the music, we do hear customers leaving the bar late at night and they can be very noisy and disruptive. In the past there has been anti-social behaviour in and around the bar and the atmosphere in the immediate area has been threatening at times. I believe that extending the bar hours could lead to a recurrence of this problem and would not be appropriate for a residential area.

I would be grateful if you could take my objection into consideration when deciding whether or not to grant this application.

To Whom It May Concern:

Re: Application by The Music Palace for extended licensing hours

I would like to strongly object to the application by The Music Palace on Tottenham Lane for extended licensing hours.

I have had to call the Council's noise enforcement team on a number of occasions in the past few months as the establishment already flaunts acceptable noise level restrictions and therefore has continually acted irresponsibly. Its patrons park their cars in Hermiston Avenue and we have had to endure their drunken outbursts and threatening behaviour in the early hours of the morning as they return to their vehicles. Many of them drive erratically away. This repeated antisocial behaviour has woken my family and me.

I have two babies under the age of two and many of my neighbours are either elderly or have very young children. Extending the opening and licensing hours of The Music Palace would have a detrimental affect on the neighbourhood's lifestyle. The club is located opposite a primary and junior school. The council must respect that the people who live close to the school have young children and have not chosen to live in the West End. Many of my neighbours are professionals and have to go to work each day. If we are kept awake until 2am on weekdays, it will make it impossible to work. The children will also lose sleep on school days and this will have a harrowing affect on their performance at school.

Mr Karatas, who runs The Music Palace, claimed in The Ham and High (September 20) that the older patrons posed less of a threat than the younger crowd who frequented Bar Rocca. This is not true. Our property has been threatened on a number of occasions by his patrons. Also, what guarantee is there that if The Music Palace is granted extended opening and licensing hours that Mr Karatas will not sell the club to someone who will want to attract a younger audience?

All through the summer The Music Palace opened its doors and windows making it impossible for me and my children to sleep. It also made it impossible for us to open our

21/09/2007

windows.

Mr Karatas also claims in the Ham and High that he will soundproof the building and keep the doors closed. If he was genuine and cared about the neighbourhood, he would have already carried out this work. However, a bit of soundproofing will not solve the problem of drunken patrons threatening my property and my family. Mr Karatas has closed the doors in the past week, but this is an anomaly, not standard practice.

On hearing of The Music Palace's application, I went to read the notice in its window. I could not read the two notices as they were both well above my eye level. I believe that this was a deliberate tactic to ensure fewer people were aware of the application, and shows a level of deception that the Council should find unacceptable.

The need for residents to continually protest and complain about the establishment now known as The Music Palace should be of the gravest concern to the Council. It needs to ask if Crouch End really needs a nightclub in what should be a highly desirable, family-oriented neighbourhood.

Yours sincerely,

Heather Paterson

I live on Fairfield Road behind the venue and it is already noisy enough without the hours being extended even further.

Currently I am forced to wear earplugs in order to go to sleep when the music is loud and it seems to carry very clearly through the night air.

I do think that expecting local residents to cope with this noise after 11 o'clock on every single night of the week is really too much and I would ask that the licence is refused.

Please do not hesitate to contact me should you require any further information.

Additionally, we urge Haringey Council to insist that The Music Palace installs up-to-date soundproofing, as the noise from this club is already unreasonable and is disturbing residents' sleep.

Re: The Music Palace, 159a Tottenham Lane, Crouch End N8.
Application from Mr Fuat Karatas for extended licensing hours.

Dear Sir/Madam

In respect of the above, I wish to lodge my objection to extended opening hours, on the grounds of noise nuisance. Sound (music) from The Music Palace is clearly audible from Ferme Park Road especially when live bands are playing. The residents in houses in Fairfield Road that back onto the premises must need their windows shut most nights if they are to get any sleep.

As far as I can see there is no sound proofing in The Music Palace, which has large glass windows in the roof, glass not being a usual sound dampening material. I would expect a music venue such as this in a residential area to have to comply with the same decibel levels as every other venue but there does not appear to be any form of metering within the premises.

In addition, there are doors to a separate side alley outside the premises, and the front doors to the pavement area, that are open for long periods of time as smokers go in and out. This again allows sound out from the venue.

I think that if the extended licensing hours are granted then it should be on condition that adequate sound proofing be installed. The excessive noise in the early hours coming from this venue should not be allowed to continue unchecked.

(I have been in The Music Palace on occasion and think that it is a well run and friendly venue. I hope that it will continue to provide an interesting music venue for Crouch End. Just quieter from the outside.)

Yours faithfully

Mr Greenwood

Re: The Music Palace, 159a Tottenham Lane, Crouch End N8.
Application from Mr Fuat Karatas for extended licensing hours.

Dear Sir/Madam

I feel that the extension of the licensing hours for the above premises will lead to a detriment in quality of life for residents living nearby. The music from The Music Palace is clearly audible in my house on Ferme Park Road. The residents in houses in Fairfield Road are even closer and must have to keep their windows closed.

There seems to be no sound proofing in the premises. I am surprised that in the years that the venue (under different management) has run as a club that the council has not been able to curb the noise.

The new restrictions on smoking in premises has led to doors to a separate side alley, and the front doors to the pavement area, being left open so that smokers can go in and out; allowing sound out from the venue.

I would prefer the extension not to be granted as I think that this extension would also encourage more rowdy behaviour and damage to property, which then has to be cleared up by residents.

I have visited the premises and feel that it is a well run and friendly venue. I do not feel that it needs this extension to continue as a successful business

Yours faithfully

Dear Sirs,

Re: extended licence for The Music Palace on Tottenham Lane

We have become aware of the music palace on Tottenham Lane, N8 having applied to extent their licensing hours to 2 am Mondays to Thursdays, till 3 am on Fridays and Saturdays; and till 1 am on Sundays.

My Family and I live at number 13 Elmfield Avenue which is directly opposite this bar and we **highly** and **strongly** object to this licence being given.

We have many reasons to object to this licence being agreed, and we ask that you take into consideration the feelings of the community living around this bar.

Firstly, we have noticed that crime and disorder has improved and been better in the street and local area since the bar hours had decreased and changed its name from Bar Rocca to The Music Palace. People leaving the bar previously were mostly young and extremely noisy and violent when previously leaving the bar; and our road was where they parked. So it was not safe for us late into the night and early hours of the morning, especially at weekends.

In fact a stone was thrown through our window by young people in the street, which smashed our window one night about 4 years ago when bar rocca was at its busiest and noisiest.

We could not even look out of the window in the hope that they would keep their noise down in fear of reprisals. We were more than happy that the bar had changed ownership and policy and seemed to be closing earlier.

These above points also refer to public safety in the area.

Our child is 7 and my wife is expecting our second child, the majority of the families that live on our road have small children. We can better protect or children from harm, by not having the return of a higher volume of people and a younger clientele, which is i assume what the Bar is hoping to attract; and causing a public nuisance in this residential area.

Yours sincerely,

Mr Zenios P Zenios

Dear Sir/Madam

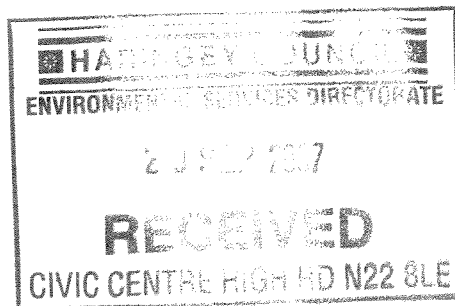

I object to the proposed extension of the above premises for a later licence for bar/live music and recorded music.

To allow this to take place would be unfair on local residents because of the noise coming from the premises and later when customers leave the premises (ie slamming of car doors, laughing and talking) at such unsocial hours when people are trying to sleep. This is a residential area where many people have to get up in the morning for work and where children have to go to school.

Dear Sir,

~~But~~ As a resident of Elmfield Avenue I would like to object to the proposed extension to the licensing hours of The Music Palace on Tottenham Lane.

I think this is a very bad idea on many fronts.

First there are issues of public nuisance, especially as patrons of the Music Palace use Elmfield Avenue to park their cars. The prospect of car doors slamming and raucous conversation well past midnight on every single night of the week is hardly conducive to the well being of a residential area. The risk of crime & disorder is also bound to increase as is the threat of public safety.

But a special concern to us is the impact such an extension could have on children. Elmfield Avenue has many families with young children, primarily drawn by the proximity of the excellent Roberts school. Disruption to the sleep of these children is a real risk if the extension is granted. Also, many ~~ex~~ times

Dear Ms Barrett,

EXTENSION TO HOURS 'THE MUSIC PALACE' CROUCH END N8

Please do not allow this application. It will create a major **PUBLIC NUISANCE**, with loud music blaring out until unacceptable hours – 2am on weekdays, 3am at the weekend, and 1am on Sundays. In addition, the clubbers make a noise leaving the premises.

Late opening clubs, this one included, encourage **CRIME AND DISORDER** and **THREATEN PUBLIC SAFETY**, with drunken revellers behaving in a threatening way to passers by and damage to cars and other public property.

Such loud music so later at night is also a threat to the **HEALTH OF CHILDREN**. There are several children living near this club, and their sleep is already affected. Extending the hours will only make things worse.

I am totally opposed to any extension of bar or music hours.

Yours sincerely,

Dear Daliah,

I wish to register my fierce objection to the recent application from The Music Palace on Tottenham Lane for a later licence.

I wrote to Daliah Barrett back in May 2006 when the above mentioned venue was called Cheeky Monkees. At that time I was objecting to a request for Mon to Thur - 12.30am, Fri to Sat - 1.30am and Sun until 11pm. My objection is never more absolute. The smoking ban will certainly mean that groups of people will gather outside to smoke, creating more litter, vomit, noise and violent outbursts. As if that is not bad enough, I am now being advised that this will occur until 2am or later for 6 days of the week.

Please email me back a reply to explain what actions the licencing dept. take before making a decision. I wish to know what considerations are given to the impact on a neighbourhood, the environment, quality of life before these extensions are granted.

Hello,

I am a resident of Elmfield Avenue and my property is near the The Music Palace.

I would like to raise a formal objection to the Music Palace's recent application for extend license hours.

The music from this establishment is often very loud and I can hear if from my house. Often there is a problem with parking in my street anyway which will get worse if hours are further extended.

The current licence already means that music is played at unsociable hours and extension to these hours would only exacerbate the situation.

Please log my objection to this application.

Dear Sirs,

Re: The Music Palace on Tottenham Lane, N.8
APPLICATION FOR LICENCE EXTENSION

I write to lodge my objection to the granting of an extension of hours for bar/live music and recorded music at the above .

It is already unpleasant for local residents - loud music until the early hours, doors wide open and kids hanging around outside smoking and the nuisance when they eventually turn out with glasses, bottles, vomit left on the pavement and car doors banging and final farewells being shouted, etc. Also, on Sunday afternoons the doors are on occasions left open and loud music played. On these occasions, a local resident has gone in and I must say, they have reduced it, temporarily.

This particular establishment keeps on changing hands. Since original licensing objections a few years ago, I believe it has changed haands three times, each time calling themselves something different. We have the YMCA on the opposite corner, the noise from which has been contained all these years. To have a noisy establishment right opposite where kids are drinking all night, really does put out the wrong signals not to mention sleep deprivation and all the other risks to an already vulnerable group.

My objections are on the grounds of:

1. Noise at a time when local residents need to sleep and rest.
2. Kids hanging around outside, smoking and drinking.
3. The people frequenting this establishment seem very young.
4. Local residents feel threatened where groups of people congregate, the worse for drink.

I would really like to know how our Local Council can see that the local community benefit from allowing this establishment to stay open all hours. The owners probably live outside the Borough and, I suspect, most of their patrons do not live in Hornsey/Crouch End.

01/10/2007

Human beings are not nocturnal. Nature, in all its wisdom, factured us to sleep at night and the majority of the human race does just that or would like to.

I really find it hard to believe that local residents have to make a case to public servants pointing out the disadvantages of a facility they wish to put right in the centre of where we live. Surely, as public servants, funded with local taxes, shouldn't you be telling us of all the benefits of sleepless nights, mucky streets, youngsters boozing and putting themselves in danger not to mention the possible drug and drunk driving issue which no-one is able to guarantee isn't a higher risk the longer hours such premises operate.

I hope you will take my objection seriously.

Your sincerely,

Yvonne Heath.

PS. I have just heard that 'Somerfields' (which are situated right opposite the Music Palace) are looking for an extension to sell 'drink' all night, so the kids can fall out of 'The Music Palace' right into 'Somerfields' and carry on. It's ridiculous having a smoking ban only to encourage people to drink themselves to death!

To whom it may concern,

I am writing to object to The Music Palace being given a late licence. This is a residential area and when the club had a late licence under it's previous owners there was non stop disruption in our street. Drunk customers were having fights at 2 a.m. outside our front door, cars playing very loud music would be outside our house. Our two children were regularly being woken up in the middle of the night by the bar's customers, who often smashed bottles in the street. On many occasions we had to clean up broken glass from our front garden.

The club under it's current owners has a very bad habit of leaving it's front doors open on warm evenings, the result is that the whole area can hear the loud music from inside.

I am surprised that we did not receive any correspondence from the council regarding this application, I heard about it from a neighbour, who saw it in the club's window.

Heff Moraes.

Subject: Re: The Music Palace (Extension to Bar Hours)

Dear Licensing Team,

I am writing to object the proposal to extend the bar hours of Music Palace on Tottenham Lane. The following are some of my reasons for doing so:

1. Public Nuisance

This venue poses constant nuisance to the public. During the previous license period, personally, I found it difficult to sleep at nights as music was played loud onto Elmfield Avenue into the early hours of the morning. Club users cars arrive on Elmfield Avenue with blaringly loud music

2. Public Health

Clubgoers have formed the habit of using a corner in front of our premises as a urinating point. I have also seen feases deposited in front of Rokesly School.

3. Public Safety (Crime and Disorder)

Fights have broken out countless times, resulting in sleepless nights and overnight anxiety for me and my family. I have personally witnessed a youngman beaten to the ground and kicked into the gutter.

For the above reasons, I object the proposal.

Thank you

George
